Grandpas Gate:

Grandpa's Shed Robert A.V. Jacobs,2019-01-26 Robert was almost ten years old so things like make believe worlds and strange creatures were no mystery to him He wasn't a complete baby and realised that was just what they were make believe So when his Grandpa started to tell him stories about other realities and the weird and wonderful beings that inhabited them he thought he was just being told made up stuff That is until he took a real look into Grandpa Kenneth's garden shed

Grandpa's Enigma James Brink,Kathy Leos,2005-04 Alexander Leos has Attention Deficit Hyperactivity Disorder ADHD There are definite negative effects of this disorder but on the plus side it contributes to the tremendous pleasure he gives to all that come in contact with him Over the years his antics have brought considerable laughter to his family and others Grandpa's Enigma is his grandfather's attempt to share with you the humor that Alex almost entirely inadvertently has given him If in addition the reader gains a better appreciation of ADHD and how it may be dealt with we would be most pleased however it was never our intention to provide any guidance just a few laughs **The Midland**,1925 *Grandpa's Mountain* Carolyn Reeder,2002 During the Depression eleven year old Carrie makes her annual summer visit to her relatives in the Blue Ridge Mountains and watches her determined grandfather fight against the government's attempt to take his farm land for a new national park **Max and the Gatekeeper FREE** James Todd Cochrane,2007-09-04 A war has been waging for centuries a magical and technological battle between good and evil This conflict will affect life everywhere but not everyone is aware it exists When twelve year old Max Rigdon is sent to stay with his grandfather for the summer he unwillingly enters the fight The day Max steps off the bus he is marked with an evil curse and immediately becomes the target of evil men and creatures with designs on ruling the universe Not only does this curse cause Max physical pain but it allows his enemies to track and find him He soon learns that the reason for this unwanted attention is because his grandfather is the keeper of a gateway a powerful machine that makes travel to hundreds of strange unknown worlds possible The enemy will do anything to gain possession of this power in their quest to control all worlds With the help of his friend Cindy and others Max must quickly learn the necessary skills to survive if he is to avoid the deadly trap that has been planned for him and his grandfather A trap that has been decades in the making with Max as the missing piece If successful it will change life as we know it *Grandpa's Tales of Ahmednagar - Part 1* Sukumar Chatterjee,2016-11-18 In 1947 the Chatterjee family moves to Ahmednagar from Kolkata only to find that the old city has lost its splendor They make it their home and the children in the family Swapan Sukumar Ashish and Jayashree try to adjust in the new city The book takes you through the children's escapades from going to picnics with friends shooting arrows at each other and playing surparambha to befriending a donkey that went to their school they have plenty of adventure More importantly the children learn about the history of Ahmednagar from the tales they hear from Grandpa Does the family respond as history beckons in Grandpa's Tales of Ahmednagar **A Luminous Future** Teodor Flonta,2012-05-25 In 1946 ominous clouds are gathering on the

narrow horizon of Lupoia Valley of the Wolves a little village in Transylvania where traditions steeped in prejudice and superstition have endured over many generations The Second World War is over but the lives of the villagers are thrown into turmoil with the imposition of drastic senseless changes by a new regime intent on creating a new man for a new society The newly installed totalitarian government threatens to eliminate the Flonta family by declaring Teodor's father Pavel a chiabur an enemy of the people Pavel is arrested imprisoned and tortured When the wave of persecutions reaches its peak he is forced to live in hiding A trade learned by Pavel in his youth unexpectedly becomes his salvation the Russians who are extracting uranium in the Carpathians for their atomic bomb hire him There at the mine the tentacles of the Securitate the secret police cannot reach him Stalin is still alive when Teodor starts school Torn between two opposite worlds home where traditional values are preserved and love abounds and school where indoctrination and inequity prevail he constantly questions and ponders the twisted logic behind events sometimes with cheekiness and humour as only a child is capable of doing under the circumstances Events however affect Teodor deeply from an early age as in the communist system the sins of the father imaginary as they might be are made to fall on his young son's shoulders A Luminous Future offers a unique insight into one of the most disturbing periods of modern European history By turns amusing terrifying and confronting the story of Teodor Flonta his father his family and his community is both a valuable social document and an intriguing read Chris McLeod Man of Water Fremantle Arts Centre Press The author does a wonderful job combining the historical and the personal The images and themes surrounding the wolves both animal and human are brilliant One of the greatest things about this memoir is how the author balances the darkness and cruelty with pitch perfect humor It is such a triumphant story in the face of seemingly insurmountable odds and I think readers will love this family and the spirit they show It's funny and warm and heartbreaking as life so often is Jayne Pupek The Tomato Girl Algonquin This is a charming and sometimes shocking portrait of growing up in a remote village in Romania during the Communist era It is an intriguing portrayal of the customs and traditions that lingered on from the pre Communist days humorous and brutal as they were and their destruction at the hands of what seems a madness that gripped the country during the 1940s and 50s It is also a testament to the resilience of the author's father who endured unimaginable pressures humiliations and imprisonments for committing no crime other than employing a couple of men Personally I find the story quite gripping and clearly and vividly told with a mass of illuminating detail The characters come to life well the author makes a good guide to this to us strange world and conveys the politics in a lively but understated way Helena Drysdale Looking for George Picador Grandpa's Hook Scott Degelman, 2008-05 America already has a tomb for the unknown soldier Lawyer Blake Nepper told reporters Can we not have one obituary for the unknown fetus Ward Brown's daughter Mindy is newly pregnant It's Thanksgiving of Mindy's senior year of high school She has already been granted a college academic scholarship She is no longer involved with her baby's father Ward Brown fears the dastardly inevitable he needs a miracle will try anything to stop his daughter from aborting her baby

The Importance of Being Emma Juliet Archer,2011-11-01 An ingenious contemporary twist on the classic romance Emma with characters Jane Austen herself would have loved Joanna Trollope True Emma Woodhouse crushed on her ridiculously sexy brother in law Mark Knightley when she was a clueless schoolgirl But with an MBA from Harvard and a burgeoning career as marketing director for the family food business she s become a self assured young woman who is totally immune to the Knightley charms Besides the man of Emma s new dreams is television chef Flynn Churchill When Mark is hired as Emma s new company advisor he likes the idea of getting closer to the girl he once dismissed as a little sister Especially now that she s grown into a woman so irresistible not to mention obstinate exasperating and totally impervious when it comes to the rules of attraction and desire Emma only thinks her heart is set on Churchill Now it s up to Mark to reset Juliet Archer has reinvented Emma for a 21st century audience with breathtaking charm and verve Jane Austen s Regency World magazine Perfect for reading on a hot lazy afternoon Like a single piece of good chocolate it s a sweet treat that you won t regret later Austenblog

Georgia Sits on Grandpa's Knee Russell R. Standish,1999 **Grandpa's Stories** Ronald (Ronn) L. Shank,2012-09-17 A number of years ago now as one of my grandsons first birthday approached I thought about what to give a one year old There are a million things that will be played with for a short while then either broken or ignored I wanted to give something special something lasting something that even when older he might still enjoy Then it struck me since he likes the silly little stories I tell him upon his request that maybe I could write some cute little short stories with a moral as well just for him and any of my other grandchildren as well when shared Thats all it took to get me started Since then each year I write a little story that somehow relates to something in his life When another grandchild came along he also was added to the list of recipients of original stories When I got to thinking about it I decided there may be other grandparents that would like to spend time with their grandchild reading a little story Now a few years down the pike and I have enough for a book And so herein I offer my readers a chance to share the joy of time spent reading to a child That is why my stories were written in the first place Children go through phases as with my grandchildren there were the dinosaurs whales especially the blue whale hedge hogs puppies and gold fish Im sure you get my drift All of these fed my imagination and help to produce stories that have a connection and personal touch for both the child and me These stories are not written for children to read but rather for a loving adult to sit down with child on their lap or side by side on a shared sofa and be read to I recommend using funny voices and lots of emphasis and maybe a tickle or two at just the right moment to add flavor and a garnish to each story The giggles like sparklers on the 4th of July will shower joy in all directions and
