GRANT IN PEACE: FROM APPOMATTOX
TO MOUNT MCGREGOR, A PERSONAL MEMOIR

ADAM BADEAU

Grant In Peace From Appomattox To Mount McGregor

Badeau Adam

Grant In Peace From Appomattox To Mount McGregor:

Grant In Peace. From Appomattox To Mount McGregor; A Personal Memoir General Adam Badeau, 2014-06-13
Few men can have known General and President of the United States Ulysses S Grant as well as General Adam Badeau As Grant's military secretary during 1864-1865 he came to know and work closely with the future president after the war he would go on to write a three volume history of Grant's military campaigns and serve as senior research assistant to Grant when the latter was writing his memoirs General Badeau came to recognize Grant's capabilities of healing a divided nation and was a frequent correspondent and eventually the President's confidant General Badeau would go on to write of his friend's history in both his military and peacetime periods with great success In this volume Badeau charts Grant's political career and his manoeuvring that led to his appointment as President

Jamieson,2015 When Gen Robert E Lee fled from Petersburg and Richmond Virginia in April 1865 many observers did not realize that the Civil War had reached its nadir A large number of Confederates from Jefferson Davis down to the rank and file were determined to continue fighting Though Union successes had nearly extinguished the Confederacy s hope for an outright victory the South still believed it could force the Union to grant a negotiated peace that would salvage some of its war aims As evidence of the Confederacy s determination two major Union campaigns along with a number of smaller engagements were required to quell the continued organized Confederate military resistance In Spring 1865 Perry D Jamieson juxtaposes for the first time

the major campaign against Lee that ended at Appomattox and Gen William T Sherman's march north through the Carolinas which culminated in Gen Joseph E Johnston's surrender at Bennett Place Jamieson also addresses the efforts required to put down armed resistance in the Deep South and the Trans Mississippi As both sides fought for political goals following Lee's surrender these campaigns had significant consequences for the political military context that shaped the end of the war as well as Reconstruction

U.S. Presidents during Wartime Sean N. Kalic, Ethan S. Rafuse, 2023-09-21 From the American Revolution to the War in Afghanistan the United States has had no shortage of conflicts on both domestic and world stages All provide insight into the values of the presidents who led the nation through them U S Presidents during Wartime A History of Leadership takes readers through chronological entries of presidents who participated in key wars throughout U S history An overview essay first considers the social economic and political factors that affected presidents during war Entries beginning with the presidency of George Washington and ending with that of George W Bush comprehensively cover each war therein as well as the responses of the relevant presidents Primary documents in each entry depict the perspectives of the presidents and offer opportunities for comparing and contrasting the presidents' engagements in wartime strategies Ending each entry are chronologies of the various events and conflicts that marked the president's time in office Moreover entries build upon each other to help readers toward a broader understanding of the sum impact of the wars that the presidents led While the book emphasizes the historical record it also explores ongoing conflicts through the lens of contemporary U S presidents to provide readers with a complete picture of the changing nature of war over time

The Republic for which it Stands Richard White, 2017 The newest volume in the Oxford History of the United States series *The Republic for Which It Stands* argues that the Gilded Age along with Reconstruction its conflicts rapid and disorienting change hopes and fears formed the template of American modernity

And There Was Light Jon Meacham, 2023-10-17 NEW YORK TIMES BESTSELLER Pulitzer Prize winning biographer Jon Meacham chronicles the life of Abraham Lincoln charting how and why he confronted secession threats to democracy and the tragedy of slavery to expand the possibilities of America Meacham has given us the Lincoln for our time Henry Louis Gates Jr Winner of the Gilder Lehrman Lincoln Prize Longlisted for the Biographers International Plutarch Award One of the Best Books of the Year The Christian Science Monitor Kirkus Reviews A president who governed a divided country has much to teach us in a twenty first century moment of polarization and political crisis Hated and hailed excoriated and revered Abraham Lincoln was at the pinnacle of American power when implacable secessionists gave no quarter in a clash of visions bound up with money race identity and faith In him we can see the possibilities of the presidency as well as its limitations At once familiar and elusive Lincoln tends to be seen as the greatest of American presidents a remote icon or as a politician driven more by calculation than by conviction This illuminating new portrait gives us a very human Lincoln an imperfect man whose moral antislavery commitment essential to the story of justice in America began as he grew up in an antislavery Baptist community who insisted that slavery was a

moral evil and who sought as he put it to do right as God gave him to see the right This book tells the story of Lincoln from his birth on the Kentucky frontier in 1809 to his leadership during the Civil War to his tragic assassination in 1865 his rise his self education his loves his bouts of depression his political failures his deepening faith and his persistent conviction that slavery must end In a nation shaped by the courage of the enslaved of the era and by the brave witness of Black Americans Lincoln s story illustrates the ways and means of politics in a democracy the roots and durability of racism and the capacity of conscience to shape events

Samuel Shellabarger's Civil War, 1817-1896 William A. Kinnison, 2022-01-26 On Mud Run near the recently abandoned Shawnee Indian village of Pickewe Samuel Shellabarger was born in a log cabin on December 10 1817 It was in the middle of an endless Ohio forest a world away from civilization Indians said a bird could fly from the Ohio River to Lake Erie never having to land on the ground Mud Run was so deep into the forest that it seemed unlikely that anyone lost there could in a single lifetime win national fame and fortune There were clues in Samuel Shellabarger's early years that suggest he might surely rise above this wilderness Shellabarger's inspiration for a new America was a religious belief that God had created of one blood all the peoples of the earth and all were equal in God s sight whether he or his father wanted it to be so or not The nation he believed for its own sake should embrace equality before the law or dire consequences would result The nation s founders had declared that all men were equal but failed to achieve equality in practice His generation was called upon to correct the mistake But they let the opportunity slip from their grasp and created instead a new America he described as not fit to be Samuel Shellabarger did not become famous though he almost did He became instead a footnote in a forgotten story that the nation should have remembered And America he believed missed the only chance it might ever have to preserve democracy in the nation

Encyclopedia of Biography of New York Charles Elliott Fitch, 1916

The Memoirs of General William Tecumseh Sherman William T. Sherman, 2025 William Tecumseh Sherman s memoirs are a key record of Civil War history and memory With extensive commentary and a new introduction this annotated edition highlights Sherman s revisions in response to his critics and contextualizes people places and events that loomed large for nineteenth century readers but have since become obscure

[Citizen of a Wider Commonwealth](#) Edwina S. Campbell, 2016-04-07 In 1877 former president Ulysses S Grant along with his family and friends embarked on a two year world tour that took him from Liverpool to Yokohama with stops throughout Europe and Asia Biographies of Grant deal very briefly if at all with this tour and generally treat it as a pleasure trip filled with sightseeing shopping wining and dining Far from an extended vacation however Grant s travels in fact constituted a diplomatic mission sanctioned by the U S government In this revealing volume Edwina S Campbell chronicles Grant s journey the first diplomatic mission ever undertaken by a former U S president and demonstrates how it marked a decided turning point in the role of the United States in world affairs Traveling commercially and on U S Navy warships Grant visited ports of call throughout the British Empire Europe and Asia including Britain France Egypt the Ottoman Empire Greece Italy the

Netherlands Germany Scandinavia Russia Spain Portugal Gibraltar Ireland India Singapore Hong Kong China and Japan Along the way he met with monarchs ministers and average citizens creating the model for the summitry and public diplomacy practiced by future American presidents and articulating concepts of national self determination international organization and the peaceful settlement of international disputes decades before Elihu Root's advocacy of binding international arbitration and Woodrow Wilson's proposal for the League of Nations Campbell reveals Grant to be a skillful envoy who brought to his travels the deep interest in foreign policy issues he had shown during his administration Grant confirmed the United States commitment to Anglo American cooperation demonstrated America's interest in the territorial integrity of China affirmed American faith in universal male suffrage as the basis for governmental legitimacy and asserted the importance of an international order based on equality and justice for all states and their citizens Grant's efforts shaped not only John Hay's Open Door policy in 1899 1900 but also the broader American approach to twentieth century international relations Throughout the trip Julia Grant proved essential to the success of her husband's mission and Campbell tells how the couple impressed people around the world with an enduring image of an American president and first lady By illuminating the significance of Grant's often overlooked postpresidential travels Citizen of a Wider Commonwealth establishes the eighteenth president as a key diplomat whose work strongly influenced the direction of future U S foreign policy and contributes substantially to the study of American international relations

Mary Lincoln for the Ages Jason Emerson, 2019-04-19 In this sweeping analytical bibliography Jason Emerson goes beyond the few sources usually employed to contextualize Mary Lincoln's life and thoroughly reexamines nearly every word ever written about her In doing so this book becomes the prime authority on Mary Lincoln points researchers to key underused sources reveals how views about her have evolved over the years and sets the stage for new questions and debates about the themes and controversies that have defined her legacy Mary Lincoln for the Ages first articulates how reliance on limited sources has greatly restricted our understanding of the subject evaluating their flaws and benefits and pointing out the shallowness of using the same texts to study her life Emerson then presents more than four hundred bibliographical entries of nonfiction books and pamphlets scholarly and popular articles journalism literature and juvenilia More than just listings of titles and publication dates each entry includes Emerson's deft analysis of these additional works on Mary Lincoln that should be used but rarely have been to better understand who she was during her life and why we see her as we do The volume also includes rarely used illustrations including some that have never before appeared in print A roadmap for a firmer more complete grasp of Mary Lincoln's place in the historical record this is the first and only extensive analytical bibliography of the subject In highlighting hundreds of overlooked sources Emerson changes the paradigm of Mary Lincoln's legacy

Blood on the Moon Edward Steers Jr., 2005-10-21 Winner of the 2001 The Lincoln Group of New York's Award of Achievement A History Book Club Selection The assassination of Abraham Lincoln is usually told as a tale of a lone deranged actor who struck from a twisted

lust for revenge This is not only too simple an explanation Blood on the Moon reveals that it is completely wrong John Wilkes Booth was neither mad nor alone in his act of murder He received the help of many not the least of whom was Dr Samuel Alexander Mudd the Charles County physician who has been portrayed as the innocent victim of a vengeful government Booth was also aided by the Confederate leadership in Richmond As he made his plans to strike at Lincoln Booth was in contact with key members of the Confederate underground and after the assassination these same forces used all of their resources to attempt his escape Noted Lincoln authority Edward Steers Jr introduces the cast of characters in this ill fated drama he explores why they were so willing to help pull the trigger and corrects the many misconceptions surrounding this defining moment that changed American history After completing an acclaimed career as a research scientist at the National Institutes of Health Edward Steers Jr has turned his research skills to the Lincoln assassination He is the author of several books about the president including *The Trial* *Gideon Welles* John Niven,1973-11-08 A full scale life and times biography of an important Civil War figure *Catalogue of the California State Library* California State Library,1889

Reviewing **Grant In Peace From Appomattox To Mount McGregor**: Unlocking the Spellbinding Force of Linguistics
