The Mystery of Predestination John Salza, 2010-04-09 How can an all loving God choose some people for eternal salvation while permitting others to fall away Doesn't God offer the same amount of saving grace to everyone Isn't predestination a Protestant doctrine In *The Mystery of Predestination* author and apologist John Salza seeks to answer these questions and others about that most ineffable and confounding of Christian beliefs that God chooses to infallibly direct certain people to salvation but not others Drawing deeply upon Scripture Sacred Tradition and the writings of St Thomas Aquinas Salza says that a proper Catholic understanding of the doctrine of predestination is interconnected with two other central mysteries the ability of mankind to choose freely to accept or reject God's saving grace and the inability of mankind to accept God's grace without first being moved by His grace from within By holding these truths always before us we can see how God may predestine His elect to heaven but never desire that anyone go to hell We can also achieve a new clarity and depth of insight into a profound Christian truth God is the primary mover in salvation It is He who chooses seeks and saves us Meticulously researched and written in a scholarly yet accessible style *The Mystery of Predestination* is perfect for the serious Catholic who is confused by Bible verses or Magisterial statements in favor of predestination and never hears about it in Sunday sermons or who wants to defend Catholic truth against Calvinist error and is seeking clear traditional and Thomistic answers Or indeed for any thoughtful Christian who wants to come to terms with what the Bible teaches about the fundamental truths of our salvation
