painter Terry Godden was on the brink of his first success After a violent crisis he finds himself outcast In his fifties and with little money he retreats to a small island Arriving in the winter the island at first seems a desolate and forgotten place As the seasons turn Terry begins to see the island s beauty and discovers that he is only one of many people who have sought refuge

here These independent outsiders all with their own considerable struggles have made a precarious home The island is owned by the business man and art collector Alex Kaplan His decision to enforce a rent increase as he seeks to improve his property looks set to destroy this community that cannot afford to lose the little they have left As an artist Terry believes making the invisible struggles of the island visible to the world will help but will his interference save anybody other than himself The Painter's Friend shows the human cost of gentrification for those dispossessed The novel also explores the role of art in protest and asks who gets to be an artist and what they owe in return Written with visual lyricism and driven clarity Howard Cunnell's incendiary story about class and resistance builds to an unforgettable climax It is an urgent novel for our unjust times I loved it Cunnell's writing has an unforgettable visual and moral clarity Melissa Harrison author of All Among the Barley

Where Have All the Horses Gone? Jonathan V. Levin, 2017-07-19 A century ago horses were ubiquitous in America They plowed the fields transported people and goods within and between cities and herded livestock About a million of them were shipped overseas to serve in World War I Equine related industries employed vast numbers of stable workers farriers wainwrights harness makers and teamsters Cities were ringed with fodder producing farmland and five story stables occupied prime real estate in Manhattan Then in just a few decades the horses vanished in a wave of emerging technologies Those technologies fostered unprecedented economic growth and with it a culture of recreation and leisure that opened a new place for the horse as an athletic teammate and social companion

Policing Compassion Joe Hermer, 2019-12-12 Do you give to someone begging For centuries the figure of the beggar has caused public fear sympathy and confusion In this book criminologist Joe Hermer explores how the dilemma of giving to someone begging today has become an unusual site of regulation public inquiry and law reform This book investigates why handing pocket change to someone begging is now widely viewed as a gift crime one that attempts to make the giving public complicit in the policing and control of visibly poor people Drawing on the historical insight that public feeling is a central problem of policing the vagrant beggar the author examines how a quirky provincial experiment to stop people giving to beggars morphed into an unlikely movement across England Hermer ranges widely in his analysis with discussions of diverted giving schemes specialised police operations activist efforts to repeal the Vagrancy Law and begging like activities such as busking Big Issue vending and flag day collections The author pays particular attention to the Vagrancy Act 1824 and the historic reforms enabled by gift crime regulation to this storied area of criminal law The consequence this book argues is the continuing abandonment of some of the most vulnerable individuals in society through direct appeals to compassion and kindness

Perpetual Carnival Colin MacCabe, 2017 Upholding literature and film together as academically interwoven Perpetual Carnival underscores the everlasting coexistence of realism and modernism eschewing the popularly accepted view that the latter is itself a rejection of the former Mining examples from both film and literature Colin MacCabe asserts that the relationship between film and literature springs to life a wealth of beloved modernist art from Jean Luc Godard's *Pierre le Fou* to James Joyce's *Ulysses*

enriched by realism's enduring legacy The intertextuality inherent in adaptation furthers this assertion in MacCabe's inclusion of Roman Polanski's *Tess* a 1979 adaptation of Thomas Hardy's nineteenth century realist novel *Tess of the d'Urbervilles* Showcasing essays enlivened by cosmopolitan interests theoretical insight and strong social purpose Perpetual Carnival supports a humanities which repudiates narrow specialization and which seeks to place the discussion of film and literature firmly in the reality of current political and ideological discussion It argues for the writers and directors the thinkers and critics who have most fired the contemporary imagination The Penguin Modern Classics Book Henry Eliot, 2021-11-18 The essential guide to twentieth century literature around the world For six decades the Penguin Modern Classics series has been an era defining ever evolving series of books encompassing works by modernist pioneers avant garde iconoclasts radical visionaries and timeless storytellers This reader's companion showcases every title published in the series so far with more than 1 800 books and 600 authors from Achebe and Adonis to Zamyatin and Zweig It is the essential guide to twentieth century literature around the world and the companion volume to *The Penguin Classics Book* Bursting with lively descriptions surprising reading lists key literary movements and over two thousand cover images *The Penguin Modern Classics Book* is an invitation to dive in and explore the greatest literature of the last hundred years Hearst's Magazine-World Today ,1908
