place This was not just a thought in my head it was a burning desire to write about the farm and the heritage of the Burgdorfs The seed was planted and the desire to write my memoirs about the Family Farm was born I look back at the memories of the farm that I hold so dear and near to my heart and think of how two of the Brothers never left the farm and how several siblings returned to the farm after the loss of a spouse to live out the rest of their lives The heritage of The Burgdorfs is one where God and Family are the most important things in life **Foundations of Medieval Scholarship**
