**Updating the Literary West**, 1997 Western writers says Thomas J Lyon in his epilogue to *Updating the Literary West* have grown up with the frontier myth but now find themselves in the early stages of creating a new western myth The editors of the *Literary History of the American West* TCU Press 1987 hoped that the first volume would begin not conclude their exploration of the West's literary heritage Out of this hope comes *Updating the Literary West* a comprehensive reference anthology including essays by over one hundred scholars A selected bibliography is included with each piece In the ten years since publication of *LHAW* western writing has developed a significantly larger presence in the national literary stream A variety of cultural viewpoints have developed along with new tactics for literary study New authors have risen to prominence and the range of subjects has

changed and widened Updating the Literary West looks at topics ranging from western classics to cowboys and Cadillacs and considers children's literature ethnicity environmental writing gender issues and other topics in which change has been rapid since publication of LHAW This volume again affirms the West's literary legitimacy status hard earned by the Western Literary Association and the lasting place of popular western writing as part of the growing and changing literary and American experience An excellent reference for a wide range of readers and an invaluable resource for scholars and libraries

While watching a movie how many viewers notice some of the finer details of the film such as the time of day during a scene or even the date itself For instance does anyone remember what day detention is served by the high schoolers in *The Breakfast Club* or can guess when aliens first make their presence known in *Independence Day* And perhaps only history buffs or fanatics of Leonardo DiCaprio can cite the exact date the Titanic sunk In *A Year of Movies 365 Films to Watch on the Date They Happened* Ivan Walters provides a selection for every day on the calendar in which at least some of the events in the film take place For some films the entire drama occurs on a very specific day For other films such as *The Right Stuff* the date in question is represented in a key scene or two or even for just a few pivotal seconds Certain films to be sure are obvious candidates for inclusion in this book What other movie would make sense to watch on February 2nd than *Groundhog Day* Is there a more appropriate film to consider for June 6th than *The Longest Day* Representing a variety of genres from comedies and dramas to westerns and film noir these films offer fans a unique viewing opportunity While helping viewers decide what to watch on a given day this book will also introduce readers to films they may not have otherwise considered Aimed at film buffs and casual viewers alike *A Year of Movies* is also an ideal resource for librarians who want to offer creative programming for their patrons     [Our Sustainable Table](#) Robert Clark, 2016-11-21
