*All Courses Great And Small* James W. Finegan, 2010-05-11 Every golfer dreams of making a pilgrimage to the British Isles and it sometimes seems as though every golfer is in fact making that pilgrimage especially when you're trying to book a tee time The legendary courses of Scotland and Ireland are magnificent shrines but their fame has obscured the greatness of the golf to be found all across the landscape of England and Wales From the heathland in the north and center to the linksland on the coasts England and Wales present an extraordinary variety of great golf experiences In *All Courses Great and Small* James W Finegan treats the reader to a countrywide survey of these golfing delights some famous like the Open Championship venues of Royal Birkdale Royal Lytham some well known like Sunningdale Wentworth and The Belfry and some gems that have long been hidden in plain sight like The Addington in suburban London or Southport gives advice about lunch after your round at Sandwich raises a cup of grog at Gog Magog and tackles the playing and pronouncing problems posed by Pwllheli He gives full due to the best known places such as Rye Wentworth Hoylake and the royals but he also declares such lesser known treasures as St Enodoc Silloth on Solway Southerndown and Pennard to be every bit as worthy of your time and attention His books on the courses of Scotland and Ireland *Blasted Heaths* and *Blessed Greens* and *Emerald Fairways* and *Foam Flecked Seas* have become invaluable companions to thousands of travelers *All Courses Great and Small* is an irresistible and even more essential addition to the touring golfer's shelf and suitcase **All Apes Great and Small**

Biruté M.F. Galdikas, Nancy Erickson Briggs, Lori K. Sheeran, Gary L. Shapiro, Jane Goodall, 2002-02-28 Many of the papers in this volume were first presented at the Third International Great Apes of the World Conference held July 3-6 1998 in Kuching Sarawak Malaysia The editors of this volume the first in a two volume series are world renowned having dedicated most of their lives to the study of great apes The world's premiere primatologists ethologists and anthropologists present the most recent research on both captive and free ranging African great apes These scientists through deep personal commitment and sacrifice have expanded their knowledge of chimpanzees bonobos and gorillas With forests disappearing many of these studies will never be duplicated This volume and all in the *Developments in Primatology* book series aim to broaden and deepen the understanding of this valuable cause *Things Great and Small* John E. Augustine: The Writings Against the Manichaeans and Against the Donatists](#) , **Nicene and Post-Nicene Fathers: First Series, Volume IV St. Augustine: The Writings Against the Manichaeans, and Against the Donatists** Philip Schaff,2007-05-01 The Council of Nicaea in 325 AD marked the beginning of a new era in Christianity For the first time doctrines were organized into a single creed The Nicene and Post Nicene Fathers did most of their writing during and after this important event in Church history Unlike the previous era of Christian writing the Nicene and Post Nicene era is dominated by a few very important and prolific writers In Volume IV of the 14 volume collected writings of the Nicenes and Post Nicenes first published between 1886 and 1889 readers will find Augustines writings defending the Catholic church against the Manichaeans and the Donatists Manichaeism was a religion developed in Persia by the prophet Mani According to this religion creation has two parts darkness and light Light is God and has ten attributes Opposing this and coeternal with it is darkness and its five attributes Saint Augustine was originally a Manichaean so his defense of Christianity against this religion comes from a deep understanding of its nature Donatists were a group of believers who refused to forgive those who had renounced their faith during a time of persecution which caused a schism in Christianity In opposing these men Augustine attempted to mend the

rift Those with an interest in ancient religions will find Augustines writings on Manichaeism one of the most important historical records of that religions practices     **The Organon** Aristotle,1853     *Plato* John Niemeyer Findlay,2012-10-12 J N Findlay distinguished scholar and acknowledged expert on Plato argues persuasively for a new interpretation of the Platonic writings He believes that Plato s Unwritten Doctrines were present in the background of all the great philosopher s mature written work With the use of Aristotelian and other writings on these reported doctrines he demonstrates that they admit of an intelligible elucidation and they direct indispensable light upon the full meaning of the written Dialogues The author emphasizes the valuable use of Platonic notions and methods by the Neoplatonists and the Schoolmen as well as by such modern thinkers as Husserl and Russell He also censures as a great misinterpretation the widespread Aristotelian view of Platonism as a two world theory and argues that for Plato the Ideas and their Principles alone have full reality everything else being logically parasitic upon them The work also includes two important Appendices the first providing translations of the Aristotelian and other ancient material regarding Plato s oral teaching the second criticizing and refuting the views of Harold F Cherniss on the same material     *Socratic Ignorance and Platonic Knowledge in the Dialogues of Plato* Sara Ahbel-Rappe,2018-04-25 In this highly original and provocative book Sara Ahbel Rappe argues that the Platonic dialogues contain an esoteric Socrates who signifies a profound commitment to self knowledge and whose appearances in the dialogues are meant to foster the practice of self inquiry According to Ahbel Rappe the elenchus or inner examination and the thesis that virtue is knowledge are tools for a contemplative practice that teaches us how to investigate the mind and its objects directly In other words the Socratic persona of the dialogues represents wisdom which is distinct from and serves as the larger space in which Platonic knowledge ethics epistemology and metaphysics is constructed Ahbel Rappe offers complete readings of the Apology Charmides Alcibiades I Euthyphro Lysis Phaedrus Theaetetus and Parmenides as well as parts of the Republic Her interpretation challenges two common approaches to the figure of Socrates the thesis that the dialogues represent an early Plato who later disavows his reliance on Socratic wisdom and the thesis that Socratic ethics can best be expressed by the construct of eudaimonism or egoism     *All Things Herriot* Sanford Sternlicht,1995-04-01 All Things Herriot is the first full length book about this best selling author whose work adapted for television has swept through the world in one of the most popular and enduring series of all times All Creatures Great and Small Sternlicht offers a comprehensive up to the moment evaluation of the Herriot achievements and it offers the most detailed biography of the real Herriot James Alfred Wight in print to date He explores how this good natured veterinarian came into existence and how he developed over the course of the series of books How and why Herriot made the transition to television is examined as well as the effect the shows had on audiences This is the story of the creating of James Herriot how he captured the imagination of popular culture This simple man with his profound love for all creatures in his peaceable kingdom has earned for himself a secure and enduring place in the hearts and minds of readers and viewers alike     **Mathematical monthly** ,1859     **The**
