Flush A Biography:

Flush Virginia Woolf, 2015-02-26 Flush was an English cocker spaniel who belonged to the nineteenth century poet Elizabeth Barrett Browning Virginia Woolf learned of him from the love letters Elizabeth wrote to her future husband fellow poet Robert Browning and found the figure of their dog made me laugh so I couldn't resist making him a Life The resulting biography combines sensuous imaginative description with sharp social comment and brings Woolf's unsentimental humour and insight to the fore We see Flush as loyal confidant to Elizabeth on her sickbed at Wimpole Street and from his jealous perspective we witness her courtship by Browning their elopement and new life in Italy The perfect accessible introduction to Woolf's genius a unique blend of fact and fiction Flush is perhaps best read in the company of a canine companion This edition includes the four original illustrations by Vanessa Bell and an afterword by Margaret Forster Cover designed by the award winning Finnish designer Aino Maija Metsola

Flush Virginia Woolf, 2023-03-17 Flush A Biography an imaginative biography of Elizabeth Barrett Browning's cocker spaniel is a cross genre blend of fiction and nonfiction by Virginia Woolf published in 1933 Written after the completion of her emotionally draining *The Waves* the work returned Woolf to the imaginative consideration of English history that she had begun in *Orlando A Biography* and to which she would return in *Between the Acts* Commonly read as a modernist consideration of city life seen through the eyes of a dog Flush serves as a harsh criticism of the supposedly unnatural ways of living in the city The figure of Elizabeth Barrett Browning in the text is often read as an analogue for other female intellectuals like Woolf herself who suffered from illness feigned or real as a part of their status as female writers Most insightful and experimental are Woolf's emotional and philosophical views verbalised in Flush's thoughts As he spends more time with Barrett Browning Flush becomes emotionally and spiritually connected to the poet and both begin to understand each other despite their language barriers For Flush smell is poetry but for Barrett Browning poetry is impossible without words In *Flush* Woolf examines the barriers that exist between woman and animal created by language yet overcome through symbolic actions The book due to its subject matter has often been considered one of her less serious artistic endeavours however she uses her distinctive stream of consciousness style to experiment with a non human perspective In places the novella plays with realism by allowing Flush an improbable amount of perception for a canine Flush seems to grasp some idea of social class in humans a concept recurrently criticized in the story as he becomes more democratic later in life and can talk to other dogs on the street At other times the reader is forced to interpret events from the dog's limited knowledge Flush sees her owner agitated over markings on a paper and cannot understand that she is in love For material Woolf drew primarily on Barrett Browning's two poems on dogs *To Flush My Dog* and *Flush or Faunus* and on the published correspondence of the poet and her husband Robert Browning From this material Woolf creates a biography that works on three levels It is overtly a biography of a dog's life Since this dog is of interest primarily for its owner the work is also an impressionistic biography of Elizabeth Barrett during the most dramatic years of her life At this

level *Flush* mostly recapitulates the romantic legend of Barrett Browning's life: early confinement by a mysterious illness and a doting but tyrannical father; a passionate romance with an equally talented poet; an elopement that permanently estranges the father but which allows Barrett Browning to find happiness and health in Italy. On a third level, the book gives Woolf an opportunity to return to some of her most frequent topics: the glory and misery of London; the Victorian mindset; class differences; and the ways in which women oppressed by fathers and tyrants may find freedom. Woolf ostensibly uses the life of a dog as pointed social criticism ranging across topics from feminism and environmentalism to class conflict. [wikipedia.org](https://www.wikipedia.org)

Flush: a Biography Virginia Woolf, 2021-05-03 *Flush* by Virginia Woolf tells the life story of a cocker spaniel that is owned by the poet Elizabeth Barrett Browning. In this imaginative biography, Woolf blends together fiction and nonfiction to chronicle *Flush*'s life. At the beginning of the story, readers learn the history behind cocker spaniels and their aristocratic standing in England. *Flush* was born on a country farm where he loved to run free and chase animals. He was then given to Elizabeth as she was recovering from an illness and was living in a small and dark room in her family home in London. Although *Flush* makes the best of the situation and is happy, his life is restrained. Even when he is taken out, he is always on a leash and is unable to run free. *Flush* and Elizabeth bond, but there will always be things they don't understand about the other since one is a human and the other is a dog.

Flush: a Biography (Annotated) Virginia Woolf, 2020-08-14 *Flush: A Biography* an imaginative biography of Elizabeth Barrett Browning's cocker spaniel is a cross-genre blend of fiction and nonfiction. Commonly read as a modernist consideration of city life seen through the eyes of a dog, *Flush* serves as a harsh criticism of the supposedly unnatural ways of living in the city. The figure of Elizabeth Barrett Browning in the text is often read as an analogue for other female intellectuals like Woolf herself, who suffered from illness, feigned or real, as a part of their status as female writers. Most insightful and experimental are Woolf's emotional and philosophical views verbalized in *Flush*'s thoughts. As he spends more time with Barrett Browning, *Flush* becomes emotionally and spiritually connected to the poetess, and both begin to understand each other despite their language barriers. For *Flush*

Browning's cocker spaniel Flush enchants right from the opening pages. Although Flush has adventures of his own with bullying dogs, horrid maids and robbers, he also provides the reader with a glimpse into Browning's life. Introduction by Trekkie Ritchie. *Flush* Virginia Woolf, 2014-10-27. Virginia Woolf is renowned for such avant garde novels as *The Hours*, *The Waves* and her gender swapping masterpiece *Orlando*. Never one to shun innovation, in 1933 she took on a new challenge to create a completely new genre and write the world's first biography of a dog. *Flush* tells the story of a young red cocker spaniel that becomes the pet of the celebrated poet Elizabeth Barrett Browning. But his new mistress suffers from constant ill health and Flush is forced to exchange the rural life he loves for a staid urban existence as the house pet of an invalid Woolf. Woolf uses the anthropomorphic style of the novel to great effect, giving the reader a dog's eye view of humanity and its foibles, as well as musing on such larger themes as friendship and the nature of freedom.

The Cambridge Introduction to Virginia Woolf Jane Goldman, 2006-09-14. For students of modern literature, the works of Virginia Woolf are essential reading. In her novels, short stories, essays, polemical pamphlets and in her private letters, she explored, questioned and refashioned everything about modern life: cinema, sexuality, shopping, education, feminism, politics and war. Her elegant and startlingly original sentences became a model of modernist prose. This is a clear and informative introduction to Woolf's life, works and cultural and critical contexts, explaining the importance of the Bloomsbury group in the development of her work. It covers the major works in detail, including *To the Lighthouse*, *Mrs Dalloway*, *The Waves* and the key short stories. As well as providing students with the essential information needed to study Woolf, Jane Goldman suggests further reading to allow students to find their way through the most important critical works. All students of Woolf will find this a useful and illuminating overview of the field.
