

A vibrant photograph of the Hong Kong skyline at dusk. The International Finance Centre (IFC) stands prominently in the center, its glass facade reflecting the sky. To its left, the Bank of China Tower and other skyscrapers are visible. In the foreground, the harbor is filled with various boats, including a large red and yellow gantry crane on the left and several smaller vessels. The water reflects the city lights and the sky. The overall scene is a mix of modern architecture and maritime activity.
