projects are perfect for knitters looking for small projects to keep or give away **New Knits on the Block** Vickie Howell, 2005 Top designers contribute a variety of original projects to knit for children including such items as a wizard's hat, princess crown, mermaid dress, up pirate, bath set, alien tooth fairy pillows and more *A Folk Divided* Hildor Arnold Barton, 1994 What happens to a people when it becomes divided and separated through a great overseas migration? How do the two parts of such a divided people relate to each other? What ideas do they have regarding each other as the process continues and as time and circumstance cause them to develop in separate ways of their own? The purpose of this book is to seek answers to such questions in the case of the Swedes during the period of their great migration between roughly 1840 and 1940. Pref **The Chattering Wagtails of Mikuyu Prison** Jack Mapanje, 1993 Increase student performance, student engagement and critical analysis skills with *We the People*. This program is available with *GinA*, an educational game in which students learn American Government by doing as well as McGraw Hill's *LearnSmart*, an adaptive questioning tool proven to increase content comprehension and improve student results. Try our *Politics in Practice*, which uses real life scenarios to develop students' critical thinking skills through activities and a written argument. Unique to this program is a balanced, well-respected author who makes complex topics easy. Tom Patterson is a recognized voice in media who teaches at Harvard's Kennedy School of Government. *We the People*'s strong authorship and market-leading digital products make this an ideal solution to course goals **The Refugees** Daniel Churchill, 2015-08-07 *The Refugees* is a novel about heroism, suffering, human values, morality and sacrifices of people during the time of a war. When ordinary people are caught in the network of astonishing events, their true human nature, both the best and most undesirable, comes to the forefront. The story presented in the novel merges elements of sadness and happiness, tears and smiles, defeat and victory, life and death, slavery and freedom, misery and dignity, and love and hate in a unique reading experience. The storyline follows a group of ill-fated refugees forced to leave their homes by the evil of the war and much-feared enemies: foreign occupiers and gangs of paramilitaries. Through their journey to safety and ending of a war, the novel delivers a story and describes events that took place in the Balkans from 1917 to 1918 during the First World War. It is based on the memories of a real individual who was a refugee as a young boy at that time. The messages from the novel are highly applicable to the events and problems of the contemporary time and human suffering raging at various parts of the globe today **Building Intuition** Dilip Chhajed, Timothy J. Lowe, 2008-07-11 One of the primary purposes of any model is to build intuition and generate insights. Typically, a model is developed to be able to better understand phenomena that are otherwise difficult to comprehend. Models can also help in verifying the correctness of an intuition or judgment. In spite of the fact that many educators and practitioners recognize the intuition-building power of simple models, this is the first book in the field that uses the power of the basic models and principles to provide students and managers with an intuitive understanding of operations management. *Building Intuition: Insights From Basic Operations Management Models and Principles* touches on nine fundamental models and principles and outlines the key insights behind

each one To ensure that the volume is accurate authoritative accessible and well written the chapters are developed by leading experts in each chapter area and written with the students and managers in mind The book s primary purpose is to motivate and to enable readers to develop insights with respect to a number of models that are central to the study and practice of operations management *The Nation* ,1925 **Working Class Heroes** David Simonelli,2013 In Working Class Heroes David Simonelli explores the influence of rock and roll on British society in the 1960s and 70s At a time when social distinctions were becoming harder to measure rock musicians appeared to embody the mythical qualities of the idealized working class by perpetuating the image of rebellious irreverent and authentic musicians **Young Folk's History of the War for the Union** John Denison Champlin,1881 General history of the Civil War written for children and young adults Includes descriptions of major events characters and battles in simple language
