Phillips, 2018-08-01 Understanding the culture of living with hymnbooks offers new insight into the histories of poetry literacy and religious devotion It stands barely three inches high a small brick of a book The pages are skewed a bit and evidence of a small handprint remains on the worn cheap leather covers that don't quite close The book bears the marks of considerable use But why and for whom was it made Christopher N Phillips's *The Hymnal* is the first study to reconstruct the practices of reading and using hymnals which were virtually everywhere in the eighteenth and nineteenth centuries Isaac Watts invented a small words only hymnal at the dawn of the eighteenth century For the next two hundred years such hymnals were their owners constant companions at home school church and in between They were children's first books slaves treasured heirlooms and sources of devotional reading for much of the English speaking world Hymnals helped many people learn to memorize poetry and to read they provided space to record family memories pass notes in church and carry everything from railroad tickets to holy cards to business letters In communities as diverse as African Methodists Reform Jews Presbyterians Methodists Roman Catholics and Unitarians hymnals were integral

to religious and literate life An extended historical treatment of the hymn as a read text and media form rather than a source used solely for singing this book traces the lives people lived with hymnals from obscure schoolchildren to Emily Dickinson Readers will discover a wealth of connections between reading education poetry and religion in Phillips s lively accounts of hymnals and their readers **The Church Music Review and Official Bulletin of the American Guild of Organists** ,1904 *Singing in Celebration* ,1996-01-01 I believe the message here for the church is that we need hymns to sing for significant milestones in our lives as individuals and as congregations hymns that sing of how we are both special and connected The result is that even though the hymns in this collection were for the most part each written for a very particular present occasion they also speak of our faith that reaches into both the past and the future beyond the limits of time and location *Monthly Bulletin* Carnegie Library of Pittsburgh,1905 **Bulletin** Boston Public Library,1891 Quarterly accession lists beginning with Apr 1893 the bulletin is limited to subject lists special bibliographies and reprints or facsimiles of original documents prints and manuscripts in the Library the accessions being recorded in a separate classified list Jan Apr 1893 a weekly bulletin Apr 1893 Apr 1894 as well as a classified list of later accessions in the last number published of the bulletin itself Jan 1896 Literary Bulletin ,1885
