## **I Am Mary Dunne New Canadian Library:**

**I Am Mary Dunne** Brian Moore, 2018-04-17 A day in the life of a mad housewife in Manhattan One of the truest and most awesome books I have ever read The Scotsman She was born Mary Dunne A New York actress in a stalled career she s previously been known as Maria and Martha Married three times she s also been called Mrs Phelan Mrs Bell and currently Mrs Terence Lavery wife of the esteemed playwright No wonder Mary Dunne forgot her name this morning at the hairdresser She has no idea who she is anymore Or maybe she s just crazy She s curious to find out Over the course of a single day Mary tries to recall more than her name But as memories of her past come trickling back infuriating illuminating and grievous she realizes there s so much she d prefer to forget As she tries to escape what she calls the dooms Mary must confront what she s done with her life deliberately haplessly or by default If only she were going crazy it would be so much easier to explain it all away Hailed by the Globe and Mail as a feminist novel written before the wave of feminist novels began I Am Mary Dunne is as complex and satisfying as anything Moore has yet done The Observer *New Canadian Library* Janet Friskney, 2015-05-07 In the mid 1950s much Canadian literature was out of print making it relatively inaccessible to readers including those studying the subject in schools and universities When English professor Malcolm Ross approached Toronto publisher Jack McClelland in 1952 to propose a Canadian literary reprint series it was still the accepted wisdom among publishers that Canadian literature was of insufficient interest to the educational market to merit any great publishing risks Eventually convinced by Ross that a latent market for Canadian literary reprints did indeed exist McClelland Stewart launched the New Canadian Library NCL series in 1958 with Ross as its general editor In 2008 the NCL will celebrate a half century of publication In New Canadian Library Janet B Friskney takes the reader through the early history of the NCL series focusing on the period up to 1978 when Malcolm Ross retired as general editor A wealth of archival resources published reviews and the NCL volumes themselves are used to survey the working relationship between Ross and McClelland as well as the collaborative participation of those who through the middle decades of the twentieth century were committed to studying and nurturing Canada s literary heritage To place the New Canadian Library in its proper historical context Friskney examines the simultaneous development of Canadian literary studies as a legitimate area of research and teaching in academe and acknowledges the NCL as a milestone in Canadian publishing history **English Studies in Canada** ,1981

University of Calgary. Libraries. Special Collections Division, Marlys Chevrefils, Jean Tener, Apollonia Steele, 1987 A Canadian citizen living in the United States the Irish born Brian Moore stands out as one of the most prolific and consistently competent novelists in the English speaking world From his highly acclaimed Judith Hearne of the 1950s to his recent runner up for the Booker Prize The Color of Blood Moore has in his sixteen novels dramatized what it means to be caught up at the edges of all kinds of uncertainties and fears spiritual sexual political and social where frequently the protagonist faces psychological dilemmas generated by the conflicting values of the Old World and the New Essentially a traditional novelist Moore has nevertheless moved from time to time into fictional experimentation as in The Great Victorian Collection but whatever form he chooses he is consistent in his moral compassion for his characters and in his meticulous prose style Introduced with a biocritical essay by Hallvard Dahlie The Brian Moore Papers consisting of numerous drafts of his novels voluminous correspondence and daily work books offers a rich resource for the general reader and the scholarly critic
