I Am My Brother:

No, My Brother, I am My Brother Collen Plummer, 2021-06-25 My brother was almost two years older than me I was born June 56 while he was born May of 54 My uncle used to call me ME TOO because I always wanted to do everything like my brother so I ended up with the name ME TOO In junior high school and high school I started to beat him in basketball and in racing he was faster in the shorter distance and I was faster in a longer distance Then I became faster in the shortest distance that s when we formed a relay team that has about ten to twelve national records We ended up competing against each other more than our opponents and I don t know why The biggest achievement as a relay team together was Jesse Owens giving us our medals at Spectrum even though breaking that national record and breaking national record at Madison Square Garden within the same week I lost a lot of scholarships for reasons I still do not know You better have the Lord in your life because the decisions and choices you make in life you are going to need God I knew that Fortune 500 companies had tuition reimbursement so when one door closes in life another door opens in life just as long as you have the Lord with you that s the only way I can make it Thank you Jesus Then I end up developing life saving products with two patents for Johnson Johnson saving lives God is good Thank you Jesus Witnessing a black man having the life choked out of him for ten minutes by a white policeman is one of the main reasons why I wrote this book because I develop products that save lives and here goes the white man choking the life out of another black man for no reason **M.C. I Am My Brother's Keeper** C.J. McShane, 2015-03-23 Former army sharpshooter Jake Coleman has nothing more in mind than a little relief from a hot Texas summer night when he jumps on his bike and heads to a biker bar in search of a cold beer But when he encounters a three against one fight right outside the bar door he steps in to improve the odds for an outnumbered stranger What Jake doesn t know is that the man he s just helped is none other than Diego Santiago vice president of the Houston based Los Patrons Motorcycle Club An impressed and grateful Santiago befriends Jake and mentors him as he works to meet the requirements of a prospective member of Los Patrons Jake finally accepted as a full patch member finds something he s been searching for all his life brotherhood As he embarks on the life of a Los Patrons brother Jake falls in love with an intoxicating woman and rapidly rises up the club s ranks discovering something chilling about himself that no act is too grim or violent for him to perform if it s in service of those he has come to call his brothers God Forgives Patrons Repay Written with a knife edge authenticity M C I Am My Brother s Keeper catapults readers into the dark and dangerous netherworld of a big city motorcycle club *I Am My Brother's Keeper, Not My Brother's Killer* Cynthia Casteel, 2016-07-27 Malachi Jackson has a choice He can go to college and get a good education or he can join the neighborhood gang If he joins the gang he can make some quick money but there are consequences for joining a gang He ends up seeing his life come to full term through the eyes of a mortician who gets to bury a lot of the neighborhood gang members and those caught up in the senseless killings that result from being in a gang Will Malachi be his brothers keeper or his brothers killer The ending will shock you Go

Forth I Am My Brother's Keeper Norma J. Edwards-Merriweather, 2017-01-19 We live in troubled times There appears to be a war within the United States With the controversy regarding gay marriages racial hatred violence terrorism and distrust this book is very relevant today because people are searching for truth The lessons in this book consist of topics ranging from controversial present day issues to just plain situations that women find themselves caught up in Whether the issue is with one's job family community or is church related they are tackled in a godly manner The solutions to current problems facing women were given to me spiritually by the Lord and are the essence of the book I feel that He is using me to get His message out to His people of how He wants us to be more responsible in our treatment and behavior toward our fellowmen thus the title of the book Go Forth I Am My Brother's Keeper

I Am My Brother's Keeper Patricia Patterson, 2024-09-17 I Am My Brother's Keeper is a collection of stories each with its own theme but collectively expressing the hopefulness of transformation when the heart is changed The journey of transformation often starts with what I call the divine treatment plan a divine plan of transformation that creates a tapestry a beautiful divinely handcrafted tapestry of our life Often along the way we are not able to see the beauty of the plan because it unfolds through many difficult circumstances many of which at the time seem unmerited and overwhelming Just like the back of a needlepoint tapestry is messy and often filled with knots and unsightly rough edges hardly recognizable as the beautiful picture emerging on the front so is life under divine construction We live through the process looking at life from the back without full knowledge of the beauty on the other side These stories are an example of the beauty that happens when we can see the hand of God in our life as He turns the tapestry over for all to see His handiwork My hope is that these stories will create conversation about the purpose of difficulty in the

journey of transformation and how this transformation creates a connection with each other I believe it is this connection that creates a means by which God's presence is seen on earth The journey changes us so we can become an accurate reflection of God's kindness compassion and love The goal is love because God is love but the vehicle of that love is our life The vehicle of God's love is a life surrendered to the divine plan even if that surrender comes over time I love the saying progress not perfection because it reveals my own journey of transformation slow but steady and very fallible God is the journey and the destination The experiences we have are just a part of that process May these stories cause you to recall the beauty of the creation of your divine tapestry
