I am a First-Time Mommy Swarn Shikha,2021-10-07 We the Mothers are superhumans born on this planet We nurture a new life within ourselves and then nurture a brand new human being throughout our life It is often said that God cannot be everywhere and so he created mothers A mother embodies love sacrifice patience and strength in one person While raising our child we symbolize a blend of passionate sentiments careful behavior and beautiful sacrifice We begin our journey of hope the moment the child makes his or her presence known in our womb From then on we take each step slowly carefully and cautiously with the sole purpose of safeguarding our young one who is more valuable to us than anything else We are fearless and dare to take on the entire world to protect our children We exude the purest kind of love and take any humiliation in stride forgiving continually and

silently enduring the anguish of rejection while returning the warm grin of affection no matter how much we are hurt We may not be singers but our lullabies are the sweetest we may not be chefs but no meal can compare to the deliciousness of what we cook we may not be teachers but the life lessons we deliver are unparalleled **This Time I Am in It to Win** David Daniels,2010-02-19 The Boss was up to his old tricks again David stumbled upon trouble when he stopped for a truck that broke down on the highway The detective was unaware that there were illegal objects that were being transported over state lines The officer that hauled him away wasn't who Terry thought he was and her mouth started to get her into trouble All she wanted to do is take a second honeymoon with her husband and get his health under control before it was too late Terry did what she could to get the situation under control and had the whole town to help her out David received a new injury from trying to escape from a serious miss justice The woman that was helping him had something stuck in her head She thought that this was the one person that she would spend the rest of her life with David stood his ground and did what he could to hold his morals Everything falls together for the detective when he finds out the real truth to this story **This Time I Am Going to Get It Right** Louise Childs,2011-03-21 No one is entitled to success you have to work hard at it Reflecting back on my life I must say that providing your children with a definitive plan and giving them the tools to succeed in life by doing something positively constructive in life is relevant My thoughts for writing this book have been culminating over the years and even though I never thought that I would write a book I always had something to say I figured writing a book would be the perfect platform to talk about what I have experienced about being disconnected and not knowing really what I wanted to do so I did a little bit of everything For some they might think that doing a whole lot of things is interesting and audacious and other hand some may view it pessimistically as being discombobulated However from my very own personal perspective I view it as growth Are you familiar with the story about the caterpillar that turned into a butterfly and was gradually leaving its cocoon If you interfere with the process of trying to free the butterfly from its cocoon the interference becomes injurious to the butterfly and it will never fly The lessons and the experiences of life can be bittersweet but they make us who we are and eventually we become that butterfly who is ready to spread its beautiful wings and fly
