The revelation of the human spirit in the Bible points to the unique means whereby man can know and experience God. God is Spirit so that man can contact and receive Him and man has a human spirit in order to contact and contain God. Through faith in Christ our human spirit is born of the Holy Spirit; we are joined to the Lord as one spirit and the Spirit witnesses with our spirit that we are the children of God. In *The Spirit with Our Spirit*, Witness Lee presents a deep enlightening yet wonderfully practical view of the believers' experience of God in the New Testament. By presenting a complete scriptural view of both the divine Spirit and the human spirit, Lee shows that genuine spiritual experience is not a matter of outward behavior or conformity to a set of rules and regulations. Rather, genuine spirituality comes from knowing the Spirit who is with our human spirit. God's desire to be received and enjoyed by His people can be realized only to the extent that we learn to walk according to the Spirit in our spirit. *The Spirit with Our Spirit* is an invaluable guide in this learning process. **The Person and Work of The Holy Spirit** Reuben Archer Torrey, 2009 **Jesus, Continued...** J.D. Greear, 2014-11-04

Encounter the dynamic presence of God as you learn from pastor and author J D Greear how to more fully experience the Holy Spirit within you. Jesus gave his disciples the audacious promise that the Spirit he would send to live inside them would be even better than if he himself remained beside them. Yet how many of us consider our connection to the Holy Spirit so strong that we would call his presence in us better than Jesus himself walking by our side. J D Greear was the pastor of a rapidly growing church who still felt like he didn't know how to relate to God personally. Though he knew a lot about God, he wasn't as sure about how to walk with God. Furthermore, he felt overwhelmed by the size of the mission Jesus had left for his church. In a world of so much need, what difference could he possibly make? Learning how God dwells in us and empowers us in the Holy Spirit redefined his life and ministry. Ministry became less about working for God and more about letting God work through him. Drudgery was replaced by delight; helplessness was replaced by empowerment. In *Jesus Continued*, Greear explores in clear and practical language questions such as: What does it mean to have a relationship with the Holy Spirit? How can we tell when the Spirit is speaking to us? What do you do when God feels absent? If you are longing to know God in a vibrant way, *Jesus Continued* has good news for you. That's exactly what God wants for you too. His Spirit stands ready to guide you, empower you, and use you. *The Flesh and the Spirit*, Witness Lee, 1994-02-01. Two things are the key to the real experience of the divine life: our flesh and our spirit. On the negative side, we have to know the flesh. On the positive side, we have to experience our human spirit, which has been mingled with the divine Spirit. Rom 8:16, 1 Cor 6:17. **The Spirit of Jesus in Scripture and Prayer** James W. Kinn, 2004. James Kinn offers a remarkable and new appreciation of the importance of the Holy Spirit in Christian theology and personal spirituality today. By concentrating on the Holy Spirit in Scripture, prayer, and the Christian tradition, Kinn is able to show how the Spirit becomes our personal contact with Christ and the one who continues the work of Christ in us. Explicitly grasping the role of the Spirit can only lead to an enriched experience of the divine in our lives. **The Christ and the Spirit** James D. G. Dunn, 1998 **Experiencing the Holy Spirit (eBook)**

How Jesus, Our Pattern, Was Filled with the Holy Spirit John R. Rice, 2000-08 [The Presence and The Power](#) Gerald F. Hawthorne, 2003-02-20 We cannot escape the truth writes Gerald Hawthorne that Jesus was completely one of us Yet Jesus taught with amazing authority spoke God's word with extraordinary power healed people who were sick raised people who were dead opened the eyes of the blind and did other miraculous things seemingly beyond the ability of humans How Hawthorne asks Was it by means of his divine nature that he did all this for certainly he was fully God as well as fully human No is his resounding answer Through a careful study of the New Testament Dr Hawthorne argues that Jesus did not act from the prerogatives of one who shared the nature of God Rather he did what he did through the Holy Spirit upon whom he depended for power and authority Essential to this view is the affirmation that Jesus was indeed fully human In the pages of [The Presence and the Power](#) the author shows the role of the Spirit in Jesus conception and birth in his boyhood and youth in his baptism and temptation and ministry and in his death resurrection Hawthorne brings his discussion to a climax by setting forth his own understanding of the mystery of the interworking of the human and divine in Jesus This all serves to usher the reader into the final chapter the role of the Holy Spirit in the life of the believer This concluding chapter makes the truths of the book very clear as to their life application for any and all of Jesus followers
