## **Jesus Christ Disciplemaker:**

*Jesus Christ, Disciplemaker* Bill Hull, 2004-02-01 Thomas doubted Peter denied Matthew had a shady past And most of Jesus disciples had trouble understanding his true message and mission at times How did Jesus take lowly fishermen and tax collectors and turn them into some of the most influential men that ever lived And how can modern church leaders empower regular church members to meet their potential as servants of God In *Jesus Christ Disciplemaker* Hull outlines Christ s methods in training his twelve disciples and presents a biblical pattern that emulates Christ s model for reaching the lost By taking readers through four growth phases evangelizing establishing equipping and leading Hull shows how these principles can be adapted for any discipler *Jesus Christ Disciplemaker* is the perfect resource for pastors and church leaders who want to learn how to help others grow in God s service

**New Century Disciplemaking** Bill Hull, 1997 New Century Disciplemaking challenges us to make discipleship the heart of the church s ministry in the coming century By observing Jesus we realize that the principles he taught transcend time and culture can be applied in any setting and can be adapted by any discipler Following Jesus through the Gospels Hull outlines Christ s methods in training his twelve disciples He then presents a biblical pattern that emulates Christ s model for reaching the lost and establishing new converts to Christianity Hull takes you through four growth phases evangelizing establishing equipping and leading By following these phases patiently and lovingly you will be able to cultivate consistent disciples who remain in Christ are obedient bear spiritual fruit and glorify God The Publisher

**Jesus Christ, Disciple-maker** Bill Hull, 1990-02-01 **Jesus Christ, Disciplemaker** Bill Hull, 1984 *Jesus Christ, Disciple Maker* Bill Hull, 1992 **The Disciple-Making Pastor** Bill Hull, 2007-10-01 Christ commanded the church to make disciples to produce people who love and obey God bear fruit and live with joy The crisis at the heart of the church is that we often pay lip service to making disciples but we seldom put much effort behind doing it For the pastor who is ready to put words into action *The Disciple Making Pastor* offers the inspiration and practical know how to do so Bill Hull shows pastors the obstacles they will face what disciples really look like the pastor s role in producing them and the practices that lead to positive change He also offers a six step coaching process to help new disciples grow in commitment and obedience and practical ideas to integrate disciple making into the fabric of the church

**The Disciple-Making Church** Bill Hull, 2010-06-15 A classic in Christian discipleship for twenty years this updated edition shows why disciple making should be the focus of every believer s life Choose the Life Bill Hull, 2004-05-01 Many churches harbor harried congregations merely going through the motions sleepwalking saints who fail to experience transformed living Many are unable and unwilling to share the gospel convinced that it s not their gift True disciples do more than the minimum explains Hull They choose the life and commit to bringing Jesus to the lost They live out their beliefs and walk the walk Submission shows the doubting world that Christ is embedded in their character *Choose the Life* is a practical tool as accessible to laypeople as ministry leaders Any church seeking life changing significance will be challenged by this cutting

edge resource No hand holding here Choose the Life shows church members how to take individual responsibility for both being discipled and discipling others      **Discipling as Jesus Discipled** Dann Spader,2016-07-15 Want to make disciples but not quite sure how Learn from the Master Making disciples is tough To walk someone from no knowledge of Christ to a deep transforming relationship that s a challenge But it s our job In *Discipling as Jesus Discipled* you will be equipped to follow Jesus masterful strategy of making fishers of men Through an interactive study of Jesus prayer in John 17 and various mission trips in the Gospels you ll learn Three words that capture how Jesus made disciples Seven disciplines of a successful disciple maker How to make the Great Commission a way of life Strategies for making disciples who make disciples You have one life but when you impart it to others for the sake of Christ and in the way of Christ your life will multiply for the glory of God Ready to learn from the Master      *Conversion and Discipleship* Bill Hull,2016-01-12 Discipleship occurs when someone answers the call to learn from Jesus how to live his or her life as though Jesus were living it The end result is that the disciple becomes the kind of person who naturally does what Jesus did How the church understands salvation and the gospel is the key to recovering a biblical theology of discipleship Our doctrines of grace and salvation in some cases actually prevent us from creating an expectation that we are to be disciples of Jesus A person can profess to be a Christian and yet still live under the impression that they don t need to actually follow Jesus Being a follower is seen as an optional add on not a requirement It is a choice not a demand Being a Christian today has no connection with the biblical idea that we are formed into the image of Christ In this ground breaking new book pastor and author Bill Hull shows why our existing models of evangelism and discipleship fail to actually produce followers of Jesus He looks at the importance of recovering a robust view of the gospel and taking seriously the connection between conversion answering the call to follow Jesus and discipleship living like the one we claim to follow      *Five Traits of a Disciplemaker* Doug Nuenke,2021-09-21 What Distinguishes a Follower of Jesus Before Jesus left this world he called on his followers to make disciples *Five Traits of a Disciplemaker* helps followers of Jesus organize their lives around a dynamic relationship with God that draws more and more people into the body of Christ The contributors to this devotional each with a long history of knowing Christ making Him known and helping others do the same see five core competencies as critical to authentic discipleship 1 Walking with Jesus 2 Knowing and living the Scriptures 3 Participating in community 4 Engaging with those who don t know Christ 5 Reproducing spiritual generations Spend a month with a master class of disciplemakers and find yourself growing in your capacity and enthusiasm for following Christ Compiled by Doug Nuenke US president of The Navigators Foreword by Jerry Bridges author of *The Pursuit of Holiness*      **Please Become Our Disciple!** Donna Louise Smith,Jon Dean Smith,2014-12-15 If you are desperate to know God better this book is for you If you want to be taught by gentle yet firm veterans just like Jesus taught his twelve disciples this book is for you If you want to produce disciples who can overcome persecution this book is for you Observing our mature Christlike friends change their home lives and workplaces into peaceful excellent production centers brings us

joy Watching them continue to maximize others around them brings us great joy      *The Heart of a Disciplemaker* Tim LaFleur, 2017-07-17 The church has done a good job teaching people how to share their faith but it hasn't done well at teaching them to share their lives There is no question Jesus commanded those who follow Him to make disciples But what does that look like in everyday life While most believers are clear that the Great Commission found in Matthew 28 calls us to make disciples many simply don't know how Investing in the lives of others who will in turn invest themselves in others is not difficult but it does require intentionality Building authentic relationships that leave a legacy of Christ long past our lives should be the goal of every believer To accomplish this we must answer the following questions What do gospel centered relationships look like What character qualities must we develop to deepen our walk with Christ and with others How can we develop a heart for making disciples In *The Heart of a Disciplemaker* Tim LaFleur provides practical answers to these questions and more Drawing from the Scripture and his own life as a disciplemaker Tim clarifies what a life lived for the glory of God looks like Empowered by the Holy Spirit every disciple of Jesus can develop character qualities that will encourage others to follow Christ through meaningful dynamic gospel centered relationships Relationships that leave a legacy not for our name but for the One whose name is above all names Jesus Christ      **The Disciplemaker** Gary Wayne Derickson, Earl D. Radmacher, 2001-10-01 What are the keys to being a fruitful Christian What does it take to be blessed and experience answered prayer What is the key to successful evangelism Our Lord answered these questions the night before His betrayal when He met with His most intimate friends for their final instruction All of us want to be blessed by God and to have our prayer answered These words of Jesus tell us a sure way to be blessed And it has to do with how we treat each other The Upper Room Discourse is a faithful recounting of Jesus last evening with His disciples in which He addressed those issues foremost on His heart *The Disciplemaker* approaches the study of Jesus teachings that evening in light of the men He addressed As a result its conclusions are unique to the present literature on the Upper Room Where other scholars see John's account of the conversation that evening as a reflection on the cross and interpret Jesus teachings as justification truths how to become saved these authors recognize what Jesus says first and foremost as embodying rich sanctification truths how to enjoy salvation for the eleven believing apostles And what He said to His men that night is as important and life changing for us today as it was for them *The Disciplemaker* is a resource for the lay reader as well as the pastor biblical scholar It is also suitable as a textbook for use in courses on the life of Christ or Johannine theology The main body of this 480 page work has been freed of typical theological jargon and Greek terms are transliterated and explained Extensive notes are provided for those interested in the technical issues behind interpretive decisions discussions by the authors or in identifying the works of those scholars and views discussed      *Jesus Christ Disciplemaker* Bill Hull, 1988      **The Disciple Maker** George W. Patton, Jr., 2017-04-07 Is it possible to reach all the world for Jesus Christ in the next 20 years The answer is yes just by making disciples like Jesus We all are called to make disciples God did not call us to make just converts He called us to make

disciples How heartless it is for an evangelist to say God did not call me to make disciples He called me to save souls I would beg to differ with the Brother that would make such a statement Matthew 28 18 20 says we are to make disciples There are only two kinds of people who cannot disciple and that is one who is not a follower of Christ and or one who disobeys God's command and refuses to disciple How can we make disciples as Jesus did Set up a plan target a small select group of people without ignoring the others around you and use God's Word under the leading of the Holy Spirit of God and start making disciples In Proverbs 27 17 and 1 Corinthians 10 12 we are told to come along side and encourage those who are down who are new who are old who are immature and who are mature in other words everyone Teaming up with God and others makes it possible

*The False Promise of Discipleship* Bill Hull, Brandon Cook, 2019-12 This book deftly raises the issue that church leaders need to grapple with today and in all generations Bobby Harrington co founder of Discipleship org and Renew org Avoid a major pitfall Most disciple making efforts today fail because they focus on me discipleship gets me closer to God makes me a better Christian and helps me gain purpose in life But Jesus style discipleship focuses on God and his kingdom How can we relearn this simple yet profound truth when so many people today have embraced the American gospel of me And how can we teach this to others Bill Hull and Brandon Cook tell readers to stop asking How am I doing Instead they teach us to ask God centered questions This reorientation changes everything The False Promise of Discipleship implores readers to stop asking the wrong questions and to start making disciples the way Jesus made disciples This short book equips you with practical takeaways so you can thrive as a disciple maker Written for disciples at all stages of growth it challenges common assumptions that may be undermining your disciple making efforts Based on their personal experience as pastors authors Hull and Cook provide you with a scriptural gospel centered approach to becoming a thriving disciple and disciple making leader Learn to ask the right questions and avoid some of the most pervasive yet common pitfalls among disciple makers today Take a quantum leap toward Jesus style disciple making Walk away with a new framework and the right questions you need to follow Jesus faithfully amidst the all pervasive American gospel BILL HULL is a co founder of The Bonhoeffer Project and author of Conversion and Discipleship along with over twenty other books about discipleship He speaks as a persevering prophet on the topic of discipleship around the nation BRANDON COOK serves as Lead Pastor at Long Beach Christian Fellowship and is a co founder of The Bonhoeffer Project He is also the author of Learning to Live and Love Like Jesus

*The Disciple Maker's Handbook* Bobby Harrington, Josh Robert Patrick, 2017-02-07 Many people believe that discipleship is important but they need help In fact the vast majority of Christians report that they have never been personally discipled by a more mature follower of Jesus Is it any wonder that they have a difficult time knowing how to disciple others If making disciples of Jesus is the greatest cause on earth how should we equip people to do it This handbook is a practical guide for how to embrace the discipleship lifestyle being a disciple of Jesus and how to make other disciples of Jesus With contributions from pastors and teachers like Francis Chan Jeff Vanderstelt Bill Hull Jim Putman KP Yohannan and

Robert Coleman the authors present seven elements that are necessary for disciple making to occur Jesus the original disciple maker and centerpiece of discipleship Holy Spirit fuels the disciple making process Intentionality making disciples utilizing a strategy and a roadmap Relationships creating a loving genuine connection with others who trust and follow Jesus Bible using the Word of God as the manual for making disciples Journey forging a traceable growth story from a new birth to spiritual parenthood Multiply reproducing the discipleship process so that the disciple becomes a disciple maker Whether you are a parent who wants to disciple your children a small group leader who wants to disciple those in your group or a church leader who wants to disciple future leaders the seven key elements in this handbook form a framework for understanding discipleship that can be applied in countless situations In addition there are questions provided in each section to help you think through how to apply the material to your disciple making efforts **Lead as Jesus Led:**

**Transformed Influence** Bill Hull, Paul Mascarella, 2022-08-16 Jesus is the greatest example of leadership To lead as Jesus led we must live in obedience to God's commands and direction By becoming transformed leaders we can be used by the Holy Spirit as tools for influencing others for His kingdom Learn the leadership traps that Satan sets and how to give up your own personal gain to become a powerful spiritual leader who influences many Experience the Life a thirty week life changing series for individuals and groups is composed of five books each six weeks long You'll learn how to read Scripture think about what you read pray over it and live it out Through studying God's Word gathering with others and learning to pray and journal you'll experience true spiritual transformation and become like Christ as you prepare to lead others along the same journey Book 1 Believe as Jesus Believed Transformed Mind Book 2 Live as Jesus Lived Transformed Character Book 3 Love as Jesus Loved Transformed Relationships Book 4 Minister as Jesus Ministered Transformed Service Book 5 Lead as Jesus Led Transformed Influence The leader's guide contains a complete participant's guide plus discussion questions for each gathering An online video is available for use in introducing each session with the code provided **Building High Commitment in a Low-Commitment World** Bill Hull, 1995 Shows pastors how to build high commitment within their churches despite the cultural tendency to avoid commitment
