Jesus the Christ: A Study of the Messiah and His Mission According to Holy Scriptures Both Ancient and Modern James E. Talmage,2012-02-13 It is particularly congruous and appropriate that the Church of Jesus Christ of Latter day Saints the only Church that affirms authority based on specific revelation and commission to use the Lord s Holy Name as a distinctive designation should set forth her doctrines concerning the Messiah and His mission The author of this volume entered upon his welcome service under request and appointment from the presiding authorities of the Church and the completed work has been read to and is approved by the First Presidency and the Council of the Twelve It presents however the writer s personal belief and profoundest conviction as to the truth of what he has written A characteristic feature of the work is the guidance afforded by modern scriptures and the explication of the Holy Writ of olden times in the light of present day revelation which as a powerful and well directed beam illumines many dark passages of ancient construction JAMES E TALMAGE Salt Lake City Utah September 1915

Women in John's Gospel Susan Miller,2023-01-26 Closely examines John s portrayal of women in relation to discipleship and the theme of new creation arguing that these depictions are influenced by his apocalyptic world view By employing historical and literary methods of biblical interpretation to analyse John s presentation of women and gender Miller explores the extent to which John gives any indications of the female role in both John s community and the beginnings of the Christian faith Beginning with the Virgin Mary s portrayal at the wedding at Cana where she prompts Jesus to carry out his first sign Miller then thoroughly asses several crucial female characters in John to stress how Jesus female followers truly recognise him as the Messiah These include the Samaritan woman Martha and Mary of Bethany and Mary Magdalene and her encounter with Jesus in the garden Crucially Miller suggests that John s frequent use of woman links these female followers particular Jesus venerated mother with the figure of Eve in Genesis and she concludes that women are associated with the hour of Jesus when he casts out the ruler of the world and inaugurates the new creation

Jesus: Is He the Messiah of Israel? Magnus N. Keehus,2011-01-28 Jesus Is He Israel s Messiah Indeed he is This book seeks to give evidence for Jesus being the Messiah of Israel and the world by drawing on various sources ranging from certain ideas observed in the Dead Sea Scrolls produced by the Qumran community including illuminating certain writings concerning Messiah generated by ancient rabbis The author also seeks to establish many prophecies fulfilled by Christ as spoken of in the Tanakh Old Testament and gives a strong case for miracles and the resurrection of Jesus An exposition of selected parables taught by Jesus at the end of this book will reveal that the very claims he made about himself came from no other than Messiah authenticated by his own ministry of miracles fulfilled prophesy performing resurrections including his own literal and physical rising from the dead

When the Rabbis Cry John S. Stevens,2016-08-23 When the Rabbis Cry is the result of research into the Yemeni Jews and the wider issues surrounding Gods purpose with Israel The book considers the

intriguing history of the Jews and of Israel as a nation after Jesus's time and explores how we should view the regathering of the Jews to the modern state of Israel from a biblical perspective. What we find is a story within a story: an Israel within Israel where God is at work bringing salvation and reconciliation between Jews and Palestinians in a remarkable way.

Jesus is the Christ: The Messianic Testimony of the Gospels Michael F. Bird, 2012-06-01 Explains the importance of the title and role of Messiah in each of the Gospels and argues that Christianity was a messianic movement rooted in its Jewish context. Michael Bird engages the subject of the messianism of the four Gospels. While the title and role of Messiah ascribed to Jesus in the Gospels has long been regarded as a late add-on, a fabricated claim, or an insignificant feature, Bird argues in contrast that the messianic claims are the most significant for the portrayal of Jesus.

John Verse by Verse Grant R. Osborne, 2018-05-02 John is at once the most complex and the easiest to understand of all the Gospels. If we want a young seeker or new believer to read something that is both clear and filled with the gospel and good basic theology, we give them the Gospel of John. And if we want to study an incredibly deep theological masterpiece that stretches the brightest mind, we open the Gospel of John. It is the most evangelistic account of Jesus' life and ministry, and it also gives the mature Christian deep theological truths to chew on. In *John Verse by Verse*, respected New Testament scholar Grant R. Osborne invites the reader to become caught up in the dramatic masterpiece of the Fourth Gospel. He writes, "If I were teaching a course in college or seminary on creative writing, John's Gospel would be set alongside Shakespeare as models of brilliant characterization and plot." It is perhaps Osborne's favorite book of the Bible, and enthusiasm for it shines on every page. The Osborne New Testament Commentaries, by respected professor and author Grant R. Osborne, are for people seeking a straightforward explanation of the text in its context, avoiding either oversimplification or technical complexity. Osborne brings out the riches of the New Testament, making each book accessible for pastors and all who consider themselves students of Scripture.

I. Avana, 2003 Easter is not about mauve hats nor chocolate Easter bunnies What it is about is joy the joy and therefore hope of the resurrection from death of the Lord Jesus Christ The thought behind this book was to gather stories related to Easter's message and blend them with some particularly piercing sermons given on Easter Day when perhaps some inspiration might have seeped through the cobblestones of society's day to day clatter And surely life society and daily thinking have changed immensely during the last 20 centuries 20 years and perhaps even 20 minutes Yet if one reads the biblical texts the overriding concerns of the people of that time do not differ much from our own Jesus Christ's resurrection from death brought about a large scale change in life's equation however The message is not hard to understand even in today's world It is hoped that this modest book will remind readers of what they should already know
