Jesus Promise To The Nations:

Jesus' Promise to the Nations Joachim Jeremias, 1958 **The Offering of the Gentiles** David J. Downs, 2008 Money mattered to the apostle Paul One economic endeavor of signal importance for Paul was the monetary fund that he organized among the largely Gentile congregations of his mission for the Jewish Christian community in Jerusalem David J Downs investigates this offering from a variety of angles He begins with an attempt to piece together a relative chronological account based primarily on information from Paul's epistles of the apostle's fundraising efforts on behalf of the Jerusalem church After reconstructing this complex story Downs examines the socio cultural context of the collection focusing on analogous forms of giving among ancient pagan and Jewish voluntary associations including practices of benefaction common funds care for the poor and translocal economic links among these associations With this chronological and socio cultural context in mind the author then explores Paul's use of several cultic metaphors to frame the contribution as a religious offering consecrated to God Drawing on recent work in the field of metaphor theory Downs contends that Paul metaphorically frames his readers responsive participation in the collection as an act of cultic worship thus underscoring the point that the fulfillment of mutual obligations within the community of believers results in praise not human benefactors but to God the one from whom all benefactions come This rhetorical strategy suggests that even the very human action of raising money for those in material need originates in the grace *charis* of God and will eventuate in thanksgiving *charis* to God 2 Cor 9 14 15

Jesus and Judaism E. P. Sanders, 1985 This work takes up two related questions with regard to Jesus his intention and his relationship to his contemporaries in Judaism These questions immediately lead to two others the reason for his death did his intention involve an opposition to Judaism which led to death and the motivating force behind the rise of Christianity did the split between the Christian movement and Judaism originate in opposition during Jesus lifetime

A Theology of the New Testament George Eldon Ladd, 1993-09-02 Ladd's magisterial work on New Testament theology has well served scores of seminary students since 1974 Now this comprehensive standard evangelical text has been carefully revised by Hagner to include an update of Ladd's survey of the history of the field of New Testament theology an augmented bibliography and an entirely new subject index

A History of the Quests for the Historical Jesus, Volume 1 Colin Brown, Craig A. Evans, 2022-11-08 A comprehensive two volume reassessment of the quests for the historical Jesus that details their origins and underlying presuppositions as well as their ongoing influence on today's biblical and theological scholarship Jesus life and teaching is important to every question we ask about what we believe and why we believe it And yet there has never been common agreement about his identity intentions or teachings even among first century historians and scholars Throughout history different religious and philosophical traditions have attempted to claim Jesus and paint him in the cultural narratives of their heritage creating a labyrinth of conflicting ideas From the evolution of orthodoxy and quests before Albert Schweitzer's famous Old Quest to today's ongoing questions about criteria methods and sources A

History of the Quests for the Historical Jesus not only chronicles the developments but lays the groundwork for the way forward. The late Colin Brown brings his scholarly prowess in both theology and biblical studies to bear on the subject, assessing not only the historical and exegetical nuts and bolts of the debate about Jesus of Nazareth but also its philosophical, sociological, and theological underpinnings. Instead of seeking a bedrock of facts, Brown stresses the role of hermeneutics in formulating questions and seeking answers. Colin Brown was almost finished with the manuscript at the time of his passing in 2019. Brought to its final form by Craig A. Evans, this book promises to become the definitive history and assessment of the quests for the historical Jesus. Volume One covers the period from the beginnings of Christianity to the end of World War II. Volume Two, sold separately, covers the period from the post-war era through contemporary debates.

The Case for Progressive Dispensationalism Robert Saucy, 2010-12-21. Debate abounds on the future of Israel and Israel's relation to the church, not only between dispensationalists and non-dispensationalists but among dispensationalists themselves. In the past, that debate has sometimes been acrimonious, and proponents of the differing viewpoints have found little common ground. In recent years, however, views have been modified and developed so that the dialogue is increasingly by cooperation and a mutual exploration of diverse ideas. *The Case for Progressive Dispensationalism* is intended to enlighten the debate in that same irenic spirit. The book is solidly dispensational in perspective, affirming that the Old Testament prophecies are completely fulfilled in the future, that the nation of Israel has a prophetic future, and that Israel is not the church. Dr. Saucy departs from classic dispensationalism, however, in showing that 1) the fulfillment of Old Testament prophecy begins in the present church age and 2) the church is not a parenthesis in God's program but represents a continuity with the Old Testament messianic program. This modified dispensationalism seeks to satisfy many of the objections of non-dispensational approaches to eschatology while retaining the crucial elements of biblical interpretation that characterize dispensational thought.

Paul, Missionary of Jesus Paul Barnett, 2008-01-14. Looking at whether Paul was converted or called, and if the new perspectives on Paul are true to evidence, the author argues that Paul's own writings are supplemented by Luke's contemporaneously written narrative of the acts of the Apostles.

Heirs of Promise P. Chase Sears, 2015-11-20. How did the Apostle Paul view the Church? And where does Israel fit in? How are the promises to Israel fulfilled? In *Heirs of Promise*, P. Chase Sears discusses this relationship between the Church and Israel and explains how that affects our understanding of the Old Testament. Using a biblical theological approach to the book of Romans, Sears argues that Paul understood the church not as a replacement of Israel but as the new Israel, the continuation of Israel reconstituted in Christ. And Jesus, as the Son of God, is the true Israel who fulfills all of God's purposes for Israel and creation. Sears shows how the Old Testament promises to Israel are being fulfilled in the Church.

Being Missional, Becoming Missional Banseok Cho, 2021-12-10. This book explores the theme of the missional conversion of the church, namely, how the church is transformed toward its missionary vocation from a biblical theological perspective. The purpose of this book is to find biblically grounded, theologically sound

and practically applicable principles helpful for the church which seeks to be continuously shaped into a missional community which authentically and fully participates in God's mission today. The biblical theological findings on how the triune God in the biblical narrative shapes the people of God toward their missionary vocation demonstrates first that in Scripture the missional conversion of the church is primarily the consequence of its continuous encounter with the triune God and second that this divine-human encounter for the missional conversion of the church is ineluctable in view of the ongoing tension between the missional faithfulness of God in fulfilling the missionary vocation of the church on the one hand and the missional failure of the church in its missionary vocation on the other hand. *World Mission (Combined Edition):*

Jonathan Lewis, 1994-06-01. Back by popular demand this work was originally three volumes in length but is now reprinted as a single volume. This manual integrates essential and relevant articles from *Perspectives on the World Christian Movement Reader* and the *Perspectives Study Guide* leading the student into deeper broader mission understanding and vision by covering the Biblical historical foundations, the strategic dimensions and cross-cultural considerations. *Jesus and Paul before Christianity* V. George Shillington, 2011-10-14. Who was the real founder of Christianity as it is known today: Jesus or Paul? What if any was the connection between them? These and other questions about the two historical figures have occupied biblical scholars and the Christian church for many years up to the present time. This book proposes new ways of framing the questions as well as new approaches to answering them. Neither Jesus nor Paul spoke of a new world religion separate from Judaism that would envelop the planet and last for millennia. This study seeks to locate both figures in their respective places in the first century in Jewish contexts and within the larger Greco-Roman society. The aim is to transcend the language and thought patterns of later generations of theologians in order to hear more clearly the prophetic voices of Jesus and Paul on their terms and in their social locations. By so doing Shillington lays the groundwork for a more authentic translation of their vision and mission into modern alternatives including better Jewish-Christian relations.
