reflects Mary Fox s journey as she seeks God s will for her life Her search leads her from her home parish in Massachusetts to the mission field in Honduras During this time God presents four options to remain a single lay person at her parish to become a lay missionary in Honduras to join a religious order in a third world country or to marry Jonathan a friend of 25 years Teach Me Thy Holy Will reflects Fox s prayers and emotions as she waits for God to clear the options from her plate one by one until in the end only one remains The Daily Sword Folayan Osekita,2018-03-06 The first book The Flaming Sword was not so much of a daily devotional at all but worth exploring as well if not before this devotional In my ministry counselling with so many people I found that people need the Word of God simply broken down in simple reading as many just read the Bible without really understanding what they are reading Folayan Osekita a servant prophet and evangelist of the Living God has done this so well and all the reader needs is to take the time and trouble to commit to daily reading and studying of the devotional and they would surely be very blessed in Jesus Name **When Birds Sing** Arielle

Spring,2022-03-14 I recommend this book to all who have experienced trauma or know someone who has Maxwell Wagner This will impact everyone that reads it Life changing Carey Benedict Arielle Spring was a sweet small town girl with a promising future when her life took a drastic turn while in her early teens Once her direction changed she began a two decades long fall from grace into a dark world of sexual physical and emotional abuse In a candid yet inspiring memoir Arielle Spring details her journey through abuse to the moment when a conscious awakening prompted her to discover a power greater than herself that led her to see her reality with new eyes and reclaim each precious broken piece of herself While disclosing how she began her ascent from trauma and shame to a liberating truth and freedom Arielle reveals how she persevered through many difficulties including homelessness while relying on her faith in God to buoy her through her many harrowing experiences and ultimately return her to wholeness When Birds Sing is the spiritually uplifting story of a small

town girl's heart wrenching journey through trauma abuse and lost identity to a courageous self empowered transformation

thoughts drawn from his life He shares how his religious convictions helped him survive and thrive in an industry he believed to be rife with corruption and ungodly influences And he recounts the story of his progression of faith from a player of gospel and R B music to an ordained minister and preacher of God s Word Each chapter focuses on a Bible verse reflecting on its significance to him and guiding you on how to incorporate its teachings into your own daily life An uplifting story of faith family and forgiveness in the face of God s plan The Gospel According to Rev Walt Baby Love is inspirational reading at its best

To Believe or Not to Believe Jack Perkins, DMin. LADC, 2022-10-12 Research has shown there is a great divide between the church and the unaffiliated to include those who tend toward atheism This concern inspired the author to step away from full time ministry to work as a counselor in a state owned and operated residential facility to better understand the thought processes of those who are not invested in Christianity He became aware of an us versus them mindset held by some Christians this attitude has resulted in Christians drawing a tight circle around themselves that has created a barrier for reaching those not affiliated with the church There are several consequences First it has resulted in a deep decline in baptisms and church affiliation for churches less than 50 percent of Americans surveyed are members of a church Second it has resulted in Christians believing there is no hope for those outside the church Third the gospel presentation utilized by many is to continually make jabs at the unaffiliated bordering on a scare tactic Too many churches have attempted to use revival era styles of evangelism contemporary approaches and or a social perspective however the chasm has widened This book takes an in depth look at the philosophical systems that keep people from embracing Christianity The author also provides a theological model for helping others understand a theological base for the Christian worldview The greatest contribution of the book is the way it offers hope for reaching the unaffiliated and provides practical ways of connecting with those outside the church
