Jesus, the Light to Salvation Dr. Danette Vercher, 2017-04-18 Both the Servant and the Branch are designations in the Old Testament for the Messiah Both present him in his humility In Isaiah 42:1 the Messiah the Servant is presented as the tender prophet a passage applied to the Lord Jesus in Matthew 12:18-20 KJV Clearly the Servant is now an individual rather than the nation of Israel as a whole God would be delighted or well pleased with him As the chosen one he was to be the federal head of God's elect people He would be especially empowered by the Holy Spirit to carry a quiet and unassuming ministry that would compel many to flock to him and be saved by his light on their way to understanding why he Jesus died for their past present and future sins to help future generations receive salvation as an unchangeable bill and deity to all Jesus "The Way, The Truth and The Life" Thd Bish, 2011 Jesus The Way The Truth and The Life will prove that Jesus is the only Way to God the very embodiment of all Truth and the very essence of Life just as He declared of Himself in the fourteenth chapter and sixth verse of the gospel of John by saying I am the way the truth and the life and that no one comes to the Father except through Me This book will show using systematic theology proofs and truth arguments that Jesus is exactly who He says He is confirmed by God the Father the Holy Spirit and by Christ Himself Jesus said in Mark 8:27 of scripture Who do you say I Am This book will make it obvious why you must answer this pointed question just as Peter did in claiming to Jesus that You are the Christ the Son of the Living God Time is getting short and Jesus is on His way back to earth It's not a time to be confused or wrong on issues having eternal consequences Though the book reads as a college textbook it forces you to think and study the word of God The book is most valuable in a curriculum setting or for those interested in Christian apologetics Jesus is compared to a myriad of other secular philosophies both past and present and as a result it is conclusively obvious that Jesus is the way truth and the life and all others are false This book stands on the foundation that a relationship with God

thru Christ is by faith alone Sola Fide by grace alone Sola Gratia by Christ alone Solus Christus by scripture alone Sola Scriptura and with glory to God alone Soli Deo Gloria Dr Ronald N Bish ThD received his Doctorate from Freedom Bible College in Systematic Theology and Apologetics and also holds a Master Degree in Mechanical Engineering For further information contact www.ronaldbish.com

Is Your Jesus the Bible Jesus? Marie York,2012-05 Have you ever felt that something is just not as it ought to be in Christianity today Yet you re afraid to give voice to the feeling You wonder Would saying so be speaking against God Don t be afraid In God s Word Old Testament and New whenever things got off the track God Himself was the first one to say so That s the only way God can keep the Church clean by exposing the problem and then giving the remedy A great example of this is found in the seven letters to the Asian congregations recorded in Revelation 2 and 3 This book is an expos of modern Christendom s getting off the track a clear description of just what the track is and how believers can get back on it It also shows how failing to do so will result in eternal loss Don t be afraid to examine your faith Jesus actually commands us to do so Embark on the brave Bible adventure of making your calling and election sure You ll be glad you did

Let Your Light Shine Reverend Eleanor D. Miller,2010-06-03 Some five or six years ago I had the opportunity to speak at a womens prayer breakfast in my hometown The theme for that prayer breakfast was Christian Women Showing Compassion and Making a Difference In contemplating what I would use for a subject God gave me the message Let Your Light Shine The message came from Matthew chapter 5 verses 1-15 but the main thought came from verse 14 where Jesus told His disciples you are the light of the world This book is a direct result of the thoughts that God gave me That message was not only for those gathered for the prayer breakfast but it was for me also I had found my purpose which was and still is to be a light one that shines forth for Jesus Christ

Commandments of Jesus Norman H Drummond,2021-11-05 Before Jesus ascended to heaven He gave His last instructions telling us to go make disciples and teach them to observe all things I have commanded you But what are the commands of Jesus Norman H Drummond who has served in a variety of Christian

ministries over more than forty five years tackles that important question As you read learn how to identify the commands of Jesus found in the four gospels recognize the difference between which of Jesus words are commands and which are important precious amazing and awesome but not commandments make disciples by clearly teaching new believers all things I have commanded you The commandments of Jesus were not handed to us as a concise list like the one Moses received on Mount Sinai However His commandments are recorded for us in scripture and He expects us to obey them Studying these commandments reveal a major difference between the commandments given to Moses and those given by Jesus They are as different as Thou shalt not and If you love me and they are eternal truth *The Light of the World: Lessons from the Life of Our Lord for Children* Richard Newton,1884 **From Darkness into the Light** Patrick Jay Clay,2019-04-15 At one point or another all of us have been stuck in what seems to be an unending dark tunnel of fear and uncertainty We experience problems that seem to have no end It is as if we are walking in the Darkness This book is a true story of two people one who landed in prison the other plotting how to end his young life In the book *From Darkness into the Light* Patrick Jay Clay reveals how powerful the Word of God is especially for those walking in darkness you will see changes made in his son who landed in prison changes that brought him and others out of the darkness of sin and desperation to a life in the light of Christ The second part of this book is how one teenager unknowingly intervened and prevented the planned suicide of another and how other lives were changed because of that one interaction The final chapter is the concert that brings it all together So shall my word be that goes out from my mouth it shall not return to me empty but it shall accomplish that which I purpose and shall succeed in the thing for which I sent it Isaiah 55 11 ESV See how this verse is proven in the changes made to David and Timothy there is power in the Bible See the proof for yourselves Stop feeding your problems with fear and the lack of God in your life Begin to read and understand his word place it in your heart and believe that God through Jesus will prevail in your life Many have not because they ask not all you have to do is ask and believe in faith through Jesus Do not limit God by what you do not know read study and get to know the Bible Just as proven in this book God is always on time and the Bible is true Prove it to yourself Commit your life to Jesus and walk in the light *In the Midst of Deep Water, Your Light Will Make It Through* Elda Sullins,2023-11-01 There is no discrimination between cultures education levels positions or wealth in God s eyes and he will judge everyone according to his righteous standards Despite all darkness God will always break through shining in the midst of every hidden secret behind the closed door Ultimately God holds each person accountable for their actions There is no doubt that he holds the position of power and authority as he is the only person with the perfect power strength and authority In order for humanity to be in a proper position to achieve holiness God has ordained the world to be under his full authority and he has established its identity as righteousness leading to holiness In the midst of darkness God will reveal what seems to be hidden from view It is important to note that the hierarchy does not indicate superiority or inferiority Similarly as each member of the Trinity contributes to the fullness of God so too within God s structures each role

is essential for the successful expression of his intimate relationship with humanity There are edifices in the Bible that outline authority systems that influence the household congregation workplace and earthly regime According to Romans 13 1 the powers that be are appointed by God there is no other power than God In order for God s light to continue to manifest itself in the presence of the body of Christ on earth I commend this petition In his words and actions Jesus exemplified all obedience we should strive to emulate his example and follow in his footsteps The Holy Spirit is the primary manifestation of God s presence on earth since Jesus is now seated at God s right hand New covenant purposes include manifesting God s presence giving signs of God s presence and allowing yourself to continue to be a light as he is light People are encouraged to believe that God is near and that he is working through the church to fulfill his purposes and to bless them when the Holy Spirit works in various ways that can be perceived by believers and unbelievers Jesus s expiatory action on our behalf should force us to see it as an expression of his obedience Apostle Paul in his letter to the Ephesians exhorts believers to strive to maintain a spirit of unity in the bond of peace among us all

In the Light of Day Steve Lampi,2016-05-06 We are longing to find something that will truly satisfy our hearts This longing leads us into many situations and circumstances In the end anything we give our hearts to within this world will find its end There is an eternal light that reveals our need and helps us understand those longings within us Within this light we find what will never fade away always satisfying the human soul What we desire most is love but there is only one lasting love for humanity When the

sun is setting and the dark creeps in what's revealed is only a shadow of who we really are We are not fully known by others within this fleeting light and many people find themselves living in the sunsets We hope the oncoming night and passing light will reveal a bit of our beauty but hide what is perceived unacceptable or in many cases too real Our spots our imperfections have driven our entirety into hiding It's a humanity problem We hide We've always hidden We've found solace in the darkness but our worth is not lost and our value has not faded away We are fully known even in the darkest of nights The life we live now is vulnerable to darkness but there is no need to hide for acceptance We all have our spots we all have hurt but what remains hidden from humanity will not find shelter from the light When someone is close enough to see the struggle within and provides a way out it's our opportunity to take hold of what we need and begin to trust Light and Truth Horatius Bonar, 2023-02-20 Reprint of the original first published in 1871 The publishing house Anatiposi publishes historical books as reprints Due to their age these books may have missing pages or inferior quality Our aim is to preserve these books and make them available to the public so that they do not get lost
