Jesus Power:

The Power and the Wisdom John L. McKenzie, 2009-01-01 In the composition of this book I experienced a growing conviction that the thing with which we believe we are familiar is not the New Testament it is a conventionalized popular understanding of the New Testament The simplicity of the New Testament can be deceptive We have lived with it so long that its explosive power has become sweet reasonableness I have noticed this not as a preacher but simply as a professional interpreter It is our office to explain the text The New Testament interpreter finds that he has the unpleasant task of liberating the text from certain encumbrances John L McKenzie from the preface Power Over the Serpent , **The**

Teachings of Jesus Ray Martinez, 2023-04-19 There is very much written about what Jesus says throughout the New Testament So I captured some of the key topics and expounded on what Jesus specifically has to say Some of my personal thoughts and experiences are interwoven into the topical stories that concerned me and have an impact on my life The list of topics seems endless but I ve carefully chosen the most common questions and themes that people ask about From my perspective simplicity equals transparency I m not moved by what I see but I am moved by what is in the hearts and minds of people I think Consequently I ve chosen to simplify the message without diving too deep While quoting scriptures I ve used the NIV version of the Bible unless otherwise noted differently *The Mystery of Christ* , **From Survival to Vocation**

Wayne L. Menking, 2023-02-02 The powers of death are closer than we thought Their perils appear in the forms of increased gun violence racism economic disparity and global warming to name but a few Faced with these threats Christians in this self absorbed culture tend to use their faith as a kind of palliative comfort that protects them from the truths of what these powers are doing to us as a human community and the sufferings they are inflicting on others particularly the poor and the disenfranchised Moreover it is used to shield them from responding to the gospel s call to leave survival for vocation Using Luther s theology of the cross and the instruction he imparts in his Large Catechism this book asserts that in the face of the sufferings in which we are situated the gospel news of Jesus s resurrection is a call to stand in its hope and power to resist these devastations and the dehumanization exploitation and domination they inflict The hope of God s life giving creativity in the face of the powers of death is given witness when Christians leave survival modes of existence to be in their baptismal vocation of loving neighbors as themselves **NIV, The Grace and Truth Study Bible** Zondervan, 2021-08-24 Know this

The Faith of the New Testament Roy A. Harrisville, 2023-03-14

The importance of faith in Christianity cannot be denied nor the arguments surrounding it The crisis of faith that now grips the Western church necessitates a fresh look at its essential teachings This study traces the trajectory of St Paul's concept of faith in the rest of the New Testament in order to answer the question of how far and in what manner the other books of the New Testament agree or disagree with the Apostle of the Gentiles Was St Paul an outlier or an influencer Common assumptions about faith and the language of faith are challenged in this study Rather than giving simple voice to conventional presuppositions this book wrestles with the origin and character of Christian faith and provides a provocative view that should spark renewed discussion about the heart of Christianity
