Jesus God And Man:

Jesus the God-Man Darrell L. Bock, Benjamin I. Simpson, 2016-06-21 What the Gospels Tell Us about Who Jesus Is This clear compact introduction surveys what the Gospels tell us about who Jesus is by exploring his teachings and actions in their contexts Darrell Bock a leading evangelical New Testament scholar who speaks and teaches around the world and Benjamin Simpson treat the Gospels as reliable sources for a plausible portrait of Jesus Condensing years of extensive study on the topic this handy readable textbook presents fresh ways to understand the Gospels especially the Synoptics in comparison with John

Jesus: God, Man, Or Myth? Herbert Cutner, 1950 *Who Is Jesus?* Bruce A. Demarest, 2007-05-01 How could Jesus have preexisted his conception and birth What does the incarnation really mean How important is the virgin birth Would it have been possible for Jesus to sin Could Christianity get along without the cross Why should I believe in the bodily resurrection of Jesus What is Jesus doing for me now Dr Bruce Demarest answers these and many other questions relating to Jesus Christ the God Man He shows that the truths the Bible teaches about Jesus are much more than theoretical or theological concerns They are basic to the Christian faith basic to your own faith

Jesus, God and Man Raymond Edward Brown, 1968 Uses modern exegetical methods to determine what Biblical evidence says about the New Testament use of the term God for Jesus and the human knowledge of Jesus his intention is to determine as faithfully and as scientifically as possible the teaching of Scripture on these questions the exegetical approach to a question will be different from the theological approach to the same question the book is a record of his critical investigation into these areas Brown is faithful to the strict limits of exegesis By its nature this book is technical and specialized It is however easy to read and will prove to be an asset to any theology library or serious religion section Library Journal

The God-Man J.D. Williams, 2019-01-29 For those who truly desire a comprehensive understanding of the exigency of the incarnation centrality of the cross and the sine qua non of the resurrection This is a must read Dr Williams brilliantly weaves together orthodox theology with practical application resulting in a work meaty enough for the scholar yet digestible and building for the everyday church goer Bishop Donald Clay Petra International Ministries Pittsburg PA This book is an important contribution to the 21st century Christian community It presents a strong unapologetic biblical methodical argument of The God Man Jesus based on Scripture with strong visual illustrations As such ministers and lay persons would greatly appreciate and benefit biblically and theologically in regards to the natures and function of The God Man Therefore I strongly encourage and recommend everyone to read this book which presents a clear succinct understanding of The God Man De Lafayette Awkward Princeton Theological Seminary M Div Th M Hebrew University of Jerusalem ABD Pastor of New Lots Community Church Reformed Church in America In 451 the Council of Chalcedon met and confirmed that Christ had two natures one divine and the other human Over the centuries the concept of the God Man has confused intrigued and escaped the logic of theologians preachers and students In his book The God Man Elder J D Williams seeks to explain his concept through comprehensive exploration and exposition Elder

Williams has provided an excellent text that includes research sermons and illustrations that are designed to enlighten the mind while providing further dialogue among those who wish to gain a deeper understanding of the term the God Man Rev Dr Carl L Washington Jr Pastor New Mount Zion Baptist Church Former Moderator United Missionary Baptist Association President Empire Baptist Missionary Convention Dr J D Williams is a profound pedagogue who s deep and contemplative studies are captured within these pages His insightful perspective regarding the revelation of the mystery between God and Christ is a must read for all in search of a more weighty theological enlightenment Bishop Eric R Figueroa Sr Presiding Prelate New Life Covenant Fellowship Senior Pastor New Life Tabernacle

Jesus God and Man; an Exposition of Psalms CXI. and CXII. By the Rev. James H. Vidal. [With the Text.], 1863 Jesus - God and Man Wolfhart Pannenberg, 2002 This volume argues that theology and Christology are inseparably bound together one can only talk about God when one talks about Jesus The author develops that connection systematically and brings together dogmatics biblical exposition and philosophical reflection *Jesus God and Man; an Exposition of Psalms Cxi. and Cxii* James Henry Vidal (M.A., Vicar of Chiddingly, Hurst Green, Sussex.), 1863

Jesus Brian Sherring, 2018-07-13 Whilst many Christians have no difficulty in accepting Jesus Christ as man some do have problems believing that He is God However it is interesting to note that in the first century the Gnostics did not question His deity on the contrary they questioned His humanity for how could a man do what He did In this booklet the author clearly sets out what the Scriptures say of Christ about His being His person Readers are encouraged to make up their own minds but the volume of evidence presented here will lead the reader to appreciate why that sceptic of all sceptics Thomas cried out Jesus Christ, the God-man Bruce A. Demarest, 1978 Jesus Herbert Cutner, 1950

Jesus: God and Man Larry Mullins, 2011-04-19 IN 1976 I MET BERKELEY ELLIOTT IN TULSA Oklahoma at a study group for The Urantia Book When Berkeley learned that I am a writer she suggested that I might be able to help her with a special project I had no idea that the project would virtually consume my life for the next year The Urantia Book is a huge tome of 2097 pages About one third of the book is devoted to the life and teachings of Jesus of Nazareth The Urantia Book is grounded in the historical facts of the New Testament yet it enlarges upon them and places Jesus in a bold new cosmic perspective Berkeley explained that she wanted to develop a multimedia production about Jesus based upon the new information in The Urantia Book All she had produced so far was the working title Jesus God and Man She told me Urantia Foundation had agreed to permit her to make this multimedia At that time Urantia Foundation was the owner of the copyright of The Urantia Book However the Foundation insisted that she could not use any direct quotes from The Urantia Book itself Berkeley asked if I could dash off a few pages of script for her toward the purpose of creating a derivative work The few pages became the book that is now in your hands Jesus God and Man was well received as a multimedia and the Oklahoma study group decided they wanted to print the script in book form For more than two decades Urantia Foundation had zealously guarded The Urantia Book s copyright and had refused to grant permission for any

secondary works However after a period of scrutiny of the manuscript of Jesus God and Man by several leading Urantians the Trustees of Urantia Foundation granted permission for the private publication of 1 000 copies of the book Jesus God and Man The 1 000 copies soon sold out So it was that very few new Urantia Book readers have ever heard of Jesus God and Man Once in a while a used copy appears on Amazon usually priced at 150 or more Jesus God and Man was the first derivative work ever permitted by Urantia Foundation I hope you find it of interest Thanks to modern technology readers can have an exact replica of the book s original contents Jesus God and Man based upon revelatory information from The Urantia Book does not contend with the Biblical gospels but rather expands and enhances their presentation of the life and teachings of Jesus The role of revelation is not to establish a new religion It is rather to sweep away the logic tight barriers between religion science and philosophy Reason is the proof of science faith the proof of religion logic the proof of philosophy but revelation is validated only by human experience Science yields knowledge religion yields happiness philosophy yields unity revelation confirms the experiential harmony of this triune approach to universal reality The Urantia Book page 1106 par 7 Some readers may consider this expanded treatment of the bestowal of Jesus in such a cosmic context as entertaining science fiction rather than revelation However our mission is to inspire a new generation of believers to truly follow after the Master in the demonstration of his authentic life of religious devotion to the doing of God s will and of his consecration to the unselfish service of humankind Larry Mullins The Urantia Book is now in the public domain

The Lord Jesus Christ Fully Man and Fully God Margaret Lepke, June Young, 2017-05-26 Was Jesus fully MAN and fully GOD Does it matter The answer to both questions is a definite YES It matters because your salvation depends on it This little book will take you on a journey of discovering the greatest treasure you could ever find the true identity of the Lord Jesus Christ who died for your sins and is able to give you eternal life Whether you want to learn more about Jesus yourself or need a resource to share with others you will find this book of tremendous value Easy to read yet profound God s Word will speak straight to your heart Great as a devotional to gain a more glorious vision of the Lord Jesus Christ or as a resource to become certain of what you believe and why you believe it It also helps to refute false teachings and is suitable for sharing with others who might want to know more about the biblical Jesus What others have said Very readable and encouraging turning Scripture into Aha moments Love having all the verses in one place Cynthia White Australia This evidence will once and for all settle the confusion many struggle with It s a timely book with tremendous credibility Thank you Barbara Ellen Stuart Canada

Commendations This small readable volume is one of the most concise and accurate works I have read in years Dr Lepke and Ms Young bring the Scriptures up close and answer questions the Church has far too long neglected I heartily commend this book to every Christian and every doubter Gene L Jeffries Th D Associate Professor of Practical Theology Rawlings School of Divinity Liberty University Lynchburg Virginia USAThis book is a powerful testimony to the central message of the Bible that God Himself came down to bring salvation in the person of His beloved Son who is both man and God The many scriptures

quoted will leave any honest reader in absolutely no doubt of this fact John R Ecob D D Editor of Herald of Hope Magazine

Thinking About Jesus John Foster Holman, 2016-01-25 Too many people want to classify Jesus as someone he wasn't Jesus was either the Son of God or a madman There is however more evidence that he was the Son of God than there is evidence that anyone or anything exists on earth today Jesus made it clear to everyone that accepting him as Savior and Lord was the only way to achieve God's acceptance He said I am the way the truth and the light No one comes to the Father except through me In his book *Thinking about Jesus God's Attempt to Save Mankind* author John F Holman provides evidence that encourages people to think about Jesus and what he did and said while he was on earth With that knowledge in hand individuals are in a position to either accept him as Savior and Lord or realize the consequences God sent Jesus to show us the Way *Thinking about Jesus God's Attempt to Save Mankind* shows us that path to God Jesus as God Murray J.

Harris, 2008-12-30 Jesus as God stands as one of the significant exegetical theological contributions of the century With linguistic and exegetical skill befitting his ranking as a leading international scholar Murray J Harris discusses the New Testament use of the Greek term *theos* God as a christological title **Jesus God and Man** Raymond Edward Brown, 1973

The Deity Conflict Godfrey Godfrey, 2015-07-17 Perhaps no one subject has aroused a strong interest and contention in the world's religions more than the deity of the Christ While Christianity has continued to propound the idea of a Son of God and to predicate its highly exceptional teachings on this concept all other various religious groups and even religious schools of thoughts have held strong and divergent views on the issue of whether the Lord God actually has a Son or not Most non-Christian groups are flabbergasted that Christians teach and trumpet a concept as strange and as questionable as the Lord God having a Son They have neither seen the need for this nor could they conceive the idea of this in view of the fact that God is supposed to be one By this then the concept of a Christ as Son of God becomes highly questionable and intriguing so much so that Christianity has been most repeatedly contested on the basis of this idea For many non-Christians who would want to change their religions on grounds of lack of satisfaction and incompleteness perhaps the whole idea of a Son of God in Christianity constitutes the strongest reason for holding back and has given Christian detractors impetus to dissuade many of their own adherents against switching to Christianity The fact that many if not all other religions but Christianity have no idea of a Son of God in their scriptures has frustrated the knowledge and spread of the truth from a larger percentage of the world than what is currently the case Islamic ideas Buddhist Hinduism and a host of other non-Christian related religions propagating God have concepts of God that scream against the Christian position which suggests polytheism especially for a religion which paradoxically beats its chest about a strong position in monotheism What is your position on the Christ Is He the Son of God or not 41 Others said This is the Christ But some said Shall Christ come out of Galilee 43 So there was a division among the people because of him 47 Then answered them the Pharisees Are ye also deceived John 7 The conflict arising from whether the Christ is the Son of God or the idea that it is a Christian aberration has been increasingly heating

up and is taking an uncanny dimension What position do you hold Is your position founded on credible evidence or what you get from questionable sources Have you bothered to know and to consider other positions and to find out whether in verity your position is the right one Have you also bothered to know why those who hold contrary views to yours are inclined to their views The Deity Conflict is one book that has harnessed the various views of the worlds foremost religious groups on the conflict arising from whether the most outstanding personage in human history qualifies as Son of God or is just a human phenomenon imbued with supernatural powers **The Divine Economy** Witness Lee,1986 *Jesus, God and Man* Raymond E. Brown,1978 **What and Where is God? A Human Answer to the Deep Religious Cry of the Modern Soul** Richard La Rue Swain,2019-12-06 In What and Where is God A Human Answer to the Deep Religious Cry of the Modern Soul Richard La Rue Swain embarks on an intellectual and spiritual journey to address humanity s most pressing questions about the divine presence in an increasingly secular world Through a blend of philosophical inquiry and introspective reflection Swain offers a unique synthesis of contemporary religious thought analyzing the ways modernity has shaped our understanding of God The book is marked by its accessible literary style inviting readers to engage with profound theological concepts in a manner that resonates with the lived experiences and struggles of today s society Richard La Rue Swain a noted scholar in the fields of theology and philosophy draws upon a rich background of academic exploration and personal experience in articulating his views His diverse educational pursuits and deep engagement with both historical and modern religious practices inform his analysis enabling him to present a compelling argument that juxtaposes human longing with the quest for understanding divine existence Swain s insights emerge from decades of reflection on the intersection of faith and reason positioning him as a credible voice in contemporary theological discourse This book is highly recommended for readers seeking to reconcile their spiritual questions with the complexities of modern life Whether one identifies as religious spiritual or secular Swain s thoughtful examination offers a framework for understanding the divine in a way that is both relatable and profound Engage with this thoughtful work to deepen your own exploration of faith and existence
