Post-Biblical History of the Jews Morris Jacob Raphall, 2009-05 With our American Philosophy and Religion series Applewood reissues many primary sources published throughout American history Through these books scholars interpreters students and non academics alike can see the thoughts and beliefs of Americans who came before us Post-Biblical History of the Jews Morris J. Raphall, 2023-11-27 Reprint of the original first published in 1856 *Post-Biblical History of the Jews: The Maccabees* Morris Jacob Raphall, 1855 **Post-Biblical History of the Jews: Judea under the Persians and Greeks** Morris Jacob Raphall, 1855 Post-biblical history of the Jews, from the close of the Old Testament till the year 70 C.E. Morris Jacob Raphall, 1856 **Two prize essays on the post-biblical history of the Jews [by H.B. and Hertz ben Pinchas respectively].** H. B., 1852 *Post-Biblical History of the Jews; from the Close of the Old Testament ... Till the Destruction of the Second Temple ...* Morris Jacob Raphall, 1856 Post-Biblical History Sigmund Hecht, 1896 **Methods of Teaching Post Biblical History** Martin Abraham Meyer, 1915 **... Post-Biblical History of the Jews** Abraham Pereira Mendes, 1873 *Jewish Post-Biblical History Through Great Personalities from Jochanan Ben Zakkai Through Moses Mendelssohn* Adele Bildersee, 1918 **Jewish Post-Biblical History through Great Personalities** Adele Bildersee, M.A., 1918 *Epitome of Post-biblical History for Jewish-American Sabbath-schools* Sigmund Hecht, 1882 *Jewish Post-Biblical History Through Great Personalities from Jochanan Ben Zakkai Through Moses Mendelssohn* Adele Bildersee, 1918 *A Curriculum for Jewish Religious Schools* Alter F. Landesman, 1922 *The Jewish Year Book*, 1905 **Jewish Post-Biblical History Through Great Personalities** Adele Bildersee, 2015-06-12 Excerpt from Jewish Post Biblical History Through Great Personalities From Jochanan Ben Zakkai Through Moses Mendelssohn This little book as any one with even the slightest knowledge of Jewish history and literature will readily see is in no sense original It is little more than a compilation of the better known works on Jewish life and letters in post Biblical times If then one asks why such a book should be written at all the answer is that the writer in many years of experience as a teacher has found no work on this subject suitable for practical use in the classroom The books that glow with all the pageantry of history and with the color of a delightful style are lacking from the point of view of the classroom in analysis of material and system in presenting facts The books that display scholarly erudition pile up details to the bewilderment of the average pupil Accordingly in this book the effort has been to select from the pages of post Biblical Jewish history the outstanding personalities to present the life and work of each in such a way as to illustrate the spirit of Judaism in his time in doing this to analyze and systematize the complex and abstract subject matter so that it may offer the fewest difficulties to the pupil's mind and yet not to sacrifice the warm human interest that should transfigure even the barest outline of the grandest poem of all time the history of the Jews And throughout the history from beginning to end it has been the aim to bring out clearly the guiding principles of the Jewish spirit the Law by which it lives the hope of the Future towards which it works and the conception of the universality of

religion in which it follows in the footsteps of its most sublime prophets About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
