*Landmines* Rae McGrath,1998      **Landmines** Rae McGrath,1998      *Moral Entrepreneurs and the Campaign to Ban Landmines* ,2007-01-01 This work advances the proposition that traditional top down politics is being challenged by grass roots civil society based bottom up politics in that most sensitive areas the national security arms control dichotomy The book uses the example of the International Campaign to Ban Landmines ICBL that has succeeded in reversing or altering the national policies on landmines in over 130 countries globally The book cites the efforts of what the author calls moral entrepreneurs that is people who have adopted the risk taking characteristics of business and social leaders to bring this state of affairs about As a new polity that challenges old assumptions about the state s preserve in matters of national security and moral force the ICBL has set the benchmark for a fresh twenty first century paradigm in arms control

Disarming States Kenneth R. Rutherford,2010-12-07 This book provides a detailed history of the global movement to ban anti personnel landmines APL marking the first case of a successful worldwide civil society movement to end the use of an entire category of weapons In March 1995 Belgium became the first state to pass a domestic anti personnel landmine ban In December 1997 122 states joined Belgium in signing the comprehensive Mine Ban Treaty also known as the Ottawa Treaty The movement to ban landmines became a turning point in global politics that continues to influence policy and strategy decisions regarding weapon use today Disarming States The International Movement to Ban Landmines describes how non government organizations NGOs brought the landmine issue to international attention by forming the International Campaign to Ban Landmines ICBL The author presents new information gleaned from interviews and intensive research conducted around the world The critical role of mid size states such as Austria Canada and Switzerland recruited to back the movement s goals is examined The book concludes by examining how NGOs affect the international political agenda especially in seeking legal prohibitions on weapons and changes in states behaviors      **Conflict and Catastrophe**

**Medicine** James M. Ryan,Adriaan P.C.C. Hopperus Buma,Charles W. Beadling,Aroop Mozumder,David M. Nott,Norman M. Rich,Walter Henny,David MacGarty,2014-01-13 The first edition of conflict and catastrophe was produced in 2002 and a second successful edition followed in 2009 The decision to produce these works sprung from painful problems experienced by colleagues and authors themselves during many humanitarian and related deployments The guide for both editions was to provide in one volume an entry level text covering all aspects of deployment with an emphasis on medicine and healthcare in these environments This third revised expanded and updated edition of Conflict and Catastrophe Medicine A Practical Guide follows its successful predecessors in providing a framework for use by health professionals visiting a resource constrained environment Encompassing problems brought about by local conflict or natural disasters the book covers preparation organisation logistics treatment of major trauma and medical emergencies and the special problems of delivering medicine in a hostile environment This book comprehensively tackles Self preparation of health professionals to face a range of medical

and related problems which occur in hostile and remote environments War and disaster medicine covering acute management rehabilitation reconstruction and prevention Bridging the fields of medicine nursing international relations history politics and economics The book also touches on nutrition infection trauma psychiatry and psychological medicine and training **Hidden Killers, 1998**, 1998 **Hidden Killers, 1998** United States.
