L'Amour,2009-02-19 Little did Louis L Amour realize back in 1960 when he published The Daybreakers a novel about two

brothers who came west after the Civil War that he had begun creating what would become perhaps North America's most widely followed literary family the Sacketts. The stories of ten generations of Sackett men and women as they forged westward from tyranny wracked seventeenth century England across the American continent have captivated readers for three decades through seventeen novels with nearly forty millions copies in print. The traditions and adventures of this family of rugged individualists who stand indomitably united when any Sackett is in trouble have inspired country songs, a popular television miniseries starring Tom Selleck as Orrin Sackett and Sam Elliot as Tell Sackett, thousands of reader queries and now a rare full length work of non fiction by the world's all time best selling frontier novelist. In a 60 Minutes profile in which he hailed Louis L'Amour as our professor emeritus of how the West was won, correspondent Morley Safer observed that his plots may be fiction but the details therein are fact. The Sackett Companion is the author's long savored opportunity to present the research and probe the factors behind his Sackett fiction, novel by novel and to elaborate on their real and fictional characters, their geography and locales and their historical eras in encyclopedia like detail. In this book subtitled *A Personal Guide To The Sackett Novels*, L'Amour takes us on a guided tour of his imagination to introduce us to the never before told sources and inspirations for these stories and the people and places that populate them. He retraces some of his travels in which he has walked the land the Sacketts walk, reliving such personal memories as the street fight he had on a hot dusty morning in New Mexico that ultimately led to the birth of the Sacketts.

**Mustang Man: The Sacketts** Louis L'Amour, 1966-04-01 In *Mustang Man*, Louis L'Amour takes Nolan Sackett on a dangerous journey into family betrayal, greed and murder. When Nolan Sackett met Penelope Hume in a cantina at Borregos Plaza, the girl immediately captured his attention. That she was heir to a lost cache of gold didn't make her any less desirable. But Penelope isn't the only one after her grandfather's treasure. Sylvie, Ralph and Andrew Karnes, distant relatives with no legal claim to the gold, are obsessed with claiming the Hume fortune for themselves. Their all consuming sense of entitlement recklessly drives them to ambush and murder. Even if Sackett and Penelope are fortunate enough to escape this deadly trio and find the canyon where the gold is hidden, Indian legend has it that nothing will live there: no birds or insects. They say it is filled with the bones of men.
