Tunca,2014-08-07

Drawing on the discipline of stylistics this book introduces a series of methodological tools and applies them to works by well known Nigerian writers including Abani Adichie and Okri In doing so it demonstrates how attention to form fosters understanding of content in their work as well as in African and postcolonial literatures more widely **Reader's Guide to Literature in English** Mark Hawkins-Dady,2012-12-06 Reader's Guide Literature in English provides expert guidance to and critical analysis of the vast number of books available within the subject of English literature from Anglo Saxon times to the current American British and Commonwealth scene It is designed to help students teachers and librarians choose the most appropriate books for research and study **African Literature and the Future** Gbemisola Adeoti,2015-12-01 Many African countries achieved independence from their colonisers over five decades ago but the people and the continent largely remain mere spectators in the arena of their own dance The post independence states are supposed to be sovereign but the levers of economic and political powers still reside in the donor states Not in many fora is the complex reality that defines Africa more trenchantly articulated than in imaginative literature produced about and on the continent This is the crux of the essays collected in African Literature and the Future The book reflects on Africa's past and present addressing anxieties

about the future through the epistemological lens of literature The contributors peep ahead from a backward glance They dissect the trend and tenor of politics and their impact on the socio cultural and economic development of the continent as portrayed in imaginative writings over the years One salient feature of African literature is the close affinity between art and politics in its polemics This is well established in all the six essays in the book as the authors stress the interconnections between literature and society in their textual analyses On the whole there is an overwhelming feeling of angst and pessimism but the authors perceive a glimmer of hope despite daunting odds under different conditions Thus they depict the plausible fate of Africa in the twenty first century as informed by its ancient and recent past gleaned from primary texts

New Directions in African Literature Ernest Emenyonu, Patricia Thornton Emenyonu, F. D. Imbuga, 2006 Contributors to this volume ask what are the new directions of African literature What should be the major concerns of writers critics and teachers in the twenty first century What are the accomplishments and legacies What gaps remain to be filled and what challenges are there to be addressed by publishers and the book industry What are the implications for pedagogy in the new technological era ERNEST EMENYONU is Professor of the Department of Africana Studies University of Michigan Flint North America Africa World Press Nigeria HEBN Portrayals of Masculinity in Nigerian Plays Beatrice Nwawuloke Onuoha, 2023-10-16 Portrayals of Masculinity in Nigerian Plays explores Nigerian people's notions of masculinity as portrayed in twelve Nigerian plays written by three generations of Nigerian playwrights She argues that hegemonic masculinity and other forms which are referred to as alternative masculinities exist in traditional Nigerian society By analyzing plays written by first second and third generation Nigerian playwrights Onuoha tracks how notions about masculinity have evolved over the years Further she discusses the malleability of masculinity by exploring how women manifest qualities associated with masculinity within Nigerian plays Through a review of critical studies on gender constructions Onuoha examines not only the negative experiences of women within an African patriarchal system but also the negative experiences of the men who are also direct or indirect victims of such a system **Research in African**

poetic truths semiotics anticolonial revolutions and postcolonial implosions oil politics discontent and militancy and feminism and gender politics The book stands out among its peers and offers great insights to scholars researchers and teachers working in the fields of African literature cultures and aesthetics **Achebe Or Soyinka?** Kole Omotoso,1996 Nigerian novelist Omotoso delineates the contrast between the country's two most widely read writers describing Wole Soyinka as a playful imagist steeped in the myth and magic of his Yoruba culture and Chinua Achebe as expressing internalized Igbo cultural traditions He discusses their differences in style background and vision within the context and contradictions of pan African Nigerian nation state and ethnic national agendas Annotation copyright by Book News Inc Portland OR **African Studies Review & Newsletter** ,1997 Black African Literature in English 1991-2001 Femi Abodunrin,2007 The English Association based at the University of Leicester in the UK aims to further knowledge and enjoyment of the English language and literature and to foster good practice in its teaching and learning at all levels They produce an annual review The Year's Work in English published by Oxford University Press a narrative bibliographical review of scholarly work on the English language and literatures including on new literatures in English This book brings together eleven contributions contemporary black African literature in English 1991 2001 Some 120 books and over 300 scholarly and bibliographical essays from journals and periodicals are reviewed **West Africa** ,1995 **New and Recent Titles on African Literature and Languages** African Books Collective,1996 **Iroko** ,2001 New Englishes Ayo Bamgboṣe,L.
