## **Focus On Benelux:**

*The BENELUX*, 2007      **The Success and Failure of Right-Wing Populist Parties in the Benelux Countries**

Léonie de Jonge, 2021-06-14 This book focuses on the varied support for the populist radical right in the Benelux countries Belgium the Netherlands and Luxembourg Despite many common characteristics right wing populist parties have historically been more successful in the Netherlands and Flanders than in Luxembourg and Wallonia This book argues that the variation in the success of right wing populist parties depends to a large extent on the way in which they are perceived and received in a given polity In the Netherlands and Flanders mainstream parties and the media have contributed to politicising issues pertaining to immigration and national identity thereby tilling the field for the populist radical right In Luxembourg and Wallonia mainstream parties and the media have resolutely limited the opportunities for right wing populist challengers to influence the public debate This volume will be of interest to practitioners as well as students and scholars of party politics the media the populist radical right and the Benelux region      **Belgium Investment and Business Guide Volume 1**

**Gatekeeping in the Evolving Business of Independent Film Distribution** Roderik Smits,2019-07-09 This book is about the business of distribution around which the international film business revolves Considering sales agents and distributors as primary gatekeepers the book examines the networks in which they operate how they operate how their practices have evolved and the power and control they exert over the business of independent film distribution Critically it also considers how they are affected by the powerful influence of Netflix and Amazon in the online era At a time of disruption and change to traditional business models and industry professions Roderik Smits argues that gatekeepers remain equally if not more crucial to the distribution and circulation of films in international markets **The Focused Organization** Antonio

Nieto-Rodriguez,2016-03-16 In The Focused Organization Antonio Nieto Rodriguez shows you how fewer more effectively elected and managed projects are the key to strategic and long term success Using his own research and work experience he explains how and why those organizations that focus on just a few key initiatives can perform significantly better than unfocused organizations not only financially but also in achieving their strategic objectives and motivating their staff The

author introduces a new way of looking at a company through two very different and often conflicting dimensions running the business and changing the business What you add to one dimension you have to subtract from the other one Finding the right balance between these two dimensions represents one of the major challenges to successful strategy execution Becoming a focused organization involves a radical change in the way companies are organized and the way they select and manage projects the creation of a new culture The Focused Organization discusses the characteristics that comprise a focused organization It describes key areas where a focused organization builds its levels of maturity provides examples of focused organizations that outperform the rest and explains in practical steps how all enterprises can become focused The book finishes with a unique and inspiring case study that transports us to the early days of the current business world Through the main character Benny White we learn how a business was conducted and how management evolved over decades with the introduction of business theories including project management

**Corporate Social Responsibility in Europe** Samuel O. Idowu, René Schmidpeter, Matthias S. Fifka, 2015-02-12 This book explores the current state of Corporate Social Responsibility CSR in 24 European nations examining the state of the development and practice of CSR and sustainability for organizations in these countries The common denominator for all of the book's 25 chapters is a management perspective rather than an ethical discourse The book therefore represents a comprehensive survey of initiatives and activities in the field of CSR and provides a wealth of complete cases and examples for different approaches to sustainable and responsible management practice The book also reviews the relevant political and governmental guidelines and frameworks for organizations both on a national and a European level Europe has taken a leading role in the promotion and implementation of CSR This book showcases how through CSR enterprises can significantly contribute to achieving the European Union's treaty objectives of sustainable development and a highly competitive social market economy

*The Evolving EU Counter-terrorism Legal Framework* Maria O'Neill, 2011-12-14 Since the coming into force of the Lisbon Treaty in 2009 and the contemporaneous publication of the Stockholm Programme the area of freedom security and justice has obtained a more secure legal basis within the EU treaty framework and now has a coherent policy programme set out for its development A key aspect in the area of freedom security and justice are the EU's provisions dealing with counter terrorism This book examines the rapidly emerging area of EU law and policy on counter terrorism addressing these twin disciplines from both a theoretical and practical perspective The Evolving EU Counter Terrorism Legal Framework is the first comprehensive exposition of EU anti terrorism law bringing together laws and policies on terrorism from across the three distinct EU pillars as well as exploring the legal framework for EU external relations in counter terrorism In focusing on this challenging area of EU legal policy which is presently under construction the book brings greater clarity and critical analysis to the existing legal framework currently in place In addition to considering the current legal circumstances Maria O'Neill goes on to highlight potential difficulties which may occur in the future and suggests possible avenues for development of counter terrorism

(Why) Do Neighbours Cooperate? Ilze Ruse, 2012-12-18 Negotiations in the European Union Council of Ministers are not only taking place within formal decision making structures Member states strive to find allies and coordinate their positions prior to formal negotiation meetings They either create ad hoc coalitions to pool voting power or cooperate within more durable institutionalised coalitions that traditionally form due to geographical proximity or among like minded member states as task specific coalitions on particular issues Institutionalised coalitions bestow their members with a bargaining advantage even if they cannot generate enough voting weight to reach voting thresholds
