Hunted Past Reason:

Hunted Past Reason Richard Matheson, 2010-03-30 The bestselling author of such classic novels as I Am Legend and What Dreams May Come Richard Matheson is one of the twentieth century's acknowledged masters of suspense Hunted Past Reason is a major literary event Matheson's first new novel in seven years and a gripping tale of madness paranoia and murder It's supposed to be just an ordinary camping trip two old acquaintances hiking through the wilderness toward a remote cabin in the woods of northern California Bob Hansen a middle aged family man and author isn't anticipating anything worse than sore muscles and maybe a few chilly nights But the enforced isolation of the hike soon exposes long hidden rivalries and resentments between Bob and his guide through the forest a fading TV actor whom Bob has known for several years The deeper they get into the primeval wilderness and the farther from civilization the greater the tension between the two men becomes until the simmering hostility erupts into a terrifying life or death struggle for survival Two men entered the woods but only one may emerge alive Hunted Past Reason is a nail biting thriller in the classic Matheson tradition At the Publisher's request this title is being sold without Digital Rights Management Software DRM applied
