Presidential addresses and state papers *Theodore Roosevelt* Theodore Roosevelt, 2017-01-04 Next to the whitetail deer
the black bear is the commonest and most widely distributed of American big game It is still found quite plentifully in
northern New England in the Adirondacks Catskills and along the entire length of the Alleghenies as well as in the swamps
and canebrakes of the southern States It is also common in the great forests of northern Michigan Wisconsin and Minnesota
and throughout the Rocky Mountains and the timbered ranges of the Pacific coast In the East it has always ranked second
only to the deer among the beasts of chase The bear and the buck were the staple objects of pursuit of all the old hunters
They were more plentiful than the bison and elk even in the long vanished days when these two great monarchs of the forest
still ranged eastward to Virginia and Pennsylvania The wolf and the cougar were always too scarce and too shy to yield much
profit to the hunters The black bear is a timid cowardly animal and usually a vegetarian though it sometimes preys on the
sheep hogs and even cattle of the settler and is very fond of raiding his corn and melons Its meat is good and its fur often
valuable and in its chase there is much excitement and occasionally a slight spice of danger just enough to render it
attractive so it has always been eagerly followed Yet it still holds its own though in greatly diminished numbers in the more
thinly settled portions of the country One of the standing riddles of American zoology is the fact that the black bear which is
easier killed and less prolific than the wolf should hold its own in the land better than the latter this being directly the
reverse of what occurs in Europe where the brown bear is generally exterminated before the wolf Theodore Roosevelt
Hunting the Grisly and Other Sketches Theodore Roosevelt, 1893 **Hunting the Grisly and Other Sketches**
Theodore Roosevelt, 2025-07-23 *Hunting the Grisly and Other Sketches* by Theodore Roosevelt is a powerful and vividly
written account of the author's hunting adventures across the American frontier during the late 19th century Combining
natural history personal experience and cultural reflection the book is both an exhilarating wilderness narrative and a
historical snapshot of a vanishing frontier Roosevelt a naturalist statesman and lifelong outdoorsman chronicles his

encounters with North America's most formidable wildlife: the bison, black bear, grizzly bear, Old Ephraim cougar, wolves, peccaries, and more. His descriptions of tracking, stalking, and facing these animals are rich with suspense and awe yet balanced by respect for nature and conservation. The chapters "Old Ephraim," "The Grisly Bear," and "Hunting the Grisly" are centerpieces of the collection, showcasing Roosevelt's courage, skill, and reflective thinking about man's relationship with wild animals. Other chapters such as "Hunting with Hounds and Wolves" and "Wolf Hounds" explore frontier hunting methods, while "In Cowboy Land" adds vivid color to the rough and tumble world of Western ranch life. Roosevelt does not merely glorify the hunt; he contextualizes it within the ecological and cultural shifts of his time. As industrial expansion threatened the wilderness, his writing became an early call for ethical hunting and wildlife conservation, a cause he would champion throughout his presidency. This book is an essential read for historians, hunters, conservationists, and admirers of Roosevelt's bold spirit. It is both an adventure saga and a vital document in the history of American outdoor life.

[Hunting The Grisly And Other Sketches - An Account Of The Big Game Of The United States And Its Chase With Horse, Hound, And Rifle - Part II](#) Theodore Roosevelt, 2013-04-16 Originally published in 1900, this fascinating account of the big game of the United States and its chase with horse, hound, and rifle is thoroughly recommended for inclusion on the bookshelf of all hunting enthusiasts. Chapters include "The Bison," "The Black Bear," "The Grisley Bear," and "Wolves and Wolf Hounds." Many of the earliest books, particularly those dating back to the 1900s and before, are now extremely scarce and increasingly expensive. We are republishing these classic works in affordable, high-quality modern editions using the original text and artwork.

Works: Hunting the grizzly, and other sketches Theodore Roosevelt, 1893 *Hunting the Grisly and Other Sketches* Theodore Roosevelt, 2015-02-09 During the first two months of 1877, my brother Elliott, then a lad not seventeen years old, made a buffalo hunt toward the edge of the Staked Plains in Northern Texas. He was thus in at the death of the southern herds, for all save a few scattering bands were destroyed within two years of this time. He was with my cousin John Roosevelt, and they went out on the range with six other adventurers. It was a party of just such young men as frequently drift to the frontier. All were short of cash, and all were hardy, vigorous fellows, eager for excitement and adventure. My brother was much the youngest of the party and the least experienced, but he was well grown, strong, and healthy, and very fond of boxing.

wrestling running riding and shooting moreover he had served an apprenticeship in hunting deer and turkeys Their mess kit ammunition bedding and provisions were carried in two prairie wagons each drawn by four horse In addition to the teams they had six saddle animals all of them shaggy unkempt mustangs Three or four dogs setters and half bred greyhounds trotted along behind the wagons Each man took his turn for two days as teamster and cook and there were always two with the wagons or camp as the case might be while the other six were off hunting usually in couples The expedition was undertaken partly for sport and partly with the hope of profit for after purchasing the horses Hunting the Grisly and Other Sketches Theodore Roosevelt,1903 *Hunting the Grisly and Other Sketches* Theodore Roosevelt,2017-10-03 Trieste Publishing has a massive catalogue of classic book titles Our aim is to provide readers with the highest quality reproductions of fiction and non fiction literature that has stood the test of time The many thousands of books in our collection have been sourced from libraries and private collections around the world The titles that Trieste Publishing has chosen to be part of the collection have been scanned to simulate the original Our readers see the books the same way that their first readers did decades or a hundred or more years ago Books from that period are often spoiled by imperfections that did not exist in the original Imperfections could be in the form of blurred text photographs or missing pages It is highly unlikely that this would occur with one of our books Our extensive quality control ensures that the readers of Trieste Publishing s books will be delighted with their purchase Our staff has thoroughly reviewed every page of all the books in the collection repairing or if necessary rejecting titles that are not of the highest quality This process ensures that the reader of one of Trieste Publishing s titles receives a volume that faithfully reproduces the original and to the maximum degree possible gives them the experience of owning the original work We pride ourselves on not only creating a pathway to an extensive reservoir of books of the finest quality but also providing value to every one of our readers Generally Trieste books are purchased singly on demand however they may also be purchased in bulk Readers interested in bulk purchases are invited to contact us directly to enquire about our tailored bulk rates *Hunting the Grisly* Theodore Roosevelt,1904
