Flash Back Lakota Troutman, 2011-12-05 *Montana Summer* Tom Yankus, 2000-04-07 In this autobiographical sweep through the mists of baseball's past the author recounts his summer of professional baseball as a pitcher bus driver for a Class C team in Missoula Montana in 1956 Long road trips through the Rockies gave him time to reflect on his place in the infrastructure of the game of baseball as well as to search for sexual fulfillment somewhere in the far reaches of the minor league system The dirt and the grime of bush league baseball did nothing either to dim the author's hopes that he would succeed as a pitcher or to discourage him from seeking a woman whose sexual frustrations matched his Interwoven among the descriptions of games won and lost is a panoply of life off the field in a small town for whose citizens the Missoula Timberjacks were the only diversion A visit from resident hookers a near disaster on a bus run skinny dipping in an icy river racing another team's bus through noon traffic all color the perceptions of a young man who brought a keen sensitivity to his summer of new experiences Always aware that at any moment he could be released by the team and conscious of a yearning for some semblance of sexual gratification the author battled his way through a summer that exposed his average gifts as an athlete and as a lothario There follow a handful of personal essays and reflective notes on all manner of things from the author's adventures with earthquakes and floods during his sabbatical in the South Pacific to his attempt to separate fact

Sullivan,2023-01-05 Back on the Farm is a collection of 176 humorous stories Harold Sullivan wrote for his grandchildren about growing up on a farm in Comet West Virginia during the 30s and 40s The moments that were the basis of the stories were frozen in time for the author and his fond retelling When I was a boy back on the farm recreates that life in the reader s mind too His stories are of small triumphs giant failures and a few in between They are funny tales of his relationship with his younger sister whom as one story recounts he convinced to let him shoot her with a homemade BB gun This sister then pretended it didn t hurt so she would shoot him too Many of the stories are about his hardworking mother such as the time Harold and his sister made mud pies with eggs from the farm a huge financial loss in the Depression and Momma spanked them twice once for the act and again when she found they had taken all the eggs The hero of many of his stories was his father a big man in many ways whose battle with the pushy cow showed the personality of the man and of the cow Harold s stories are of a way of life that doesn t exist anymore in the tiny community of Comet West Virginia which doesn t exist anymore either But for the people who lived there or for anyone who has lived on a farm the tales from Harold s memory bring back a simpler time worth revisiting These stories of a boy growing up among hardworking and close knit family and community are a love song to life Back on the Farm
