Bandelier,1923      The Memoirs of Alice Guy Blaché Roberta and Simone Blaché,1996-05-07 Provides an original first hand view of the potential that motion pictures offered women from the Victorian era and how ultimately the industry rejected one of its first and most important pioneers Alice Guy BlachZ was not only the world s first female director but in 1896 she became the first of either sex to direct a fictional film As the first director with the Gaumont Company in Paris Alice Guy BlachZ served as an influential figure in French film history making more than 300 films including some of the earliest sound subjects from the turn of the century She continued her career in the United States founding the Solax Company in 1910 and producing and directing 350 more films Complementing the text are reprints of contemporary articles on Alice Guy BlachZ from the American trade press a reminiscence by her daughter a brief evaluation of the career of her husband Herbert BlachZ and a complete filmography      **The Memoirs of Alice Guy Blaché** Anthony Slide,2022-03-15 The fascinating memoir of influential French filmmaker Alice Guy Blach one of the industry s most significant pioneers and a trailblazer for female directors Alice Guy Blach 1873 1968 is a unique pioneer of the motion picture being not only a female filmmaker but also one of the first if not the first to make a narrative film Her career spanned from 1894 when she became secretary to the legendary L on Gaumont through 1920 working in both her native France and the United States In all she was responsible for approximately 1 000 films possibly more than any other director or producer The Memoirs of Alice Guy Blach was first published in 1976 and to a large extent led to her rediscovery after decades of relative obscurity Guy Blach writes of her beginnings in the motion picture industry her direction not only of silent films but also some of the earliest synchronized sound motion pictures her marriage and journey to the United States the founding of her own studio in New Jersey her fame and the sad journey into obscurity in the 1920s Her story reveals both the opportunities and the ultimate rejection facing a woman director in the early years of the twentieth century These first hand and original memoirs are enhanced with a complete filmography an epilogue by her daughter Simone a brief biography of her director husband Herbert Blach a remembrance by feminist actress writer Madame Olga Petrova a sampling of contemporary articles on the director and a new foreword by editor Anthony Slide Through it all Alice Guy Blach s personal charm good humor and modesty shines      Americana. Booksellers' Catalogues ,1892      La Novela teatral ,1925      Alice Guy Blaché Alison McMahan,2002-01-01 Over a hundred years after she started making films which was considerably earlier than D W Griffith Mabel Normand and Lillian Gish began their careers the life and work of Alice Guy Blache is still shrouded

in myth and controversy Only a fraction of the approximately one thousand films that she directed still exist and almost half of these have been found very recently The films are spread out in archives all over the world Not all of them are available for viewing even to scholars and many of them are in desperate need of conservation and preservation It is widely agreed that she was the first woman filmmaker but there is considerable debate as to whether she made the first ever fiction film She played a key role in early sound film production and yet this part of her career is almost always ignored She is to this day the only woman ever to have owned and run her own film studio And yet she made her final film in 1920 at the age of 47 and died in New Jersey in 1968 unacknowledged unheralded almost totally forgotten Ten years of research has enabled Alison McMahan to piece together the career of this extraordinary woman What results is the first full length treatment of Alice Guy Blache s work the debunking of several long standing myths about her and ultimately the emergence of a feminist figurehead of the filmmaking industry BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved
