*Positively I Am with You* Dr. Victor Waller BA MDIV PhD, 2022-11-02 *Positively I AM Your Life Matters* inspired by the Word of God and science provides biblical and scientific reasoning that promises to build up the Christian who may face the challenges of agnostics atheists and the conflict between liberal and conservative Christianity *Positively I AM Your Life Matters* provides information that will assist you in negotiating and navigating through perplexing and problematic situations while preserving your own identity *Positively I AM Your Life Matters* reveals how the smallest particles of your being influence and in some cases are controlling your thoughts and feeling impacting how you might be making choices and how you may avoid or break bad habits As you read this book you will become more aware of what true love is and how you may gain and keep in control of your life and destiny You will understand how and why it was possible for Lucifer to become the Devil having been created perfect and living in the most perfect environment After reading this book you may find a clearer understanding for why Adam and Eve's use of their free will resulted in being separated from God and God promising to destroy the thing that caused Adam and Eve to choose to disobey their Creator *Positively I AM Your Life Matters* brings the reader positively face to face with the I AM and illustrates why Satan and his followers can never be forgiven Yes Many things will be made clearer and some of the most heartfelt questions about life will positively be answered as you read and understand I AM with You Your Life Matters *The Great AMEN of the Great I-AM* John E. McKenna, 2008-06-20 The author would take his readers on a ride from the Self Revelation of the I AM that the Lord God is with Moses through King David to the I AM of the Messiah of Israel and of the Incarnation and to the I AM of the Dogma of the Church as the People of God It is argued that the Grace and Truth of the Lord God cannot rightly be grasped in all of their depth in the world without becoming able to integrate both the continuity and the discontinuities of this Revelation with us even in our own times
