## **Jesus And The Constraints Of History:**

**Jesus and the Constraints of History** Anthony Ernest Harvey,1982      *The Quest for the Plausible Jesus* Gerd Theissen,Dagmar Winter,2002-01-01 Should the dissimilarity between Jesus and early Christianity or between Jesus and Judaism be the central criteria for the historical Jesus Gerd Theissen and Dagmar Winter argue that the criterion of dissimilarity does not do justice to the single most important result of more than two hundred years of Jesus research that the historical Jesus belongs to both Judaism and Christianity The two authors propose a criterion of historical plausibility so that historical phenomenon under question can be considered authentic so long as it can be plausibly understood in its Jewish context and also facilitates a plausible explanation for its later effects in Christian history This book is a cooperative project between Dagmar Winter and Gerd Theissen and represents the fruit of many years of their research on the historical Jesus

A History of the Quests for the Historical Jesus, Volume 1 Colin Brown,Craig A. Evans,2022-11-08 A comprehensive two volume reassessment of the quests for the historical Jesus that details their origins and underlying presuppositions as well as their ongoing influence on today s biblical and theological scholarship Jesus life and teaching is important to every question we ask about what we believe and why we believe it And yet there has never been common agreement about his identity intentions or teachings even among first century historians and scholars Throughout history different religious and philosophical traditions have attempted to claim Jesus and paint him in the cultural narratives of their heritage creating a labyrinth of conflicting ideas From the evolution of orthodoxy and quests before Albert Schweitzer s famous Old Quest to today s ongoing questions about criteria methods and sources A History of the Quests for the Historical Jesus not only chronicles the developments but lays the groundwork for the way forward The late Colin Brown brings his scholarly prowess in both theology and biblical studies to bear on the subject assessing not only the historical and exegetical nuts and bolts of the debate about Jesus of Nazareth but also its philosophical sociological and theological underpinnings Instead of seeking a bedrock of facts Brown stresses the role of hermeneutics in formulating questions and seeking answers Colin Brown was almost finished with the manuscript at the time of his passing in 2019 Brought to its final form by Craig A Evans this book promises to become the definitive history and assessment of the quests for the historical Jesus Volume One covers the period from the beginnings of Christianity to the end of World War II Volume Two sold separately covers the period from the post War era through contemporary debates

**Jesus in History, Thought, and Culture** Leslie Houlden,2003-12-08 This unique multidisciplinary study views Jesus as one of the most central figures in history with a wide ranging impact on society literature art and philosophy Jesus in History Thought and Culture distills 2 000 years of thinking about Jesus into two intriguing volumes In more than 200 A Z entries internationally recognized scholars summarize views of Jesus from the Gospel writers to contemporary theologians Not only does the book explore Christian liturgy and worship including the long lasting 4th and 5th century schisms over whether Jesus is human or divine but it examines the position of Jesus in the

traditions of other world religions such as Judaism Islam and Hinduism Even outside religion little has been untouched by Jesus s influence Jesus affected social and political theory in his time and continues to do so today The encyclopedia also explores his changing image in art sculpture music and literature pulling disparate fields of study into one powerful resource Scholars students of theology and world religions and other interested readers will all welcome this unique resource

Jesus as a Figure in History Mark Allan Powell,1998-01-01 Essential reading for anyone interested in the historical Jesus debate this volume offers a comprehensive and balanced account of research into the person of Jesus Handbook for the Study of the Historical Jesus (4 Vols) Tom Holmén,Stanley E. Porter,2010-12 V 1 How to study the historical Jesus v 2 The study of Jesus v 3 The historical Jesus v 4 Individual studies **Jesus Christ in World History** Jan A. B. Jongeneel,2009 Based on the author s thesis Th D Leiden University 1971 **A History of the Quests for the Historical Jesus, Volume 2** Colin Brown,Craig A. Evans,2022-11-08 A comprehensive two volume reassessment of the quests for the historical Jesus that details their origins and underlying presuppositions as well as their ongoing influence on today s biblical and theological scholarship Jesus life and teaching is important to every question we ask about what we believe and why we believe it And yet there has never been common agreement about his identity intentions or teachings even among first century historians and scholars Throughout history different religious and philosophical traditions have attempted to claim Jesus and paint him in the cultural narratives of their heritage creating a labyrinth of conflicting ideas From the evolution of orthodoxy and quests before Albert Schweitzer s famous Old Quest to today s ongoing questions about criteria methods and sources A History of the Quests for the Historical Jesus not only chronicles the developments but lays the groundwork for the way forward The late Colin Brown brings his scholarly prowess in both theology and biblical studies to bear on the subject assessing not only the historical and exegetical nuts and bolts of the debate about Jesus of Nazareth but also its philosophical sociological and theological underpinnings Instead of seeking a bedrock of facts Brown stresses the role of hermeneutics in formulating questions and seeking answers Colin Brown was almost finished with the manuscript at the time of his passing in 2019 Brought to its final form by Craig A Evans this book promises to become the definitive history and assessment of the quests for the historical Jesus Volume One sold separately covers the period from the beginnings of Christianity to the end of World War II Volume Two covers the period from the post War era through contemporary debates **John, Jesus, and History, Volume 3** Paul N. Anderson,Felix Just, S. J.,Tom Thatcher,2016-07-07 A critical analysis of the historicity of the Gospel of John Since it began in 2002 the John Jesus and History Project has assessed critically the modern disparaging of John s historicity and has found this bias wanting In this third volume an international group of experts demonstrate over two dozen ways in which John contributes to an enhanced historical understanding of Jesus and his ministry This volume does not simply argue for a more inclusive quest for Jesus one that embraces John instead of programmatically excluding it It shows that such a quest has already indeed begun Contributors include Paul N Anderson Jo Ann A Brant Peder Borgen Gary M

Burge Warren Carter R Alan Culpepper James D G Dunn Robert T Fortna J rg Frey Steven A Graham Colin J Humphreys Craig Keener Andreas K stenberger Tim Ling William Loader Linda McKinnish Bridges James S McLaren Annette Merz Wendy E S North Benjamin E Reynolds Udo Schnelle Donald Senior C P Tom Thatcher Michael Theobald Jan van der Watt Robert Webb Stephen Witetscheck and Jean Zumstein Features A state of the art analysis of John s contributions to the quest for the historical Jesus including evaluative responses by leading Jesus scholars An overview of paradigm shifts in Jesus scholarship and recent approaches to the Johannine riddles Detailed charts that illuminates John s similarities and differences from the Synoptic Gospels as well as the Gospel s contributions to the historical Jesus research **Christ and the Future in New Testament History** E. Earle Ellis, 2014-04-09 Christology and eschatology form a double core conception in the New Testament that enables one to understand other themes radiating out from it The present volume addresses fifteen topics within this central core seven on the person of Jesus and eight on this age and the age to come The essays interact with and further discussion on disputed topics in contemporary New Testament Studies including the historical Jesus and the Gospels deity christology in the Synoptics and in the Pauline writings the meaning of resurrection in the teaching of Jesus the Sadducees and Qumran eschatology in Luke s writings and the structure of Pauline eschatology New Testament teaching on hell and other christological and eschatological motifs Three concluding pieces provide the historical and hermeneutical framework from which the theological studies proceed This publication has also been published in paperback please click here for details *Studying the Historical Jesus* Bruce D. Chilton, Craig A. Evans, 2019-11-26 This volume offers critical assessments of Life of Jesus research in the last generation with special emphasis on work that is quite recent It will introduce graduate students to the field and will provide the veteran scholar with current bibliography and discussion of the issues Topics treated include Jesus and Palestinian politics Jesus tradition in Paul Jesus in extracanonical Gospels and Jesus parables miracles death and resurrection The contributors are among the most widely recognized and respected Life of Jesus scholars They include Marcus J Borg James H Charlesworth James D G Dunn Sean Freyne Richard Horsley and Helmut Koester **Jesus and Paul in the Context of Judaism and Early Christianity** Donald A. Hagner, 2025-03-27 In the late nineteenth century Jewish scholars began to be interested in Jesus and eventually Paul as important figures in the history of the Jewish people Rightly understood they argued Jesus and Paul belonged more to Judaism than to Christianity as even radical critical Christian scholars were concluding The earliest believers in Jesus were exclusively Jews forming something like a new sect within Judaism The emergence of the Christianity of the New Testament soon became a focus of attention for Jewish scholars and with this a host of questions arose such as about the influence of Hellenism the parting of the ways the widespread Christian misperception of Judaism the tragedy of anti-Semitism and the identity of Jesus as Messiah and Lord The present essays address these and other issues maintaining throughout the tension of continuity and discontinuity and stressing the underappreciated radical newness of the New Testament **Faith and**

**History** John T. Carroll, Charles H. Cosgrove, E. E. Johnson, 2004-11-18 For nearly fifty years Paul Meyer has been internationally hailed as a master exegete and biblical theologian of unparalleled penetration and power Much of my own education in biblical scholarship has been at the feet of him and of his students Clifton Black Otto A Piper Professor of Biblical Theology and chairman of the Department of Biblical Studies Princeton Seminary **Changing Christian Paradigms and their Implications for Modern Thought** Knox, 2018-11-13 Though the Bible and creeds have provided a compass for Christianity from earliest times the frameworks of thought within which they have been understood have constantly changed the contribution of Augustine to these changes being fundamental This book traces first these changes chronologically and shows how they have led to the separation of religion and science faith and reason supernatural and natural and so to current materialism but also to radical alterations to our understanding of God and his relationship to the world The second part shows in more detail how these changes have altered the significance of major features of Christian faith and led to serious incoherences And the third part shows not only how pre Augustinian and Biblical understandings cohere closely with modern science but that they have radical implications for our understanding of man his place in nature and survival of death for Jesus Christ and for the role of the Churches **The Cambridge History of Judaism** William Horbury, 1984 This third volume of The Cambridge History of Judaism focuses on the early Roman period 'Behind' the Text: History and Biblical Interpretation Zondervan, 2011-04-19 Christianity believes in a God who acts in history The Bible tells us the story of God's actions in Israel culminating in the ministry of Jesus of Nazareth and the spreading of the gospel from Jerusalem to Rome The issue of history is thus unavoidable when it comes to reading the Bible Volume 4 of the Scripture and Hermeneutics Series looks at how history has dominated biblical studies under the guise of historical criticism This book explores ways in which different views of history influence interpretation It considers the implications of a theology of history for biblical exegesis and in several case studies it relates these insights to particular texts Few topics are more central to the task of biblical interpretation than history and few books open up the subject in so illuminating and thought provoking a manner as this splendid collection of essays and responses Hugh Williamson Regius Professor of Hebrew University of Oxford England breaks new ground in its interdisciplinary examination of the methodology presuppositions practices and purposes of biblical hermeneutics with a special emphasis on the relation of faith and history Eleonore Stump Robert J Henle Professor of Philosophy Saint Louis University United States This volume holds great promise for the full fledged academic recovery of the Bible as Scripture It embodies an unusual combination of world class scholarship historic Christian orthodoxy bold challenges to conventional wisdom and the launching of fresh new ideas Al Wolters Professor of Religion and Theology Redeemer University College Ontario Canada The essays presented here respect the need and fruitfulness of a critical historiography while beginning the much needed process of correcting the philosophical tenets underlying much modern and postmodern biblical research The result is a book that mediates a faith understanding both

theoretical and practical of how to read the Bible authentically as a Christian today Francis Martin Chair Catholic Jewish Theological Studies John Paul II Cultural Center Washington D C Not only is history central to the biblical story but from a Christian perspective history revolves around Jesus Christ All roads of human activity before Christ lead up to him and all roads after Christ connect with him A concern with history and God s action in it is a central characteristic of the Bible The Bible furnishes us with an account of God s interactions with people and with the nation of Israel that stretches down the timeline from creation to the early church It tells us of real men women and children real circumstances and events real cultures places languages and worldviews And it shows us God at work in human affairs revealing his character and heart through his activities Behind the Text examines the correlation between history and the Bible For the scholar student and informed reader of the Bible this volume highlights the importance of history for biblical interpretation and looks at how history has and should influence interpretation

*The Resurrection of History* David Bruce, 2014-09-08 Did Jesus really rise from the dead And does it really matter In *The Resurrection of History* David Bruce explores what historians theologians and New Testament scholars have said about the resurrection of Jesus from a historical point of view Bruce argues that scholars don t have to dismiss the scriptural witness that he is risen as metaphor or wishful thinking Bruce examines the development of the art of history writing and explores the theological possibilities now open to scholars in the twenty first century Using contemporary examples Bruce helps his readers come to grips with the interrelationship of history and theology and think like theologically informed historians Respectful of varying points of view Bruce defends the traditional orthodox view of the resurrection and challenges his readers to consider the implications for Christian faith and witness if in fact the resurrection of Jesus was historical

**Life of Jesus research** Evans, 2019-07-01 *Life of Jesus Research* offers students and scholars annotated bibliographies for all of the major areas of critical scholarship in the historical Jesus providing complete bibliographical information annotations and brief introductions to the various subjects The work is an indispensable tool for research in this important field of study

*A Theology of the New Testament* George Eldon Ladd, 1993-09-02 Ladd s magisterial work on New Testament theology has well served scores of seminary students since 1974 Now this comprehensive standard evangelical text has been carefully revised by Hagner to include an update of Ladd s survey of the history of the field of New Testament theology an augmented bibliography and an entirely new subject index

**The Divine Trinity** David Brown, 2012-01-09 This book the first serious analysis of the doctrine of the Trinity for many years presents a defense against the conservative treatment of the Trinity as an impenetrable mystery and against the radical position that the doctrine is incoherent and therefore unacceptable Brown favors the founding of a new discipline of philosophical theology or the widening of the horizons of the philosophy of religion to apply more widely the type of penetration of theology by philosophy that he exemplifies in his treatment of the Trinity He argues for belief in an interventionist God theism rather than deism and contends that biblical criticism and historical research do not imply the abandonment of Christian belief since

the historical original should not be equated with theological truth Although historical difficulties must prevent any literal acceptance of the Gospel accounts in toto the true Christ can be disentangled from the historical Jesus by philosophical method Wide ranging in scope rigorous and candid in argument Brown s work will prove of interest to educated Christian laypersons and others beyond the boundaries of professional theology and philosophy of religion Perhaps most provocative is Brown s assertion that the Resurrection must be accepted as a literally true visionary experience and that anyone who accepts it must be prepared to take seriously other visionary experiences for example visions of the Virgin Mary even if he rejects them in the end It is certainly an astonishing truth that God should be so interested in a being of such vastly inferior powers as man says the author But that clearly must be the implication of the doctrine of the Trinity To have reached this conclusion by means of philosophical argument is to have taken a major step toward the complete penetration of theology by philosophy that Brown calls for

Thank you very much for downloading **Jesus And The Constraints Of History**. Maybe you have knowledge that, people have look numerous times for their chosen readings like this Jesus And The Constraints Of History, but end up in malicious downloads.

Rather than reading a good book with a cup of tea in the afternoon, instead they cope with some malicious bugs inside their laptop.

Jesus And The Constraints Of History is available in our book collection an online access to it is set as public so you can download it instantly.

Our digital library spans in multiple countries, allowing you to get the most less latency time to download any of our books like this one.

Kindly say, the Jesus And The Constraints Of History is universally compatible with any devices to read
