Goitein, 2005-03-24 Fascinating study by eminent scholar explores 3 000 years of relations between Jews and Arabs Topics include Jewish traditions in Islam Islamic influence on Jewish philosophy Jewish and Islamic mysticism and poetry **Jewish and Arab Childhood in Israel** Einat Baram Eshel, Wurud Jayusi, Ilana Paul-Binyamin, Eman Younis, 2021-08-06 This book is a result of the growing public and academic interest in the variety of childhoods that take place side by side in the multicultural state of Israel despite its tiny geographical dimensions In a collection of groundbreaking articles the book describes various features of Israeli childhoods in the present and recent past in both Arab and Jewish societies The first section of the book Childhood and Environment in Israel addresses the various spaces in which childhood practices occurred and still occur in Israel the intimate home environment the educational environment playgrounds and many others The second section Childhoods and Power Structures in Israeli Literature illuminates the perceptions and images of childhood and describes the extensive and heterogenic variety of childhood representations in Jewish and Arab literature Scholars of culture society education and literature Jews and Arabs have joined forces to encourage in depth thinking about perceptions of childhood in the diverse Israeli society the status of children in Arab and Jewish societies and the resources invested to nurture them from a global aspect as individuals with universal duties and rights and or a local point of view as a national asset as designers of the nation s future or alternatively as a burden nuisance or threat Jews and Arabs, Their Contacts Through the Ages Shelomo Dov Goitein, 1964 *Oriental Neighbors* Abigail Jacobson, Moshe Naor, 2016-12-06 Focusing on Oriental Jews and their relations with their Arab neighbors in Mandatory Palestine this book analyzes the meaning of the hybrid Arab Jewish identity that existed among Oriental Jews and discusses their unique role as political social and cultural mediators between Jews and Arabs Integrating Mandatory Palestine and its inhabitants into the contemporary Semitic Levantine surroundings *Oriental Neighbors* illuminates broad areas of cooperation and coexistence which coincided with conflict and friction between Oriental and Sephardi Jews and their Arab neighbors The book brings the Oriental Jewish community to the fore examines its role in the Zionist nation building process and studies its diverse and complex links with the Arab community in Palestine Living Together Separately Michael Romann, Alex Weingrod, 2014-07-14 Much has been written about the religious and political conflicts of contemporary Jerusalem and about the harsh realities of the intifada But while analysts probe the violence in the reunited city its residents must go about their daily affairs Focusing on the conduct of everyday life rather than on ideology *Living Together Separately* provides a rare look at the complex networks of practical relations developed by Jews and Arabs in over two decades of Israeli control of the city The work begins with a brief historical review of Jerusalem as an Arab Jewish city Then combining the perspectives of urban geography and social anthropology it addresses a wide range of questions How does the use of urban space and urban systems reflect both segregation and integration How do ethnic identities influence interactions in adjoining neighborhoods

in workplaces and in a hospital What rules govern Arab Jewish contacts in business consumer and political settings In the final chapter the authors evaluate the Jerusalem situation in comparison with conditions in other deeply divided cities and in light of the intifada Long time residents of Jerusalem Romann and Weingrod seek to grasp the variety of day to day exchanges without preconceptions and from the viewpoints of all participants Michael Romann and Alex Weingrod are my pick to serve on a jury trying a very tangled case Fouad Ajami School of International Studies The Johns Hopkins University Originally published in 1991 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 *Jews and Muslims in the Arab World* Jacob Lassner, Ilan S. Troen, 2007-05-30 *Jews and Muslims in the Arab World* highlights the effects of historical memory on the Arab Israel conflict demonstrating that both Jews and Arabs use stories of distant pasts to create their identities and shape their politics Whether real or imagined the past filtered through their collective memories has had and will continue to have enormous influence on how Jews and Arabs perceive themselves and each other *Jews and Muslims in the Arab World* describes the ways in which the past is absorbed internalized and then processed among Jews and Arabs The book stresses the importance of historical imagination on the current evolving political cultures but does not claim that explanations from an ancient past shed light on every aspect of contemporary events *Jews and Arabs in Israel Encountering Their Identities* Maya Kahanoff, 2016-04-13 *Jews and Arabs in Israel Encountering their Identities* reveals the powerful potential of inter group dialogues to transform identities and mutually negating relations Using meetings with Israeli Jewish and Palestinian Arabian students who attend the Hebrew University of Jerusalem as case studies Kahanoff examines the hidden psychological dimensions of the Israeli Palestinian conflict and illustrates how each participant's sense of identity shifted in response to encounters with conflicting perspectives Kahanoff contends that an awareness of the limitations of dialogue without the renunciation of its value is the most realistic basis upon which to build a sustainable agreement This book is recommended for scholars of psychology sociology religious studies political science and communication studies **The Arab Jews** Yehouda A. Shenhav, 2006 This book is about the social history of the Arab Jews Jews living in Arab countries against the backdrop of Zionist nationalism By using the term Arab Jews rather than Mizrahim which literally means Orientals the book challenges the binary opposition between Arabs and Jews in Zionist discourse a dichotomy that renders the linking of Arabs and Jews in this way inconceivable It also situates the study of the relationships between Mizrahi Jews and Ashkenazi Jews in the context of early colonial encounters between the Arab Jews and the European Zionist emissaries prior to the establishment of the state of Israel and outside Palestine It argues that these relationships were reproduced upon the arrival

of the Arab Jews to Israel The book also provides a new prism for understanding the intricate relationships between the Arab Jews and the Palestinian refugees of 1948 a link that is usually obscured or omitted by studies that are informed by Zionist historiography Finally the book uses the history of the Arab Jews to transcend the assumptions necessitated by the Zionist perspective and to open the door for a perspective that sheds new light on the basic assumptions upon which Zionism was founded

Beyond the Promised Land Glenn Frankel,1996-06-05 After half a century of enmity between Jew and Arab two decades of occupation and six years of bloody intifada Israeli leaders are doing the unthinkable shaking hands with their Arab adversaries Pulitzer Prize winner Glenn Frankel unlocks the story behind Israel s current upheaval and the magnitude of its about face Jews and Arabs in Palestine Enzo Sereni,R. E. Ashery,1936 Whose Holy Land? Michael

Wolffsohn,2021-10-15 This book explains the historical roots of the conflict between Jews and Arabs which has lost none of its explosiveness to the present day in a comprehensive and easy to understand manner The question of who owns the Holy Land is more relevant today than ever The debates on this topic are often characterized by ignorance and strong emotions while partiality and power interests still obscure the view on the political situation in the Middle East Shaking up old myths and prejudices this book presents an overall historical as well as political analysis of the Jewish Christian and Muslim structures actors and actions from the very beginning to this very day as well as a topical analysis It combines history with theology and political science Thus the book is a must read for scholars and students of political science history and international relations as well as policy makers interested in a better understanding of the historical background and current political situation in the Middle East

Jews and Muslims in the Arab World Jacob Lassner,Ilan S. Troen,2007-05-30 Jews and Muslims in the Arab World highlights the effects of historical memory on the Arab Israel conflict demonstrating that both Jews and Arabs use stories of distant pasts to create their identities and shape their politics Whether real or imagined the past filtered through their collective memories has had and will continue to have enormous influence on how Jews and Arabs perceive themselves and each other Jews and Muslims in the Arab World describes the ways in which the past is absorbed internalized and then processed among Jews and Arabs The book stresses the importance of historical imagination on the current evolving political cultures but does not claim that explanations from an ancient past shed light on every aspect of contemporary events **Jews, Arabs, Turks** Jacob M. Landau,1993 This selection of essays has been selected among those published by Jacob M Landau in the last forty years covering Middle Eastern historical events and related current issues The studies are grouped according to the following divisions Jews in Muslim lands Arabic writings Ottoman history Turkish politics Politicolinguistics Elections in Israel and Turkey The focus on the Middle East is the integrating factor **Lives in**

Common Menachem Klein,2014 Challenging the received wisdom this candid portrait of three cities reveals a history of co existence between Arab and Jews Focusing on Jerusalem Jaffa and Hebron Klein looks at how Jewish Muslim and Christian neighbours have coexisted from the 19th century to the present day *A Land of Two Peoples* Martin Buber,2005-02-15

Theologian philosopher and political radical Martin Buber 1878 1965 was actively committed to a fundamental economic and political reconstruction of society as well as the pursuit of international peace In his voluminous writings on Arab Jewish relations in Palestine Buber united his religious and philosophical teachings with his politics which he felt were essential to a life of public dialogue and service to God Collected in *A Land of Two Peoples* are the private and open letters addresses and essays in which Buber advocated binationalism as a solution to the conflict in the Middle East A committed Zionist Buber steadfastly articulated the moral necessity for reconciliation and accommodation between the Arabs and Jews From the Balfour Declaration of November 1917 to his death in 1965 he campaigned passionately for a one state solution With the Middle East embroiled in religious and ethnic chaos *A Land of Two Peoples* remains as relevant today as it was when it was first published more than twenty years ago This timely reprint which includes a new preface by Paul Mendes Flohr offers context and depth to current affairs and will be welcomed by those interested in Middle Eastern studies and political theory

The Seed of Abraham Raphael Patai, 1986 This wide ranging discussion of Jews and Arabs Judaism and Islam is historical psychological and anthropological in approach By focusing his study on folk culture Raphael Patai makes a unique contribution complementing classic works in the field The volume is a distillation of the best available material on the subject of Jewish Arab interactions over the ages It provides an excellent overview of Arab Jewish relations vis a vis religion theology culture literature and politics from the pre Muhammad period to the present day showing the shared heritage as well as divergence of Arab and Jew Winner of the Jewish Book Council Award and the Anisfield Wolf Award in Race Relations

Arabs And Jews In Israel Sammy Smooha, 2019-04-02 On December 9 1987 the Palestinians on the West Bank and Gaza Strip launched the most serious challenge in this century to non Arab rule in the area West of the Jordan river A genuine grassroots movement against protracted occupation and for self determination the Intifadeh has already inflicted many losses and scored many gains By the first anniversary of the uprising the toll for the revolting Palestinians was at least 280 dead 4 000 wounded 5 500 detainees and some deportations and house demolitions The substantial suffering and privations also entailed numerous beatings curfews arrests searches cuts in basic services closings of schools and losses of income The Israelis have had 10 killed 1 150 wounded a minimum of a 1 5% drop in the Gross National Product the stress of a people s army fighting civilians of an occupied nation increased international isolation and censure and the straining of relations with the Diaspora

The Journey of An Arab-Jew in European Israel Dr. David Rabeeya, **Jews, Muslims and Jerusalem** Moshe Ma'oz, 2020-09-10 *Jews Muslims and Jerusalem Disputes and Dialogues* examines Muslim Jewish relations during significant periods of history in the Middle East Asia and Africa A deep concern in the Muslim Arab world concerns the status of the Al Aqsa Mosque and Dome of the Rock Israel's continued occupation of the West Bank since 1967 and its control of East Jerusalem has reinforced anti Jewish Judeophobia and anti Israel movements The most prominent are the Hamas the Liberation Party tahrir the Islamic Jihad Hizbullah the Islamic rulers in Iran and recently Turkey Conversely amongst Jews in

Israel and the Diaspora and amongst many Christians the last decades have witnessed a rise in extreme Islamophobia in reaction to Arab terrorist attacks and out of a religious cultural prejudice against Muslims Spearheading these trends are members of the Jewish underground Gush Emunim Loyalists of the Temple Mount Holy Temple organizations and members of the religious Zionist and political movements the Bayit Yehudi Party and Likud Party It is noteworthy that there are numerous proactive movements for coexistence and peace amongst Jews and Muslims in Israel and throughout the world and in that prevailing spirit dozens of ongoing religious and cultural dialogues are maintained These interactions and the political and economic engagement at state level are distinguished by ambivalence given not only the historical record but through contemporary zealotry by hardliners The US the UN and the EU have tried to mediate but to no avail President Trumps Deal of the Century has abandoned Washingtons neutrality PM Netanyahu promotes Israeli sovereignty over Jerusalem This book is the most comprehensive integrated and updated study on these formidable issues Given the increasingly volatile language by hardline players the Middle East is at a point of critical historical change Is it to be a political settlement via dialogue or a downward spiral to a dispute that in an age of offensive weaponry available to all parties can only have dire consequences

Israeli Identities Yair Auron, 2012 The question of identity is one of present day Israel s cardinal and most pressing issues In a comprehensive examination of the identity issue this study focuses on attitudes toward the Jewish people in Israel and the Diaspora the Holocaust and its repercussions on identity attitudes toward the state of Israel and Zionism and attitudes toward Jewish religion Israeli Arab students Israeli Palestinians and Jewish Israeli students were asked corresponding questions regarding their identity It was found that rather than lessening its impact over the years the Holocaust has become a major factor at times the paramount factor in Jewish identity Similarly among Palestinians the Naqba has become a major factor in Palestinian Israeli identity However the overall results show that the identity of a Jewish citizen of Israel is not purely Israeli nor is it purely Jewish It is to varying degrees a synthesis of Jewish and Israeli components depending on the particular sub groups or sub identities The same holds for Israeli Arabs or Israeli Palestinians who have neither a purely Israeli identity nor a purely Palestinian or Arab one
