You Can Make It Jim Bakker, 2021-08-03 Your life is meant to be a testament of God's never changing faithfulness and love even in the darkest times This book will

shake you from spiritual slumber as you navigate these uncertain times and trust God's promises for the future. You will learn how to find hope, faith, and courage during a critical pivotal time in the history of the church. Hope in the darkest hour. In this riveting new book *You Can Make It*, pastor and Christian television pioneer Jim Bakker pulls back the curtain and recounts the many struggles he and his family experienced in 2020, including attacks on his ministry and platform as well as physical struggles through a life-changing stroke. Along the way, he delivers a series of warnings based on the Book of Revelation that are both stunning and impossible to ignore. Finally, he shares how you can prepare physically and spiritually for the dark days ahead. God's final time clock is running, and it cannot be stopped. But if recent events have taught Jim anything, it is that there is security in the body of Christ, and God will never abandon us. No matter what you are facing, you can make it. Bakker's testimony of how God brought him through an agonizing year of events shows how God will help you through seasons when you are struggling to understand the dark times of the past, present, and future. This book is nothing short of a testament to God's faithfulness. Midnight is about to strike, and God will return very soon for those who love Him. We may be in for unprecedented times, but when the dust settles, those who have prepared and committed their ways to the Lord will find themselves still standing. **FEATURES BENEFITS:** Appendices that give advice and tips for activation. **Jim & Tammy**

Bakker Present the Ministries of Heritage Village Church Jim Bakker, 1986 **This Is Our Message** Emily Suzanne Johnson, 2019-01-04 Over the past 50 years, the architects of the religious right have become household names: Jerry Falwell, Pat Robertson, James Dobson. They have used their massively influential platforms to build the profiles of evangelical politicians like Mike Huckabee, Rick Perry, and Ted Cruz. Now a new generation of leaders like Jerry Falwell Jr. and Robert Jeffress enjoys unprecedented access to the Trump White House. What all these leaders share, besides their faith, is their gender. Men dominate the standard narrative of the rise of the religious right. Yet during the 1970s and 1980s, nationally prominent evangelical women played essential roles in shaping the priorities of the movement and mobilizing its supporters. In particular, they helped to formulate, articulate, and defend the traditionalist politics of gender and family that in turn made it easy to downplay the importance of their leadership roles. In *This Is Our Message*, Emily Johnson begins by examining the lives and work of four well-known women: evangelical marriage advice author Marabel Morgan, singer and anti-gay rights activist Anita Bryant, author and political lobbyist Beverly LaHaye, and televangelist Tammy Faye Bakker. The book explores their impact on the rise of the New Christian Right and on the development of the evangelical subculture, which is a key channel for injecting conservative political ideas into purportedly apolitical spaces. Johnson then highlights the ongoing significance of this history through an analysis of Sarah Palin's vice-presidential candidacy in 2008 and Michele Bachmann's presidential bid in 2012. These campaigns were made possible by the legacies of an earlier generation of conservative evangelical women who continue to impact our national conversations about gender, family, and sex. **Love Like Jesus** Kurt Bennett, 2020-02-11 Based on Kurt Bennett's popular-ish blog *God Running Love Like Jesus*, begins with the story of how, after

a life of regular church attendance and Bible study Bennett was challenged by a pastor to study Jesus That led to an obsessive seven year deep dive After pouring over Jesus every interaction with another human being he realized he was doing a much better job of studying Jesus words than he was following Jesus words and example The honest and fearless revelations of Bennett s own moral failures affirm he wrote this book for himself as much as for others Love Like Jesus examines a variety of stories examples and research including Specific examples of how Jesus communicated God s love to others How Jesus demonstrated all five of Gary Chapman s love languages and how you can too The story of how Billy Graham extended Christ s extraordinary love and grace toward a man who misrepresented Jesus to millions How to respond to critics the way Jesus did How to love unlovable people the way Jesus did How to survive a life of loving like Jesus or how not to become a Christian doormat How Jesus didn t love everyone the same and why you shouldn t either How Jesus guarded his heart by taking care of himself he even napped and why you should do the same How Jesus loved his betrayer Judas even to the very end With genuine unfiltered honesty Love Like Jesus shows you how to live a life according to God s definition of success A life of loving God well and loving the people around you well too A life of loving like Jesus

The Art of the Public Grovel Susan Wise Bauer, 2016-06-28 Whether you are a politician caught carrying on with an intern or a minister photographed with a prostitute discovery does not necessarily spell the end of your public career Admit your sins carefully using the essential elements of an evangelical confession identified by Susan Wise Bauer in *The Art of the Public Grovel* and you like Bill Clinton just might survive In this fascinating and important history of public confession in modern America Bauer explains why and how a type of confession that first arose among nineteenth century evangelicals has today become the required form for any successful public admission of wrongdoing even when the wrongdoer has no connection with evangelicalism and the context

is thoroughly secular She shows how Protestant revivalism group psychotherapy and the advent of talk TV combined to turn evangelical style confession into a mainstream secular rite Those who master the form Bill Clinton Jimmy Swaggart David Vitter and Ted Haggard have a chance of surviving and even thriving while those who don't Ted Kennedy Jim Bakker Cardinal Bernard Law Mark Foley and Eliot Spitzer will never really recover Revealing the rhetoric theology and history that lie behind every successful public plea for forgiveness The Art of the Public Grovel will interest anyone who has ever wondered why Clinton is still popular while Bakker fell out of public view Ted Kennedy never got to be president and Law moved to Rome Time Has Come Jim Bakker, 2013-01-14 A prophetic drama that is a brilliant new take on the book of Revelation Gives readers fresh insight peace of mind and a great hope for the future
