quarterbacks within their respective eras putting their accomplishments in context with those of their contemporaries

Section III breaks down the quarterback position team by team for current NFL franchises Appendices provide detailed passing records additional statistics on everything from relative passer ratings to fourth quarter comebacks and listings of first round draft picks trades involving quarterbacks awards and uniform numbers

Tales from the Patriots Sideline Michael Felger,2006

Some of the most entertaining stories from one of the most remarkable franchises in sports are told in this revealing look at the New England Patriots While the team s owner coach and stadium now all rank among the best in the National Football League the team was known for decades as having comically inept management and ownership as well as the worst stadium in the NFL In Tales from the Patriots Sideline former players share their tales of the tumultuous years Their initial owners

had to sell the team after going bankrupt promoting a Michael Jackson concert tour Their coaches have been a colorful lot too including one who accepted a new job the day before a playoff game From the AFL years through the lowest of low seasons Patriots history has also been sprinkled with the occasional spikes of success They were a franchise on the verge of being relocated before current management took the team to its new heights as three time Super Bowl champions Fans can find stories about it all in *Tales from the Patriots Sideline* **San Francisco 49ers** Matt Maiocco, 2013-09-17 This fully illustrated celebration of the San Francisco 49ers highlights the great players coaches teams and moments that have made the Niners one of the most successful franchises in football history **From Darkness to Dynasty** Jerry Thornton, Michael Holley, 2020-12-01 Long before the Patriots took the 21st century by storm and became the most dominant team in NFL history pro football was something entirely different in New England something comically atrocious and riddled with heartbreak Before those juggernaut years of Bill Belichick Tom Brady and sold out crowds at Gillette Stadium came a hapless franchise that managed only a single playoff victory in a quarter century and spent its entire first decade of existence just trying to establish a permanent home field and even when they did none of the toilets worked In *From Darkness to Dynasty* bestselling author Jerry Thornton irreverently chronicles those easily glossed over downtrodden decades years when the team claimed more headlines for lawsuits arrests power struggles drug problems and inept bizarre behavior from players coaches and owners than for anything they accomplished on the field Relive the behind the scenes dysfunction the turmoil of prolonged irrelevance and the improbable way the Patriots finally ascended to greatness By turns hilarious and eye opening this is an essential history for fans and disparagers alike and a pointed reminder that the best stories of triumph start with humble beginnings *Latinos in the End Zone* F. Aldama, C. González, 2013-11-15 Here Frederick Luis Aldama and Christopher González offer a thought provoking conversation on the history of Latinos in the pro football leagues As they weave their way through significant points where culture politics and history congeal an early twentieth century era of Brown Color Lines the Great Depression WWII birth of television Civil Rights struggles the twenty first century Latino demographic explosion among others Aldama and González thread together an alpha to omega all encompassing story of Latinos in the NFL They push hard at issues such as racial prejudice including why Latinos have historically had to cross into the Canadian Leagues to prove themselves to white American officiators and the glaring omission of prominent Latino names honored within the hallowed interiors of the Pro Football Hall of Fame Encyclopedic in scope and powerfully pointed in its analysis they put the spotlight on the significant contribution made by Latinos in the history of pro football *One Last Read* Ray Didinger, 2023-07-14 Ray Didinger is one of the best sportswriters Philadelphia has ever read A sports journalist first for the Bulletin and then for the Daily News he never missed a deadline in over 25 years But as he admits there have been close calls much to his editors chagrin He was widely known as the World's Slowest Sportswriter Of the thousands of articles columns and profiles he has penned over the years Didinger has selected his finest work to be included in this book One Last

Read contains entire chapters for each of the professional Philadelphia teams the Phillies the Flyers the Sixers and of course the Eagles But that is only half of the story Included here is his coverage of college sports and the Olympics as well as the full text of the speech he delivered in Canton Ohio when he presented his boyhood idol Tommy McDonald for induction into the Pro Football Hall of Fame There are also some strongly worded opinion pieces about former Eagles owner and legendary high roller Leonard Tose the career of Woody Hayes and much much more Didingers introduction engaging warm whitty and insightful is among his finest writing For longtime readers this essential collection of Didingers work was worth the wait
