Landscape Theory Rachel DeLue, James Elkins, 2010-10-28 Artistic representations of landscape are studied widely in areas ranging from art history to geography to sociology This book brings

together more than fifty scholars from many disciplines to establish new ways of thinking about landscape in art **Ray Stanford Strong, West Coast Landscape Artist** Mark Humpal, 2017-12-14 Throughout his long and prolific career Ray Stanford Strong 1905 2006 strove to capture the essence of the western American landscape An accomplished painter who achieved national fame during the New Deal era Strong is best known for his depiction of landscapes in California and Oregon rendered in his signature plein air style This beautiful volume featuring more than 100 color and black and white illustrations is the first comprehensive exploration of Strong s life and artistry Through family papers archives photographs and a two year series of interviews conducted with the artist personally Mark Humpal traces Strong s journey from his childhood on an Oregon berry farm to his artistically formative years in New York and San Francisco After moving back to the West Coast Strong produced important works for the WPA executed major diorama projects for two world expositions helped organize the Santa Barbara Art Institute and served as teacher and mentor for a new generation of plein air artists But as Humpal emphasizes Strong distinguished himself by resisting the drumbeat of the avant garde During an era when many artists were experimenting with abstract expressionism Strong never relinquished his personal vision and adherence to a more traditional style With his outgoing personality he forged friendships and associations with such prominent artists as Frank Vincent DuMond Maynard Dixon Ansel Adams Frank Lloyd Wright and John Steinbeck Ultimately Strong had little concern for his place in the sweep of art history The proficiency he achieved through years of formal and informal study allowed him to craft a personal style difficult to categorize but unique and engaging By expanding our understanding and appreciation of Strong s artistic contributions this book offers a fitting tribute to one of America s finest landscape artists

Appreciating Physical Landscapes T.A. Hose ,2016-02-01 Geotourism as a form of sustainable geoheritage tourism was defined and developed from the early 1990s to contextualize modern approaches to geoconservation and physical landscape management However its roots lie in the late seventeenth century and the emergence of the Grand Tour and its domestic equivalents in the eighteenth century Its participants and numerous later travellers and tourists including geologists and artists purposefully explored wild landscapes as geotourists The written and visual records of their observations underpin the majority of papers within this volume these papers explore some significant geo historical themes organizations individuals and locations across three centuries opening with seventeenth century elite travellers and closing with modern landscape tourists Other papers examine the resources available to those geotourists and explore the geotourism paradigm The volume will be of particular interest to Earth scientists historians of science tourism specialists and general readers with an interest in landscape history **Landscape Meanings and Values** Edmund C. Penning-Roswell, David Lowenthal, 2022-03-14 First published in 1986 *Landscape Meanings and Values* presents a major contribution to the debate concerning the relationship between theory and practice in landscape analysis and planning It brings together a number of the most eminent researchers commentators and practitioners from both the United States of America and Britain to pursue the fundamental meanings and

values in landscape The insights into the theory behind landscape management will force a fundamental rethink of the role of landscape architect and land management Academic researchers will find the feedback from eminent practitioners a stimulation for more practical research The collection of ideas in the last chapter provides a unique synthesis of the need for an expansion of study into the fundamental significance of landscape today This book will be of value to students of geography environmental studies landscape architecture and land management Site, Sight, Insight John Dixon Hunt, 2016-03-07 Site Sight Insight presents twelve essays by John Dixon Hunt the leading theorist and historian of landscape architecture The collection's common theme is a focus on sites how we see them and what we derive from that looking Acknowledging that even the most modest landscape encounter has validity Hunt contends that the more one knows about a site and one's own sight of it an awareness of how one is seeing the greater the insight Employing the concepts tropes and rhetorical methods of literary analysis he addresses the problem of how to discuss understand and appreciate places that are experienced through all the senses over time and through space Hunt questions our intellectual and aesthetic understanding of gardens and designed landscapes and asks how these sites affect us emotionally Do gardens have meaning When we visit a fine garden or designed landscape we experience a unique work of great complexity in purpose which has been executed over a number of years a work that occasionally achieves beauty While direct experience is fundamental Hunt demonstrates how the ways in which gardens and landscapes are communicated in word and image can be equally important He returns frequently to a cluster of key sites and writings on which he has based much of his thinking about garden making and its role in landscape architecture the gardens of Rousham in Oxfordshire Thomas Whately's *Observations on Modern Gardening* 1770 William Gilpin's dialogues on Stowe 1747 Alexander Pope's meditation on genius loci the *Dessert de Retz* Paolo Burgi's Cardada and the designs by Bernard Lassus and Ian Hamilton Finlay **Insight Guides Great Breaks Norfolk & Suffolk** Insight Guides, 2018-01-02 Insight Great Breaks Guides pocket sized books to inspire your customers on foot exploration of the best of the British Isles Practical pocket sized packed with inspirational insider information and a focus on walking tour itineraries this is an ideal on the move companion Newly updated edition of Insight Great Breaks Norfolk Suffolk Innovative extra incredible value and unique in the market All Insight Great Breaks Guides come with a free eBook unlike comparable competitors products High production values smart compact format and full colour throughout Exciting opportunities for bespoke promotions please contact your Account Manager for details Content overview Features over 10 detailed walking tour itineraries Overview section features concise insider information covering landscape location history and culinary highlights Top Ten section takes readers to the heart of their destination Rainy Day recommendations give travellers plenty of options whatever the weather Invaluable itinerary maps and practical Travel Tips section ensure effortless exploration *Identity Landscapes* Ellyn Lyle, 2020-03-09 Beginning from the notion that self is constructed contributors in Identity Landscapes *Contemplating Place and the Construction of Self* are particularly interested in how relationships with place
