Language Disorders A Functional Approach To Assessment And Intervention

Patricia A. Prelock, Tiffany L. Hutchins

Language Disorders A Functional Approach To Assessment And Intervention:

Language Disorders Robert E. Owens, 2014 Taking a functional approach *Language Disorders 6 e* focuses on children's language problems from a holistic perspective Unlike other language disorders books it moves logically from assessment through intervention emphasizing universal techniques that work for all delays and disorders With over 1200 new references it provides a strong theoretical background and emphasizes evidence based practices This edition includes a new chapter on early communication intervention more on language analysis coverage of Specific Language Impairment and more on augmentative and alternative communication

Language Disorders Robert E. Owens, Jr, 2009 **Language Disorders** Robert E. Owens, Jr., 2022-09-15 Thoroughly updated to meet the needs of today's students in communication sciences and disorders programs *Language Disorders A Functional Approach to Assessment and Intervention in Children Seventh Edition* is a comprehensive overview of language disorders and clinical practice with a focus on the child's overall communication effectiveness Unlike other texts that have a disorder specific focus this book emphasizes a functional and holistic approach to assessment and intervention by shifting the perspective to how a child uses the language feature targeted and how assessment can consider language as it's used The author presents intervention methods in a system of least prompts followed by information on each area of language and literacy Generalization is foremost throughout the text Known for writing numerous bestselling textbooks related to speech language pathology the author approaches this complex subject in a practical matter while maintaining a conversational writing style that resonates with students Key Features Each chapter begins with a case example Information on children from culturally and linguistically diverse backgrounds is woven into each chapter Food for Thought boxes invite students to move beyond the text and consider the implications for assessment and intervention of the material Key terms are highlighted throughout and included in a handy glossary Numerous tables provide easy reference on the many techniques and norms Multiple appendices include additional practical information New to the Seventh Edition New and improved modern layout with color enhancements 600 new references highlighting the latest theoretical and evidence based practices Greater focus on discussions of assessment of children with culturally and linguistically diverse backgrounds New section on developmental language disorders DLD with new and more inclusive terms Increased emphasis on autism spectrum disorder ASD The chapters on language and narrative analysis have been strengthened and consolidated into one Increased number of figures and tables
