Language Literature And National Integration:

Language, Literature and National Integration G. K. Ghosh, 1995 **Language, Literature and Education in Multicultural Societies** Kenneth Harrow, Kizitus Mpoche, 2009-10-02 This book presents a vivid overview of linguistic literary and educational issues in a multicultural context from various perspectives These range from large scale surveys to specific analyses on aspects of language literature and education Contributions are very original and based on a common denominator Multiculturalism Despite the numerical dominance of contributions from Cameroon one of the most multilingual countries in the world this book brings together views from specialists in the different domains from several parts of the world Africa Europe and the United States of America These contributions exhibit not theoretical issues that underpin current academic debates in linguistic and literary research but also empirical and interesting data that can further be exploited to other ends Critical views on literature and postcolonialism the fears of language death with the advent of globalisation and the spread of English language the educational significance or influence of the internet the wealth of Cameroon African literature and the education of the Cameroonian African child and theoretical issues in language and literary education are themes handled here in an accessible manner to readers without previous knowledge of language science literature and education Language, Literature, and Identity Kizitus Mpoche, Tenu Mbuh, 2006 *Language, Literature, and the Dynamics of Conflict* Eunice Ngongkum, Hans Fonka, 2023-12-18 Informed by a global space animated by various conflicts this book brings a refreshing perspective on how the disciplines of literature and language engage this phenomenon In its shift from a purely political interrogation of conflict the volume provides a broad analytic canvas on which human behaviour in such contexts can be examined This is an ultimate invitation to a re visioning of socio cultural parameters of identity construction borders natural resources religion cultural values beliefs governance ideology and globalisation The book s varied perspective animated by a rich diversity of literary and linguistic approaches gives it an interdisciplinary emphasis that will appeal to readers across disciplines Its ultimate message is that conflict is not subject bound The liberal analysis of different aspects makes the volume an invaluable asset not only to literature and language scholars but also to everyone with inclinations towards conflict creation and management PHILOSOPHICAL AND SOCIOLOGICAL BASES OF EDUCATION, SECOND EDITION RAVI, S. SAMUEL, 2021-01-01 Education and philosophy go hand in hand It is through the power of knowledge our philosophers laid a foundation of educational theories and set a stepping stone for the modern day education system and educational institutions This book gives a comprehensive account of the fundamental theories laid by the philosophers and the society s role in shaping them up The special feature of the book is that it teaches and explains more than what an ordinary teacher does in a limited time It stresses on the understanding and practice of the concepts learnt rather than mere memorisation NEW TO THE SECOND EDITION Now the book comprises 40 chapters out of which 15 have been newly introduced and are tactically placed under the three units of the book Unit 1
