 Developers Kathleen Graves,1996-02-23 Teachers as Course Developers is a book about how language teachers themselves
 rather than curriculum specialists develop and implement their own courses It uses a unique case study approach featuring
 the stories of six teachers who successfully designed their own courses in different settings in Japan the U S and Latin
 America The book provides a framework for the processes of course development which any teacher can use in developing
 his or her own courses Each chapter highlights a different aspect of the framework based on the particular teacher s
 approach and examines how the teacher has utilized or departed from the framework in meeting the challenges of a
 particular situation Each narrative is followed by a set of tasks and discussion questions An annotated bibliography is also
 included Designing Tasks for the Communicative Classroom David Nunan,1989-03-09 This book integrates recent
