Laramie Holds the Range Frank H. Spearman, 2015-02-10 on the road to the fort and Reservation was two miles above. The horses climbed the long hill again and started on the road for the bridge. If the Double draw is out, sighed Belle resignedly, I reckon we're trapped. For the first time now they could hear the hoofs of the two teams sinking into and pulling out of mud. It grew deeper as they descended the long grade toward the bridge and clouds obscured the light of the stars.

Laramie Holds the Range Frank Spearman, 2015-09-15 All day the heavy train of sleepers had been climbing the long rise from the river, a monotonous stretch of treeless short grass plains reaching from the Missouri to the mountains. And now the train stopped again, almost noiselessly. Kate, with the impatience of girlish spirits tried by a long and tedious car journey, left

her Pullman window and its continuous one tone picture and walking forward was glad to find the vestibule open The porter meditating alone stood below at the car step looking ahead Kate joined him The stop had been made at a lonely tank for water No human habitation was anywhere in sight The sun had set For miles in every direction the seemingly level and open country spread around her She looked back to the darkening east that she was leaving behind It suggested nothing of interest beyond the vanishing perspective of a long track tangent Then to the north whence blew a cool and gentle wind but the landscape offered nothing attractive to her eyes its receding horizon told no new story Then she looked into the west
