**Starting to Unit Test** Erik Dietrich, 2014-05-23 Unit testing You ve heard the term Probably a lot You know you should

probably figure out how it works since everyone's always talking about it and a lot of companies require developers to know it. But you don't really know it and you're worried that you'll look uninformed if you cop to not knowing it. Well, relax. This book assumes you have absolutely no idea how it works and walks you through the practice from the very beginning. You'll learn the basics but more importantly you'll learn the business value, the path to walk not to get frustrated, what's testable and what isn't, and everything else that a practical unit testing newbie could possibly want to know. **The Texas Outlook**

,1926 *Mosby's Radiation Therapy Study Guide and Exam Review* Leia Levy,2010-11-22 Reinforce your understanding of radiation therapy and prepare for the Registry exam. Mosby's Radiation Therapy Study Guide and Exam Review is both a study companion for Principles and Practice of Radiation Therapy by Charles Washington and Dennis Leaver and a superior review for the certification exam offered by the American Registry for Radiologic Technology (ARRT). An easy-to-read format simplifies study by presenting information in concise bullets and tables. Over 1,000 review questions are included. Written by radiation therapy expert Leia Levy with contributions by other radiation therapy educators and clinicians, this study tool provides everything you need to prepare for the ARRT Radiation Therapy Certification Exam. This title includes additional digital media when purchased in print format. For this digital book edition, media content is not included. Over 1,000 multiple choice questions in Registry format are provided in the text, allowing you to both study and simulate the actual exam experience. Focus questions and key information in tables make it easy to find and remember information for the exam. Review exercises reinforce learning with a variety of question formats to fit different learning styles. Questions are organized by ARRT content categories and are available in study mode with immediate feedback after each question or in exam mode which simulates the test-taking experience in a timed environment with ARRT exam style questions. **This Year You Write**
