Freeway To Human Love:

Freeway to Human Love Paul Lachlan Peck,1982 *Love, Freedom, and Evil* Thaddeus J. Williams,2011-01-01 The defining premise of the Relational Free Will Defense is the claim that authentic love requires free will Many scholars including Gregory Boyd and Vincent Brummer champion this claim Best selling books such as Rob Bell's *Love Wins* echo that love cannot be forced manipulated or coerced It always leaves room for the other to decide The claim that love requires free will has even found expression in mainstream Hollywood films including *Frailty* *Bruce Almighty* and *The Adjustment Bureau* The analysis shows convincingly that the claim that authentic love requires free will does not meet the criteria of consistency compatibility with Scriptural sources and the demands of concrete encounter with problems of moral evil **Whispers of Love in a Tearful World** Nilayan Basu,2019-10-29 Enjoy vivid descriptions of nature and memories blended with imagination and imagery from the author's personal photo collections in this fanciful new short story collection Some say that whenever we see or hear something it is permanently etched in our brains Sometimes memories return to haunt us sometimes to amuse us and sometimes to make us laugh Sometimes what we see or hear appears in our dreams obscured and blended with other memories or fantasies Neuroscience is complex and the wonders of the human mind are amazing Nilayan Basu brings this concept to life in his new short story collection **Sex, Love, and Friendship** Alan Soble,Society for the Philosophy of Sex and Love,1997 This collection joins together sixty essays on the philosophy of love and sex Each was presented at a meeting of The Society for the Philosophy of Sex and Love held between 1977 and 1992 and later revised for this edition Topics addressed include ethical and political issues AIDS abortion homosexual rights and pornography conceptual matters the nature essence or definition of love friendship sexual desire and perversion the study of classical and historical figures Plato Aristotle Spinoza Kant and Kierkegaard and issues in feminist theory sexual objectification the social construction of female sexuality reproductive and marital arrangements Authors include Jerome Shaffer Sandra Harding Michael Ruse Richard Mohr Russell Vannoy Claudia Card M C Dillon Gene Fendt Steven Emmanuel T F Morris Timo Airaksinen and Sylvia Walsh The editor who is the author of *Pornography* 1986 *The Structure of Love* 1990 and *Sexual Investigations* 1996 has also contributed six pieces and an Introduction Breathe Only Love John M. Coles,2016-11-28 Have you found your pathway to being in God's presence There are many pathways but the main idea is for God to find us not for us to find him When he comes as you can imagine it is a wonderful wonderful experience However so many of us are unknowingly hiding if not running away from his presence Ours is truly a fearsome God when the only focus of our attentions is upon ourselves This book is just one of many paths to his presence and it starts in a place where many of us find ourselves in today's modern world stressed out From his many years of experience as a college psychotherapist John Coles explores his journey in hopes that it can aid others in their pathways to God's presence He explores the following The everyday challenges to living a life of love and thus a life with God The scriptures for using psychology to become like the lilies of the field The

difficulty in the decision for changing ones pattern of living The thought patterns needed to be adopted for a Christian and loving life The simple prayer solution that is shown in scripture and psychology The simple way to optimize the chances for God to make his presence felt The Human Face of Love Mary Rudge,2010-12-23 The island where you live whether a geographical or mental state which you might well hope will be your personal paradise is still an effect of the sea of humanity of which each of us is a part not apart Those featured in this book have come together through poetry readings in Alameda island in the San Francisco Bay and together present an impassioned collection of poems songs art journal excerpts and stories showing the human face of love Here is concern for mental health issues brain chemistry balance head injury emotional trauma genetics and social attitudes all that affects the human persona the psyche that makes human a humanity where each can better love and be loved **Freeway of Love** Hargrave & Associates,Jan Latiolais Hargrave,1998-10-30
