The Evolution of Electronic Dance Music Ewa Mazierska, Tony Rigg, Les Gillon, 2022-12-29 The Evolution of Electronic Dance Music establishes EDM's place on the map of popular music. The book accounts for various ambiguities, variations, transformations, and manifestations of EDM pertaining to its generic fragmentation, large geographical spread, modes of consumption, and changes in technology. It focuses especially on its current state, its future, and its borders between EDM and other forms of electronic music, as well as other forms of popular music. It accounts for the rise of EDM in places that are overlooked by the existing literature, such as Russia and Eastern Europe, and examines the multi-media and visual aspects, such as the way EDM events, music, are staged, and the specificity of EDM music videos. Divided into four parts: concepts, technology, celebrity, and consumption, this book takes a holistic look at the many sides of EDM culture.

The Country Cooking of France Anne Willan, 2007-09-06 This beautiful book is proof that there is always something more to learn about the cuisine of France, even for a French-trained professional chef. Jacques P. pin chef, James Beard Foundation Award-winning cookbook author, and Emmy Award-winning public television cooking series host, Renowned for her cooking school in France and her many best-selling cookbooks, Anne Willan combines years of hands-on experience with extensive research to create a brand-new classic. More than 250 recipes range from the time-honored La Truffade with its crispy potatoes and melted cheese to the Languedoc specialty Cassoulet de Toulouse, a bean casserole of duck confit, sausage, and lamb. And the desserts: Crêpes au Caramel et Beurre Salé, crêpes with a luscious caramel filling, and Galette Landaise, a rustic apple tart, are magnifique. Sprinkled with intriguing historical tidbits and filled with more than 270 enchanting photos of food markets, villages, harbors, fields, and country kitchens, this cookbook is an irresistible celebration of French culinary culture.

Touch Tiffany Field, 2001 An essay on the importance of touch to children's growth and development and to the physical and mental well-being of people of all ages. The first sensory input in life comes from the sense of touch while a baby is still in the womb, and touch continues to be the primary means of learning about the world throughout infancy, well into childhood. Touch is critical for children's growth, development, and health, as well as for adults' physical and mental well-being. Yet American society

claims Tiffany Field is dangerously touch deprived Field a leading authority on touch and touch therapy begins this accessible book with an overview of the sociology and anthropology of touching and the basic psychophysical properties of touch She then reports recent research results on the value of touch therapies such as massage therapy for various conditions including asthma cancer autism and eating disorders She emphasizes the need for a change in societal attitudes toward touching particularly among those who work with children **The Americas** Kimberly J. Morse, 2022-08-23 This two volume encyclopedia profiles the contemporary culture and society of every country in the Americas from Canada and the United States to the islands of the Caribbean and the many countries of Latin America From delicacies to dances this encyclopedia introduces readers to cultures and customs of all of the countries of the Americas explaining what makes each country unique while also demonstrating what ties the cultures and peoples together The Americas profiles the 40 nations and territories that make up North America Central America the Caribbean and South America including British U S Dutch and French territories Each country profile takes an in depth look at such contemporary topics as religion lifestyle and leisure cuisine gender roles dress festivals music visual arts and architecture among many others while also providing contextual information on history politics and economics Readers will be able to draw cross cultural comparisons such as between gender roles in Mexico and those in Brazil Coverage on every country in the region provides readers with a useful compendium of cultural information ideal for anyone interested in geography social studies global studies and anthropology

Kylie Minogue Stephen O'Neill, Maria Pramaggiore, 2024-11-14 This pioneering study provides a critical appraisal of pop star Kylie Minogue It argues that a study of this mononymous global pop icon and celebrity as Kylie she takes her place alongside Cher Madonna and Beyonc in the pop pantheon is long overdue Written by academics music practitioners and fans this book argues that Minogue s persona performances and reception provide new critical insights into contemporary pop music culture digital media and celebrity It further argues that dismissals of Kylie underestimate her accomplishments as a pop artist and singer songwriter and undermine fans of pop music who form deep affective bonds with performers songs and albums Contributors draw on current perspectives in pop music studies feminism celebrity studies fandom and queer studies a range revealing that to interpret Kylie is to engage compelling cultural frameworks Across four parts Pop Girlhood Global Kylie Dance Music and Queer and Online Fandoms the book demonstrates how Minogue herself makes important interventions into contemporary popular culture with her career providing a micro history of pop music its myriad cultural meanings and its fan practices With this collection Kylie Minogue studies has arrived **From Old Quebec to La Belle Province** Nicole Neatby, 2018-11-30 Tourism promoters strive to brand their destinations in anticipation of what they think travellers hope to experience In turn travel writers react in part to destinations in line with their expectations While several scholars have documented such patterns elsewhere these have remained understudied in the case of Quebec despite the frequency with which the province was branded and rebranded and its status as a major North American travel destination in

the decades leading up to Expo 67 The first comprehensive history of Quebec tourism promotion and travel writing From Old Quebec to La Belle Province details changing marketing strategies and shows how these efforts consistently mirrored and strengthened French Quebec s evolving national identity Nicole Neatby also takes into account the contentious role of English speaking promoters in Montreal belying the view that Quebec was unvaryingly represented and appreciated for being old Taking a comparative approach Neatby draws on books and a wide array of newspapers popular and specialized magazines and written and visual sources from outside the tourist genre to reveal how the distinct national and cultural identities of English Canadians Americans and French Quebecers profoundly shaped their expectations and reactions to the province From Old Quebec to La Belle Province traces and explains shifting promotional priorities for tourism and travel writers varying reactions over the course of four decades and how these attitudes harmonized with evolving national identities

Staging the War Albert Wertheim,2004-03-16 What happened in American drama in the years between the Depression and the conclusion of World War II How did war make its impact on the theatre More important how was drama used during the war years to shape American beliefs and actions Albert Wertheim s *Staging the War* brings to light the important role played by the drama during what might arguably be called the most important decade in American history As much of the country experienced the dislocation of military service and work in war industries the dramatic arts registered the enormous changes to the boundaries of social classes ethnicities and gender roles In research ranging over more than 150 plays Wertheim discusses some of the well known works of the period including *The Time of Your Life* *Our Town* *Watch on the Rhine* and *All My Sons* But he also uncovers little known and largely unpublished plays for the stage and radio by such future luminaries as Arthur Miller and Frank Loesser including those written at the behest of the U S government or as U S O musicals The American son of refugees who escaped the Third Reich in 1937 Wertheim gives life to this vital period in American history

Daft Punk and the Legacy Album Sébastien Lebray,2025-05-15 While much has been said about the nostalgia and historic references of Daft Punk s final album *Random Access Memories* this book reveals its ambition and future focus and claims these aspects do not necessarily contradict *Random Access Memories* will remain the very last Daft Punk album Often understood as an expression of nostalgia towards the music of the 1970s 1980s this work should not be reduced to a simple tribute to the masters of disco Beyond their retro airs their interest in old studios and their preference for analogue equipment Daft Punk invent new creative approaches in the continuity of the history of electronic music leaving more room for humanity and collective performance The band claims audacity and ambition in a way that is reminiscent of the spirit more than in the style of 1970s progressive rock with characteristics such as the expansion of the instrumentarium experimentation in the recording studio and the development of structures Concerned with opening up new ways without giving in to a technician headlong rush *Random Access Memories* appears to be a work of its era much more than a pastiche of the past

Encyclopedia of Video Games Mark J. P. Wolf,2012-08-16 This encyclopedia collects and organizes

Gérôme Guibert, Catherine Rudent, 2017-11-06 *Made in France* Studies in Popular Music serves as a comprehensive introduction to the history sociology and musicology of contemporary French popular music The volume consists of essays by scholars of French popular music and covers the major figures styles and social contexts of pop music in France The book first presents a general description of the history and background of popular music in France followed by essays that are organized into thematic sections The Mutations of French Popular Music During the Trente Glorieuses Politicising Popular Music Assimilation Appropriation French Specificity and From Digital Stakes to Cultural Heritage French Contemporary Topics Contributors Christian B thune Juliette Dalbavie G r me Guibert Fabien Hein Olivier Julien Marc Kaiser Barbara Lebrun David Looseley St phanie Molinero Anne Petiau C ile Pr vost Thomas Vincent Rouz Catherine Rudent Matthieu Saladin Jedediah Sklower Rapha l Suire Florence Tamagne Fixing the Euro Within the National Constitutional Guardrails

Frederik Behre, 2023-07-14 EU fiscal integration is indispensable to establishing a stable single currency in the long run However this integration is proving ever more difficult in light of increasing national constitutional opposition The author of this groundbreaking book shows that this dilemma between EU fiscal integration and national constitutional limits can be refuted He provides a structured comparative overview and outlook on how the available national constitutional space can be adapted to the political aspirations aiming at implementing EU fiscal integration steps while at the same time effectively protecting the national constitutional values at stake Beginning with a macro comparative assessment of Finland and Germany two countries which have comprehensively dealt with Eurocrisis issues in largely contrasting constitutional ways and continuing with a comparative assessment of the specific French German Polish and Spanish constitutional identity limits EU fiscal integration steps are tested against the charted national constitutional space to determine their attainability The resulting overview identifies best practices that can be employed to locate constitutional space for EU fiscal integration while enhancing the protection of core constitutional principles The analysis addresses such specific areas as the following constitutional red line limits vs flexible or mutable constitutional approaches to EU fiscal integration strict constitutional identity limits that formulate obstacles to the attainment of EU fiscal integration how national constitutional authorities perceive and portray the EU in their respective approaches integration measures as an increase in the impact of sovereign powers vs loss of autonomous decision making application of national constitutional frameworks during the Eurocrisis ex ante constitutional review and ex post judicial scrutiny in representative Member States national budgetary responsibility and fiscal autonomy emergency budgetary instruments and funding options for fiscal integration The analysis throughout highlights the important role EU integration plays in stabilizing core national constitutional values in light of such complex

challenges as the COVID 19 pandemic the current Russian war of aggression against Ukraine and the required common defence strategies but also climate change and digitalization In its innovative response to the urgent challenge of feasible EMU reforms to stabilize the euro this book displays how national constitutional systems can address EU fiscal integration in a more flexible and yet more effective manner how EU integration steps can engage with national constitutional concerns in a more structured manner as well as specifically how national parliaments can be integrated and play a decisive role even when budgetary and fiscal powers are conferred at the EU level thereby identifying a future model for EU cooperation in politically important competence areas It thus offers a constructive outlook on achievable fiscal integration steps which will prove of inestimable value to lawyers judges and policymakers at the national and EU levels **Heinemann English**

Dictionary Martin Manser, 2001 This dictionary uses clear straightforward definitions making it easy to use by students of all abilities It explains language and grammar points clearly to develop students skills *Cadillac V-16s Lost and Found*

Christopher W. Cummings, 2014-02-12 For eleven years prior to World War II Cadillac defied the norms of practicality and produced an extravagant supercar a 16 cylinder luxury automobile that could be tailored to the customer's every want Big thirsty and lavish it cemented Cadillac's place in the top tier of motoring magnificence Each of the cars has its own colorful and fascinating story to tell Driven by a life long love of the V 16 and an interest in the history of his own car the author has assembled more than 65 of these tales gleaned from interviews books periodicals and documents into a liberally illustrated book Each story is shaped by the people a particular car touched and the events they lived through together All are an important part of our automotive and cultural history [The Lore of the Playground](#) Steve Roud, 2010-10-31 From conkers to marbles from British Bulldog to tag not forgetting one potato two potato and eeny meeny miny mo The Lore of the

Playground looks at the games children have enjoyed the rhymes they have chanted and the rituals and traditions they have observed over the past hundred years and more Each generation it emerges has had its own favourites hoops and tops in the 1930s clapping games more recently Some pastimes such as skipping have proved remarkably resilient their complicated rules carefully handed down from one class to the next Many are now the stuff of distant memory And some traditions have proved to be strongly regional loved by children in one part of the country unknown to those elsewhere All are brilliantly and meticulously recorded by Steve Roud who has drawn on interviews with hundreds of people aged from 8 to 80 to create a fascinating picture of all our childhoods **Intercultural Alternatives** Maribel Blasco, Jan Gustafsson, 2004 This book offers

a selection of alternative approaches to the question of interculturality written from a range of theoretical perspectives including hermeneutics phenomenology semiotics dialogic philosophy and social constructivism It is intended as a source of critical ways of thinking and theorising about interculturality rather than as a quick fix guide to getting around problems that can arise in intercultural encounters
