*French-English Bilingual Visual Dictionary* DK, 2017-04-18 This is the perfect pocket reference for those learning French

and you'll want to make sure it's packed when you next go on your travels. With over 6 000 fully illustrated terms arranged by theme, getting to grips with the French language has never been easier. Whether you're traveling for business or leisure, buying food or train tickets, discussing work or tourism, you'll gain confidence in your new language skills with a bilingual visual dictionary by your side. Photographs and comprehensive indexes combine to make finding the word you need a quick and easy task. The French English Bilingual Visual Dictionary also features an easy-to-use free audio app available on the App Store and Google Play, enabling you to hear terms spoken out loud. Learn and retain all the key phrases and words you need to know and perfect your pronunciation. DK's bilingual visual dictionaries are truly bilingual: every section is written side by side in both languages, right from the contents to the index, meaning that this dictionary is easy to use for native speakers and learners alike. Whether you're studying a new language in the classroom or practicing on your travels, choose a DK bilingual visual dictionary to be part of your essential kit.

**The Oxford Starter French Dictionary** Marie-Hélène Corrèard, Mary O'Neill, 1997

About the Oxford Starter Dictionaries: Oxford's new Starter range of dictionaries breaks fresh ground in language learning, providing essential information in a completely unique way. Specially designed for beginners, these essential volumes are not merely scaled-down versions of larger dictionaries. Every effort has been made to approach foreign languages from the point of view of the beginning student who may be unfamiliar with the conventions of the more traditional bilingual dictionary, which presupposes a basic knowledge of the foreign language. Each dictionary contains approximately 20 000 words covering everyday vocabulary and core survival phrases. From irregular verb forms to common idiomatic usage, the Oxford Starter Dictionaries provide generous coverage of those aspects of the foreign language which are less easy to decode for English speakers. These innovative teaching tools are unparalleled as accessible and user-friendly introductions to foreign languages. Each Starter dictionary provides Maximum Guidance. The English foreign language side provides the user going into the foreign language with maximum guidance, offering detailed coverage of essential grammar, clear signposts to the correct translation for a particular context, and a wide selection of example material. The foreign language English side is designed to capitalize on what English speakers know about their own language. Irregular verbs, adjectives, and plurals are all featured in the wordlist. Correct Grammar and Usage: Points of basic grammar are reinforced using the sign, and colloquial usage is marked for both English and the foreign language. More complex grammatical issues are dealt with in short notes at appropriate points in the text or in the more detailed boxed grammar notes. No Abbreviations: The only abbreviations the user will find are those which are entirely self-explanatory as headwords in the wordlist. Parts of speech, gender labels, regional markers, and grammatical terms are all given in full, with a glossary providing explanations and examples of different parts of speech in use. The Best Translation: The language used in examples is carefully chosen to guide the learner to the correct translation. The wordlist and the clear, lively examples are drawn from English and the foreign language as it is currently used. Accessibility and Clarity: Each dictionary page is refreshingly uncluttered. The move from one

language to another is explicitly indicated using signs Thematic Boxes Thematic boxes are provided containing the vocabulary relevant to areas such as days of the month games and sports and talking about time Symbols Colloquial usage is clearly indicated by means of symbols which are explained at regular intervals at the bottom of the page

**French-English Bilingual Visual Dictionary** DK,2017-04-18 This is the perfect pocket reference for those learning French and you ll want to make sure it s packed when you next go on your travels With over 6 000 fully illustrated terms arranged by theme getting to grips with the French language has never been easier Whether you re traveling for business or leisure buying food or train tickets discussing work or tourism you ll gain confidence in your new language skills with a bilingual visual dictionary by your side Photographs and comprehensive indexes combine to make finding the word you need a quick and easy task The French English Bilingual Visual Dictionary also features an easy to use free audio app available on the App Store and Google Play enabling you to hear terms spoken out loud Learn and retain all the key phrases and words you need to know and perfect your pronunciation DK s bilingual visual dictionaries are truly bilingual every section is written side by side in both languages right from the contents to the index meaning that this dictionary is easy to use for native speakers and learners alike Whether you re studying a new language in the classroom or practicing on your travels choose a DK bilingual visual dictionary to be part of your essential kit
