rubber duck     *The Book of Beautiful Feelings* Jenay Zapparelli, 2021-06-13 Originally stirred up around 2013 on scrap paper juice stained journals Author Message This book finally came to fruition in 2016 after a raucous ride I am pleased to say it was my very first book It is different from the rest of my books because it dawned only when I was just beginning to feel like it was safe enough to shine I just came off the streets of Philadelphia like a cat managed to land on my feet somehow It contains a rather distinct version of the most harrowing part of my life story not for the faint of heart However the pages thereafter are a delightful peruse down the endless isles of imagination leading to all the many ways that ANYONE can heal their demons if you just invite them in for a little sweet tea It is dedicated to all the underdogs of our culture that deserve to now WIN all those who suffer or struggle d with abuse addiction or incarceration their families Essentially this is a guide facilitating the art of holistic recovery via MANUALLY reintroducing the feel good chemicals back into an otherwise special needs brain ravaged by drug or alcohol abuse the like Not to mention FEELING GOOD is how we maintain freedom Deliberately CHOOSING to feel good is the modus operandi of a MASTER MANIFESTOR Gain this skill just by reading Fortified with over 100 colorful images this book is like a cool magazine from cover to cover Looking for ways to become more mindful Look no further All it takes is to be grateful within the details of the moment If you decide to go forth unto the many beautiful pages beautiful feelings that are captured within this book you will see how mindfulness comes naturally It s simple It s easy Words are wands Thoughts become things If you do not have the beautiful feeling faucet flowing by the end of this book you just might be dead inside BookonFire Press InLoveWeTrust     *The Perfect Way* Osho, 2017-12-12 The book you hold in your hand or you are just ordering from an online store is a unique book It is the first book by the contemporary mystic Osho At the beginning of his public life Osho who is at that time a professor of philosophy at Jabalpur University introduces people to a new and unique understanding of meditation during experiential meditation camps He speaks to the participants and responds to questions This book is the first published records of Osho s first meditation camp in Rajasthan India In fifteen small chapters he gives a condensed presentation of his understanding of meditation which he then elaborates in many more talks and publications but the essential message is already available in this book Osho speaks to the individual not to a collective not the abstract collective of humanity or a collective defined by religion or nationality or race but to individuals as the core element of existence We used one of his opening comments as a longer quote on the front cover of the book as it seem so important The individual is the unit of the whole and it is through him that both evolution and revolution can take place You are that unit Osho mentions this book on several occasions in his later talks When the second prime minister of India traveled to Russia a copy of *The Perfect Way* was with him And when someone in contact with Osho at the age of ninety stumbled upon *The Perfect Way* he commented All my learning of the scriptures was futile only this small book is enough In *The Perfect Way* the reader meets a human being who knows but who also knows how to convey what he knows His genius in full flight he points us as far as one can with words toward the inner world of the self toward the zone of

SURYANARAYANA RAJU,2012-02-09 Self inquiry does not demand any faith nor does it depend on any system of thought or belief It demands integrated awareness and right effort which dissolve self centred illusions limitations and thus bring about the revelation of blissful reality If you really want to help others you must discern your own limitation We must note that self inquiry is not a theology A man protecting himself constantly through such knowledge is obviously not a truth seeker When you want to find something new the mind must be quiet If the mind is crowded filled with the facts and borrowed knowledge they act as the impediment to the new The difficulty for most of us is that the mind i e thought has become so important so

predominantly significant that it interferes constantly with anything that may be new with anything that may exist simultaneously with the known Thus borrowed knowledge and learning are impediments for those who would seek for those who would try to understand that which is beyond thought     *The Alpha and Omega of self-inquiry*. P.V.S.

SURYANARAYANA RAJU,2012-05-21 Self inquiry is the process of uncovering the reality which is clouded by thoughts We cannot investigate into the Self Self is oneness and a unitary whole The ignorant mind cannot investigate into the Self It is enough if we set aside the ignorant mind so that Self is uncovered Self inquiry is not a search for truth The search for truth is merely a fulfillment of belief Self inquiry is the process of understanding how thought works and nature of thinker It explores what the thinker is and his thoughts Without understanding this self isolation process which we commonly call the thinker or ego Merely caught to be in a dogma is not the uncovering beauty of Self which is life existence truth     **Soar** Kenny

Luck,2010-10-05 Discover the thrilling freedom of living in God's power Jesus disciples were worried because soon He would be gone How would they find the strength to live faithfully for their Master Men today face the same dilemma and have access to the same answer Spiritual power comes through the Holy Spirit Yet for many the gift of the Holy Spirit remains misunderstood under appreciated and under utilized Soar reveals the Holy Spirit afresh for the modern Christian man Men's pastor and church leader Kenny Luck says that the time is ripe for a movement showing the world the supernatural power of God because men are saying yes to the Holy Spirit Opening their lives to His work inside of them Actively pursuing and partnering with the Holy Spirit Releasing powerfully the ministry of the Holy Spirit to a waiting world Soar offers a breakthrough encounter with the person and purpose of the Holy Spirit for men weary of bland faith and hungry for gravity defying freedom that will empower a global advance of the cause of Christ Isn't it time for you to SOAR in the power of God Includes a study guide for individual use and small group discussion     *A Maiden of Our Own Day* Florence Wilford,1862

*The Churchman's companion* ,1860     **Drawing as a Sacred Activity** Heather Williams,2010-11-30 In the tradition of such successful books on creativity as *Drawing on the Right Side of the Brain* and *The Artist's Way* artist and teacher Heather Williams presents a step by step approach to personal development and artistic satisfaction Many people including Heather Williams were never encouraged to embrace their creative side and this shutting down of part of their inner life can create conflict This book is an invitation into each person's creative instincts and is designed to lead gently toward developing both artistic and spiritual qualities The book is divided into three sections Pencils Crayons and Ink Intuition drawing on the intuitive wisdom within yourself This book is not intended to make everyone a commercial artist but it will help readers to see and be in their world more fully     **The Source of Silence** Sirshree,2020-12-24 The Source of Silence Most people engage in worldly pursuits in their attempt to feel completeness But they continue to feel a void within They wonder what that ultimate state could be where one experiences total freedom and fulfillment Some others pursue various spiritual practices in this quest but experience only momentary peace They long to experience it permanently This book

provides the roadmap for both It guides you step by step towards discovering the supreme state of Silence within you It charts the journey from worldly illusion to the Silence within from false happiness to true eternal bliss from a lower level to the highest level of consciousness Embark on this ultimate journey of discovering who you truly are Experience and abide in the Source of Silence after which nothing more needs to be known or attained      **Broken Silence** Douglas Moore Jr, 2012-06-11 Doug's third book of poetry Broken Silence is his trilogy of poetry in which he returns to his roots of what inspired him to write This collection of poems focuses on romance heartbreak family motivation and dealing with the struggles that a person may encounter in life The poems convey his feelings about how important loved ones are with the dedication poem to his mother First Lady The poem In Memory of You was written for his Grandmother he lost to cancer Doug discusses the joys of love and finding that connection with a person in his heartfelt poems Notice You and Falling For You He also addresses the pain of losing a relationship in his poems I Remember When and Off The Market where sometimes putting your heart on the line does not guarantee a person will end up with the result that was being sought out In addition his poem U G L Y inspires people that no matter what the opinion others may have of a person there is strength to overcome any insecurity to find the path of secure inner happiness The poem In My World addresses the struggles and pains that he views others dealing with in terms of unemployment and how it is affecting the world Doug's purpose in writing this book is to share his thoughts in a poetic form so others can see that no one is ever alone in feeling like the only outcast in the world We are all unique in our own special way and live every day as you are painting the world with your vision for everyone to see Broken Silence will stimulate a person's mind and show that most valuable things in life primarily come from within and understanding others      **A Flight of Delight** Jyotikar K PATTNI, 2006-05-01 A Flight of Delight is a work of experiential philosophical text that contemplates the nature of such subtle topics as Karmic evolution Divine Cosmic Truth and the relationship between Divinity and Humankind Utilising an expressive narrative approach that places emphasis on description and aesthetics finely the author has endeavoured to render a thought provoking analysis in a prose poetic style The fine text touches the core concepts of theology that look at life as a freely flowing channel of energies in profound human experiences One of the central ideas of the work is the difference between institutional religion and experiential philosophy with the conceptual emphasis leaning toward the latter Fear destroys true faith Institutional religion is constrictive that remains fixated on rules systems and political bureaucracies A profound human spiritualism on the other hand suggests a cyclical direction of energy that flows without fear suppression oppression exploitation manipulation and falsity Realising and understanding compassion and love is much more important and significant than following set of doctrines in conflict This is attainable in spiritual evolution a self discovery in profound experiences without the confines of specific creed cast or race The discourse includes detailed explorations of different types of Vedic yoga s mantras and consciousness The emphasis placed on the pursuit of divine wisdom and divinity incorporates all of these elements to form a comprehensive insight of

profound experience for the inner well ness and peace The reader of A Flight of Delight may also benefit from the organised structure afforded to the text The detailed explanation of the experiential theories familiarises the reader with carefully distilled notions of spiritualism and divinity Here is an extra ordinary work of self healing texts from a very special person who has journeyed through adversities himself The lyrics of this book are particularly special because the author writes from the depth of his heart to express in the profoundest sense the relevance of the ancient Vedic Wisdom to the hectic modern world The mind enriching lyrics bring to us a re awakening of beautiful divinity filled with solace hope and compassionate love Life oh life Let it be a flight of delight      **The Woman's Secret of a Happy Life for Morning & Evening** Donna K.
