Where No Black Woman Has Gone Before Diana Adesola Mafe, 2018-03-01 A look at African American women in science fiction fantasy and horror A compelling contribution to the scholarship on speculative cinema and television Journal of American Culture When Lieutenant Uhura took her place on the bridge of the Starship Enterprise on Star Trek the actress Nichelle Nichols went where no African American woman had ever gone before Yet several decades passed before many other black women began playing significant roles in speculative i e science fiction fantasy and horror film and television a troubling omission given that these genres offer significant opportunities for reinventing social constructs such as race gender and class Challenging cinema's history of stereotyping or erasing black women onscreen Where No Black Woman Has Gone Before showcases twenty first century examples that portray them as central figures of action and agency Writing for fans as well as scholars Diana Adesola Mafe looks at representations of black womanhood and girlhood in American and British speculative film and television including 28 Days Later AVP Alien vs Predator Children of Men Beasts of the Southern Wild Firefly and Doctor Who Series 3 Each of these has a subversive black female character in its main cast and Mafe draws on critical race postcolonial and gender theories to explore each film and show placing the black female characters at the center of the analysis and demonstrating their agency The first full study of black female characters in speculative film and television Where No Black Woman Has Gone Before shows why heroines such as Lex in AVP and Zo in Firefly are inspiring a generation of fans just as Uhura did

**Trauma in First Person** Amos Goldberg, 2017-11-20 An examination of what can be learned by looking at the journals and diaries of Jews living during the Holocaust What are the effects of radical oppression on the human psyche What happens to the inner self of the powerless and traumatized victim especially during times of widespread horror In this bold and deeply penetrating book Amos Goldberg addresses diary writing by Jews under Nazi persecution Throughout Europe in towns villages ghettos forests hideouts concentration and labor camps and even in extermination camps Jews of all ages and of all cultural backgrounds described in writing what befell them Goldberg claims that diary and memoir writing was perhaps the most important literary genre for Jews during World War II Goldberg considers the act of writing in radical situations as he looks at diaries from little known victims as well as from brilliant diarists such as Chaim Kaplan and Victor Klemperer Goldberg contends that only against the background of powerlessness and inner destruction can Jewish responses and resistance during the Holocaust gain their proper meaning This is a book that deserves to be read well beyond Holocaust studies Goldberg's theoretical insights into life stories and his readings of law language and what he calls the epistemological grey zone provide a stunning antidote to our

unthinking treatment of survivors as celebrities as opposed to just people who have suffered terrible things and to the ubiquity of commemorative platitudes Times Higher Education Every decade or so an exceptional volume is born Provocative and inspiring historian Goldberg s volume is one such work in the field of Holocaust studies Highly recommended Choice Amos Goldberg s Trauma in First Person Diary Writing During the Holocaust is an important and thought provoking book not only on reading Holocaust diaries but also on what that reading can tell us about the extent of the destruction committed against Jews during the Holocaust Reading Religion Amos Goldberg s work offers an innovative approach to the subject matter of Holocaust diaries and challenges well established views in the whole field of Holocaust studies This is a comprehensive discussion of the phenomenon of Jewish diary writing during the Holocaust and after Guy Miron Author of The Waning of Emancipation Jewish History Memory and the Rise of Fascism in Germany France and Hungary This is an important contribution to trauma studies and a powerful critique of those who use the crisis paradigm to study the Holocaust Dovile Budryt Georgia Gwinnett College Holocaust and Genocide Studies

**Documentation, Disappearance and the Representation of Live Performance** M. Reason, 2006-09-22 The documentation of practice is one of the principle concerns of performance studies Focusing on contemporary performance practice and with emphasis on the transformative impact of video photography and writing this book explores the ideological practical and representational implications of knowing performance through its documentations Picturing Thoreau Mark W. Sullivan, 2015-01-14 As we approach the bicentennial in 2017 of the birth of Henry David Thoreau there is considerable debate and confusion as to what he may or may not have contributed to American life and culture Almost every American has heard of Thoreau but only a few are aware that he was deeply engaged with most of the important issues of his day from slavery to Manifest Destiny and the rights of the individual in a democratic society Many of these issues are still affecting us today as we move toward the second quarter of the twenty first century By studying how various American artists have chosen to portray Thoreau over the years since the publication of Walden in 1854 we can gain a clear understanding of how he has been interpreted or misinterpreted throughout the years since his death in 1862 But along the way we might also find something useful for our times in the insights that Thoreau gained as he wrestled with the most urgent problems being experienced by American society in his day

**Teaching and Researching Writing** Ken Hyland, 2015-11-19 This third edition of Teaching and Researching Writing continues to build upon the previous editions work of providing educators and practitioners in applied linguistics with a clearly written and complete guide to writing research and teaching The text explores both theoretical and conceptual questions grapples with key issues in the field today and demonstrates the dynamic relationship between research and teaching methods and practice This revised third edition has been reorganized to incorporate new topics including discussions of technology identity and error correction as well as new chapters to address the innovative directions the field has taken since the previous edition s publication Boxes throughout including Concepts and Quotes help to both reinforce

readers understanding of the topics covered by highlighting key ideas and figures in the field while the updated glossary and resource sections allow readers to further investigate areas of interest This updated edition of Teaching and Researching Writing is the ideal resource for language teachers practitioners and researchers to better understand and apply writing research theories methods and practices

*The Cinema of Mamoru Oshii* Dani Cavallaro, 2014-06-26 Today's animation is much more than kids stuff Increasingly complex subject matter has produced a corresponding increase in artistic interest and forms once specific to certain cultures have crossed borders to enjoy international popularity Japanese animation has been particularly successful in the United States and among the most celebrated Japanese animation artists is director Mamoru Oshii This book is an analytical survey of Oshii's cinematic works from the early years of his career through his 21st century productions including *Beautiful Dreamer* and the acclaimed *Ghost in the Shell* The author examines these and other Oshii productions in relation to the Carnavalesque movement technopolitics and the director's post robotic vision Oshii's films are particularly significant in their defiance of the premises of Western animation and their presentation of a highly personal commentary on both individual and collective identities in the 20th and 21st centuries Special emphasis is placed on Oshii's revolutionary film techniques including the stylistically and thematically diverse features of productions ranging from animation to live action to Original Video Animation OVA a format Oshii invented A complete filmography is included

**Memories of the Classical Underworld in Irish and Caribbean Literature** Madeleine Scherer, 2021-09-20 *Classical Memories* is an intervention into the field of adaptation studies taking the example of classical reception to show that adaptation is a process that can be driven by and produce intertextual memories I see classical memories as a memory driven type of adaptation that draws on and reproduces schematic and otherwise decontextualised conceptions of antiquity and its cultural exports in broadly speaking the twentieth and twenty first centuries These memory driven adaptations differ often in significant ways from more traditional adaptations that seek to either continue or deconstruct a long running tradition that can be traced back to antiquity as well as its canonical points of reception in later ages When investigating such a popular and widespread set of narratives characters and images like those that remain of Graeco Roman antiquity terms like adaptation and reception could and should be nuanced further to allow us to understand the complex interactions between modern works and classical antiquity in more detail particularly when it pertains to postcolonial or post digital classical reception In *Classical Memories* I propose that understanding certain types of adaptations as intertextual memories allows us to do just that

**The Rhetoric of the Page** Laurie Maguire, 2020-11-03 This wide ranging and entertaining book explores blank space from incunabula to Google books Blanks are a paradox simultaneously nothing and something gesturing to what was once there or might be there They are also a

creative opportunity for readers as well as writers readers respond to what is not there and writers come to anticipate that response Thus blank space develops literary and ludic applications Each chapter focuses on one typographical form of what is not there on the page physical gaps Chapter One marks of incompleteness such as c Chapter Two and the asterisk as a stand in for things that cannot be said Chapter Three By looking at the early modern page as a visual unit as well as a verbal unit this volume shows how the relationship between textual layout and textual content is as productive for writers as it is for readers Mise en page influences readers in the same way that rhetoric influences readers It is thus possible to speak of the rhetoric of the page

**Fashioning the City** Agnès

Rocamora, 2009-04-30 While much attention has been paid to the making of Paris in the work of writers and artists little is known about the city as defined and created by the fashion media Filling this gap in studies of the French capital this original and illuminating book focuses on how the French fashion press with its rich conjunction of words and images has been able to construct Paris as a leading world fashion city Based in an original analysis of fashion writing and images in contemporary French fashion magazines and newspapers the book shows how the fashion media have been central to the consecration of the city of Paris on the fashion map as well as its celebration in the collective imaginary Agnès Rocamora explores for example the figures of la Parisienne and la passante the female passer by and the presence of the Eiffel tower in fashion visuals She gives attention to the continuum between the French journalistic discourse and that of cultural forms such as films paintings and literature thus revealing the persistence across texts and time of visions of Paris and shedding light on the production and reproduction of the Paris myth

**The Oxford History of Life-Writing: Volume 1. The Middle Ages**

Karen A. Winstead, 2018-04-05 The Oxford History of Life Writing Volume 1 The Middle Ages explores the richness and variety of life writing from late Antiquity to the threshold of the Renaissance During the Middle Ages writers from Bede to Chaucer were thinking about life and experimenting with ways to translate lives their own and others into literature Their subjects included career religious saints celebrities visionaries pilgrims princes philosophers poets and even a few ordinary people They relay life stories not only in chronological narratives but also in debates dialogues visions and letters Many medieval biographers relied on the reader's trust in their authority but some espoused standards of evidence that seem distinctly modern drawing on reliable written sources interviewing eyewitnesses and cross checking their facts wherever possible Others still professed allegiance to evidence but nonetheless freely embellished and invented not only events and dialogue but the sources to support them The first book devoted to life writing in medieval England The Oxford History of Life Writing Volume 1 The Middle Ages covers major life stories in Old and Middle English Latin and French along with such Continental classics as the letters of Abelard and Heloise and the autobiographical Vision of Christine de Pizan In addition to the life stories of historical figures it treats accounts of fictional heroes from Beowulf to King Arthur to Queen Katherine of Alexandria which show medieval authors experimenting with adapting and expanding the conventions of life writing Though

Medieval life writings can be challenging to read we encounter in them the antecedents of many of our own diverse biographical forms tabloid lives literary lives brief lives revisionist lives lives of political figures memoirs fictional lives and psychologically oriented accounts that register the inner lives of their subjects     The Margaret Mitchell Encyclopedia Anita Price Davis, 2014-01-10 Atlanta writer Margaret Mitchell 1900 1949 wrote *Gone with the Wind* 1936 one of the best selling novels of all time The Pulitzer Prize winning novel was the basis of the 1939 film the first movie to win more than five Academy Awards Margaret Mitchell did not publish another novel after *Gone with the Wind* Supporting the troops during World War II assisting African American students financially serving in the American Red Cross selling stamps and bonds and helping others usually anonymously consumed her This book reveals little known facts about this altruistic woman The Margaret Mitchell Encyclopedia documents Mitchell s work her life her impact on Atlanta the city s memorials to her her residences details of her death information about her family the establishment of the Margaret Mitchell House against great odds and her relationships with the Daughters of the Confederacy and the Junior League
