

INTRODUCTION IN STUDYING CHRISTOLOGY

By Alberto Nicko R. Mateo VI

Objective

- To identify knowledge that need to be learned in this study
- To determine ways on how to acquire the knowledge need to be learned in this study
- To understand the purpose of learning the knowledge that can acquire in this study.

“[If] For those who have faith in him, no systematic reflection should

Introduction To Christology

Raymond Edward Brown

Introduction To Christology:

Who is Jesus? Thomas P. Rausch, 2016-03-24 Who is Jesus This is the fundamental question for christology The earliest Christians used various titles most of them drawn from the Old Testament or Hebrew Scriptures to express their faith in Jesus They called him prophet teacher Messiah Son of David Son of Man Lord Son of God Word of God and occasionally even God In Who Is Jesus Thomas Rausch SJ focuses on the New Testament's rich variety of christologies Who Is Jesus covers the three quests for the historical Jesus the methods for retrieving the historical Jesus the Jewish background the Jesus movement his preaching and ministry death and resurrection the various New Testament christologies and the development of christological doctrine from the New Testament period to the Council of Chalcedon Chapters are The Three Quests for the Historical Jesus Methodological Considerations The Jewish Background Jesus and His Movement The Preaching and Ministry of Jesus The Death of Jesus God Raised Him from the Dead New Testament Christologies From the New Testament to Chalcedon Sin and Salvation and A Contemporary Approach to Soteriology Thomas P Rausch SJ PhD is the T Marie Chilton Professor of Catholic Theology at Loyola Marymount University in Los Angeles A specialist in ecclesiology ecumenism and the theology of the priesthood he has published eight books including the award winning Catholicism at the Dawn of the Third Millennium The College Student's Introduction to Theology and Reconciling Faith and Reason Apologists Evangelists and Theologians in a Divided Church published by Liturgical Press *Jesus Our Salvation* Christopher McMahon, 2007 Jesus Our Salvation An Introduction to Christology is an innovative text designed with the introductory student in mind The text is written in an engaging style and is enhanced by pedagogical elements which make the complex material accessible to the student reader Jesus Our Salvation is both sensitive to the challenges of contemporary Christology and well grounded in Catholic identity The book maintains a positive though critical dialogue with many voices in the Christian tradition including those of the classical tradition historical Jesus research the evangelical tradition and contemporary theological thought It addresses important issues of today such as Christology's capacity to promote social transformation and the questions that are raised about Jesus from the perspective of religious pluralism **An Introduction to New Testament Christology** Raymond Edward Brown, 1994 Examines christology's Or evaluations of Jesus identity and divinity based upon his words his public ministry and the Resurrection **The College Student's Introduction to Christology** William P. Loewe, 2016-03-24 Why did some people want Jesus dead while others came to honor him as the Christ What does it mean to say that he was raised and how did this belief get started What about the classical expressions of Jesus religious significance Where did they come from and what do they mean What does belief in Jesus have to do with justice for the poor the women's movement concern for the environment and respect for other world religions These are just a few of the questions that have given Christology a whole new shape in recent years Through the process of inquiry conversation and debate students clergy and other professional ministers receive a complete introduction into the current thinking about Jesus religious significance

the present stage of Christology In The College Student s Introduction to Christology Loewe focuses on Christology today especially the religious significance of Jesus for culture and society By surveying Jesus life in light of the Easter experience and by tracing the Christological process the process whereby Christians seek to capture and communicate in words Jesus salvific impact this work grasps current Christian and especially Catholic theological reflection on the significance of Jesus Loewe focuses on becoming familiar with issues regarding how people discuss Jesus today grasping the historical and cultural background from which these issues emerged and developing an understanding of the methods for resolving them Part One deals with the question of the historical Jesus Part Two examines the origin and meaning of Christian belief in Jesus resurrection and Part Three uncovers the Christological process as it unfolds through the New Testament classical patristic dogma and today The ways in which Christians have sought to express Jesus religious significance offer insight for what those ex

The College Student s Introduction to Christology offers individuals a method for encountering Christ in the world William P Loewe Ph D is associate professor and former chair of the Department of Religion and Religious Education at The Catholic University of America His teaching and writing focus on Christology soteriology and Lonergan studies *The Word Became Flesh* Andrew Willard Jones,2019-05-13 This book follows the USCCB s framework for Who Is Jesus Christ and is written by Andrew Willard Jones It answers the question of who Jesus is and what that means for the life of the reader It features source documents such as key sections from Vatican II s Dei Verbum and Lumen Gentium and as well as Augustine s De Trinitate On the Trinity and more About the series The Formed in Christ series is a solid and faithful resource that provides a thorough treatment of the Catholic faith and the various branches of theology Teachers may use this series to draw lessons for all core curriculum subjects in the USCCB s doctrinal framework for high school level theology Each book in the Formed in Christ series is written at a high school age appropriate level and includes further reading from magisterial or other orthodox sources ranging from the Church Fathers to books published within the last ten years along with discussion and reflection questions Also included in each book is a challenges section which follows from the USCCB s suggestions for apologetic topics for each course The simple structure of the Formed in Christ series is meaningfully designed to allow teachers to build their own course or to use these books as a supplement It means they can also be used by homeschoolers or religious educators by the beginner armchair theologian or by the college or high school student for independent or group study The versatility inherent in these books means that they are not only for a high school classroom but for anyone willing to put in the work to learn more about the truths of the faith *An Introduction to Christology* Gerard H. Luttenberger,1998 Firmly based on contemporary biblical scholarship this readable text will appeal to and engage adults who want to deepen their faith knowledge of the living Christ and of the development of the church s expression of that faith **Images of Christ** Glenn F. Chesnut,1984 *Jesus in Trinitarian Perspective* Fred R. Sanders,Klaus Dieter Issler,2007 Jesus in Trinitarian Perspective studies the person of Jesus on Earth as well as how He is the eternal second person of the Trinity

An Introduction to Christology Gerard H. Luttenberger, Gerard H Luttenberger C M, 2012 What sets this book apart from all other Christology texts is that the author teaches readers the process of doing Christology Just as theology is the process of interpreting the faith experience of God so Christology is the process of making sense of the experience of God through Jesus This process involves meeting Jesus in the present personally and responding to the question Who do you say that I am It involves gathering the responses of past and present and searching for the meaning of God's self gift ever present in Jesus for today In this fresh experienced grounded approach Fr Luttenberger invites readers to reflect on the interpretations and responses of Christians in the first centuries of the church's history and to learn from them how to do Christology Firmly based on contemporary biblical scholarship this readable text will appeal to and engage adults who want to deepen their faith knowledge of the living Christ and of the development of the church's expression of that faith Excellent for university and seminary courses adult education Bible study groups and all persons interested in deepening their understanding of Christ the Lord

Origins of New Testament Christology Stanley E. Porter, Bryan R. Dyer, 2023-03-21 The early followers of Jesus drew from Jewish and Greco Roman traditions and titles to help them understand and articulate who Jesus was This book opens a window into the Christology of the first century by helping readers understand the eleven most significant titles for Jesus in the New Testament Lord Son of Man Messiah Prophet Suffering Servant Son of God Last Adam Passover Lamb Savior Word and High Priest The authors trace the history of each title in the Old Testament Second Temple literature and Greco Roman literature and look at the context in which the New Testament writers retrieved these traditions to communicate their understanding of Christ The result is a robust portrait that is closely tied to the sacred traditions of Israel and beyond that took on new significance in light of Jesus Christ This accessible and up to date exegetical study defends an early high Christology and argues that the titles of Jesus invariably point to an understanding of Jesus as God In the process it will help readers appreciate the biblical witness to the person of Jesus

An Introduction to Christology Sebastian Chalakkal, 2011

Christology Veli-Matti Kärkkäinen, 2003-07 How does the global Christian community understand Jesus Christ Christology examines historical and contemporary understandings of Jesus from a worldwide perspective

The Eternal Lord Jesus Christ Minyard Merrell Barnett, 1971

An Introduction to Christology Sebastian Chalakkal, 2011

The Word Became Flesh Andrew Willard Jones, 2021-04 As Pope St John Paul II made clear in his apostolic exhortation Catechesi Tradendae The definitive aim of catechesis is to put people not only in touch but in communion in intimacy with Jesus Christ The Formed in Christ series seeks to fulfill this call fostering intimacy with Christ through its dynamic content Each of the texts is complemented by a comprehensive workbook designed to provide instructors with test material and direction for enhancing students grasp of the material Each workbook includes review and discussion questions short quizzes True False Fill in the Blank Multiple Choice key terms to define and spark note taking essay prompts scripture passage to memorize a final exam an answer key in the back for instructors In *The Word Became Flesh* the course of study looks at the

life and teaching of Jesus in history examining who Jesus revealed himself to be what he revealed about the Holy Trinity and how that revelation touches our own lives today as we strive to answer Jesus's call to discipleship in the world **T&T Clark Introduction to Spirit Christology** Leopoldo A. Sánchez M.,2021-10-21 This textbook assists students teachers and scholars in understanding and articulating major themes and issues arising from Spirit Christology an interdisciplinary and international area of study In the last half century Spirit Christology has developed into a critical and productive theological framework for reading Scripture mining the implications of Christ's person and work thinking about God and laying out the shape of the Spirit's works in the life of the church and in the world Highlighting voices from many countries and theological traditions the book chapters are structured to show how various authors engaging Spirit Christology have contributed compelling answers to critical questions raised in biblical studies church history systematic theology and practical theology Topics include the role of the Spirit of God in the gospels descriptions of Jesus the place of the anointing of Jesus in the history of the church the relationship between Logos two natures and Spirit Christologies in contemporary theology and the productivity of Spirit Christology as a lens for reflecting on and fostering spiritual practices disciplines and ethical engagement in the world This textbook offers pedagogical features Study questions for discussion Glossary of terms The Person of Christ Stephen J. Wellum,2021 The author offers an accessible treatment of the doctrine of Christology He builds on the foundations of the Bible's revelation about Jesus Christ and the theological formulation of Christology in the history of the church to help the church today articulate a Christological orthodoxy in continuity with the historic Christian faith
