

The background of the book cover features a detailed illustration of several integrated circuits (microprocessors) mounted on a dark green printed circuit board (PCB). The microprocessors are shown in various colors: blue, green, and red. Each chip has a central square die and a dense array of gold-colored pins along its edges. The chips are arranged in a staggered, overlapping pattern, creating a sense of depth. A prominent blue diagonal band runs across the center of the cover, serving as a background for the title text.
