Nischik, 2007 Beginning in the 1890s reaching its first full realization by modernist writers in the 1920s and brought to its heyday during the Canadian Renaissance starting in the 1960s the short story has become Canada's flagship genre It continues to attract the country's most accomplished and innovative writers today among them Margaret Atwood Mavis Gallant Alice Munro Carol Shields and many others Yet in contrast to the stature and popularity of the genre and the writers who partake in it surprisingly little literary criticism and theory has been devoted to the Canadian short story This collection redresses that imbalance by providing the first collection of critical interpretations of a range of thirty well known and often anthologized Canadian short stories from the genre's beginnings through the twentieth century A historical survey of the genre introduces the volume and a timeline comparing the genre's development in Canada the US and Great Britain via representative examples completes it The collection is geared both to specialists in and to students of Canadian literature For the latter it is of particular benefit that the volume provides not only a collection of interpretations but a comprehensive introduction to the history of the Canadian short story Reingard M Nischik is professor and chair of American Literature at the University of Constance Germany **Introduction to Indigenous Literary Criticism in Canada** Heather Macfarlane, Armand Garnet Ruffo, 2015-12-18 Introduction to Indigenous Literary Criticism in Canada collects 26 seminal critical essays indispensable to our understanding of the rapidly growing field of Indigenous literatures The texts gathered in this collection selected after extensive consultation with experts in the field trace the development of Indigenous literatures while highlighting major trends and themes including appropriation stereotyping language land spirituality orality colonialism residential schools reconciliation gender resistance and ethical scholarship [The Routledge Introduction to the Canadian Short Story](#) Maria Löschnigg, 2022-12-30 This volume aims to introduce undergraduates graduates and general readers to the diversity and richness of Canadian short story writing and to the narrative potential of short fiction in general Addressing a wide spectrum of forms and themes the book will familiarise readers with the development and cultural significance of Canadian short fiction from the early 19th century

The Routledge Introduction to Canadian Crime Fiction Pamela Bedore, 2024-02-27 Who are the most important Canadian crime and detective writers How do they help represent Canada as a nation How do they distinguish Canada's approach to questions of crime detection and social justice from those of other countries The Routledge Introduction to Canadian Crime Fiction provides a much needed investigation into how crime and detection have been and will be represented within Canada's national literature with an attention to contemporary popular and literary texts The book draws together a representative set of established Canadian authors who would appear in most courses on Canadian crime and detective fiction while also introducing a few authors less established in the field Ultimately the book argues that crime fiction is a space of enormously productive hybridity that offers fresh new approaches to considering questions of national identity gender race sexuality and even genre The Picturesque and the Sublime Susan Glickman, 2000 Winner of the Gabrielle Roy Prize in English and the Raymond Klibansky Prize The Picturesque and the Sublime is a cultural history of two hundred years of nature writing in Canada from eighteenth century

prospect poems to contemporary encounters with landscape Arguing against the received wisdom made popular by Northrop Frye and Margaret Atwood that Canadian writers view nature as hostile Susan Glickman places Canadian literature in the English and European traditions of the sublime and the picturesque Glickman argues that early immigrants to Canada brought with them the expectation that nature would be grand mysterious awesome even terrifying and welcomed scenes that conformed to these notions of sublimity She contends that to interpret their descriptions of nature as negative as so many critics have done is a significant misunderstanding Glickman provides close readings of several important works including Susanna Moodie's Enthusiasm Charles G D Roberts's Ave and Paulette Jiles's Song to the Rising Sun and explores the poems in the context of theories of nature and art Instead of projecting backward from a modernist perspective Glickman reads forward from the discovery of landscape as a legitimate artistic subject in seventeenth century England and argues that picturesque modes of description and a sublime aesthetic have governed much of the representation of nature in this country Susan Glickman is a poet living in Toronto She is the author of Complicity The Power to Move Henry Moore's Sheep and Other Poems and Hide and Seek

Beyond "Understanding Canada" Melissa Tanti, Jeremy Haynes, Daniel Coleman, Lorraine York, 2017-04-21 The dismantling of Understanding Canada an international program eliminated by Canada's Conservative government in 2012 posed a tremendous potential setback for Canadianists Yet Canadian writers continue to be celebrated globally by popular and academic audiences alike Twenty scholars speak to the government's diplomatic and economic about face and its implications for representations of Canadian writing within and outside Canada's borders The contributors to this volume remind us of the obstacles facing transnational intellectual exchange but also salute scholars persistence despite these obstacles Beyond Understanding Canada is a timely trenchant volume for students and scholars of Canadian literature and anyone seeking to understand how Canadian literature circulates in a transnational world Contributors Michael A Bucknor Daniel Coleman Anne Collett Pilar Cuder Dom

century Canadian literature has argued that English Canadian fiction was plagued by backwardness and an inability to engage fully with the movement of modernism that was so prevalent in British and American fiction and poetry Modern Realism in English Canadian Fiction re evaluates Canadian literary culture to posit that it has been misunderstood because it is a distinct genre a regional form of the larger international modernist movement Examining literary magazines manifestos archival documents and major writers such as Frederick Philip Grove Morley Callaghan and Raymond Knister Colin Hill identifies a modern realism that crosses regions as well as urban and rural divides A bold reading of the modern realist aesthetic and an articulate challenge to several enduring and limiting myths about Canadian writing Modern Realism in English Canadian Fiction will stimulate important debate in literary circles everywhere **The Lincoln Library of Essential Information** ,1924
